The Executive Session was called to order at 7:57 p.m. in the Police Station meeting room. The meeting was held to consider the purchase, exchange, lease, or value of real property.

Marion Pathways Committee

Members of the Marion Pathways Committee (Mr. Litke, Mr. Coykendall, and Mr. Rockwell) were present to discuss proposals they referred to as Plan A and Plan B; both plans provide access to the bike path.

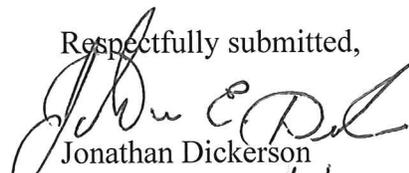

Plan A includes land located by the Baldwin Brothers property that has been under negotiation for years with no results.

Plan B includes land owned by Lockheed Martin and the Town-owned property located at 13 Atlantis Drive.

After discussion it was agreed that Mr. Henry will approach representatives from Lockheed Martin and ask if they would consider conveying a 10-15 acre parcel to be used for a municipal maintenance complex and also for access to the bike path.

A roll call vote to adjourn was taken at 8:38 p.m. with all members voting yes.

Respectfully submitted,

Jonathan Dickerson
