

In attendance; Margie Baldwin, Sylvia Strand, Ellen Bruzelius, Jim Stewart, Margot Stone and Steve Gonsalves

Absent; Susannah Davis and Sue Maxwell Lewis

1. Minutes of previous were approved
2. Discussion of Tree removal Policy; it was decided that going forward a hearing will take place for removal of a town street unless the Tree Warden determines that the tree is no longer viable and is a safety hazard.
3. The Harbormaster plantings are underway and hopefully will be watered by the staff there; 6 cedars in planters and a row of hydrangeas.
4. The plans for 12 new street trees is on hold until cooler wetter weather, but the locations and varieties have been determined.
5. Ellen has some quotes for the new Tree Book and will be working on it after her family visits end. We all said to take her time so we can get it right as there have been many changes.
6. Meeting adjourned at 4:45pm

Respectfully submitted, Margie Baldwin
