Report of the SELECT BOARD

Personnel

- Randy Parker was reelected to the Select Board for a consecutive three-year term. Becky Tilden retired from the Department of Public Works Director position and was replaced by Jody Dickerson.

Development

- There has been little progress on the two residential developments off Route 6 before the Wareham bridge. The redevelopment of the Lockheed Martin property (now called the Sippican Office Park) is still in the planning stage but is making more progress than the residential developments.
- The State passed a law that allowed Accessory Dwelling Units of specific size by-right in all residential single family zoned lots. The Town is working to develop a zoning bylaw for May 2025 Annual Town Meeting that will address this requirement. The Town is trying to determine what impact this will have on the capacity of our Wastewater Treatment Plant and the recently completed Comprehensive Wastewater Management Plan.

Town Properties/Facilities

- Harbormaster Building - Construction contract was awarded to a local Marion company, Southcoast Improvement Company. Construction began only to be hindered by granite ledge causing a redesign of the foundation and pilings. Once the redesign was completed, our contractor made good progress, keeping on schedule and overcoming challenges in the process. At years end, the construction was essentially complete, being held up by the simple requirement to have a landline phone in the elevator.
- Department of Public Works Operations Building - Southcoast Improvement Company also won the contract for the new building with a major subcontract with Morton Buildings for the actual building. Construction is progressing and is expected to be completed in 2025.
- Benjamin D. Cushing Community Center - Our Facilities Department completed the construction of the extension on the back of the building for a storage area.
- Elizabeth Taber Library – Planning is underway for the renovation of the first floor of the Library in 2025 funded by a generous donation. This will rearrange the interior for more book shelving, accessibility, and meeting space.
- Holmes Woods – The Forester has completed the Forest Management Plan and Bird assessment. We plan on submitting a MassTrails Grant application early in 2025 for assistance designing a trail system that will facilitate exposure to the natural beauty of the area. Working with the Natural History Museum and Sippican School we plan to include an outdoor meeting space for classroom and after-school education. In addition, we will request Community Preservation Act funds for vegetation thinning and invasive species removal.
- Shared Use Path – The Shared Use Path along the old rail bed progress is bogged down by the required and extensive responses to the State comments to the 100% design. We

anticipate that the questions will be answered in 2025, and we can proceed with resolving the needed easements. It is not clear at this time if construction will be started in 2025.

- Grants – The Town received just over \$5.4 million in grant funding this year, leading a significant push towards our strategic goals and infrastructure requirements.
- Point Road Playground – Pickleball courts were installed and the park officially named Manuel and Felizarda Pina Playground
- Benson Brook Boutique Swap Shop – The facility was seasonally opened.
- Selected Properties – New dispensers for dog waste pickup bags were installed at Washburn Park, Old Landing, Island Wharf, Silvershell Beach, Sprague’s Cove, and Bicentennial Park to facilitate dog owners clean up.

Studies

- Route 6 – Little progress this year as we are waiting on MassDOT to complete 25% design
- Historic District – The Local Historic District Study Committee has been actively pursuing the concept this year in anticipation of public meetings early in 2025.
- Speed Regulations – The 1979 regulations were updated.

We continue to live in a time of change and challenge, the Select Board continues to strive for decision making that is beneficial to the collective community. Comments and ideas are always welcome.

**Report of the
TOWN ADMINISTRATOR**

To the residents of the Town of Marion:

I am pleased and honored to submit my second Annual Report as Marion’s Town Administrator.

This has been another amazing year as we worked as a collective residential team to start and complete numerous important and impactful projects.

I must take this opportunity again to thank the amazing residents, Town staff and numerous volunteers and elected officials that support the daily operations of Marion. It would be impossible to succeed in our strategic plans without the firm dedication of each individual and I continue to be honored by their continued support.

In 2024, we were able to continue our past year of success and move forward with multiple new projects. First, we were able to complete construction of the new Harbormaster Building along with some Island Wharf upgrades and a newly refurbished restroom facility. Progress will continue with some traffic flow improvements, a new water main and hydrant along with some new landscaping in the Spring. With the support of our amazing residents, we were also able to begin construction on the new Department of Public Works Operations Building with a notional completion date of Fall 2025, purchase a new Harbor Patrol Boat and begin building the replacement for our 1960’s era Brush Truck. We also completed the 100% design submission and environmental review for the Shared Use Path and expect to begin appraisal and purchase of the rights of way in Summer of 2025. These milestones were only possible with the unwavering support of numerous staff and volunteer board members. I thank them all for their time, energy, and insight.

On the personnel side, we had two veteran staff members retire after decades of service to the Town of Marion. We wish Kathy Kearns, our head of Accounts Payable and Rebecca Tilden, the Public Works Director, the best of luck on their moves to the less stressful side of the workforce. They had a combined 60 years of service with the Town!

Lastly, I would like to provide an update on our new grant program. We started our new aggressive funding push a year ago and have garnered some amazing results leading to over \$5.4 million in funding for the Town to drive our strategic initiatives and vital infrastructure projects, including but not limited to:

1. Creek Road Pump Station Upgrade	\$3,201,500
2. Perry Hill / Main Pump Station Generators	\$625,000
3. Point Road Force Main Replacement	\$439,520
4. Marion Fire Department Brush Truck	\$285,695
5. Town House American with Disabilities Act (ADA) Upgrades	\$206,000
6. Harbor Management Plan	\$150,000

This significant amount of funding would not be possible without the support and hard work of your Town staff, thank you all!

Open, two-way respectful communication is very important to me, and I urge you to reach out if for a discussion, potential solution or a sea story. Once again, thank you for a great year and I am honored to be working with you all.

Respectfully submitted,

Geoffrey Gorman, Town Administrator

Left to Right: Town Administrator Geoffrey Gorman,
Technical Sergeant Mandy Givens, Lieutenant Charles Brown, and
Select Board Members Norman Hills,
Randy Parker and Carelton Burr, Jr.
Memorial Day – Monday, May 27, 2024

**Report of
BOARD OF ASSESSORS**

To the Honorable Select Board:

As mandated by State Law, the major responsibilities of the Board in Fiscal Year 2024 were to manage the valuation and assessment of all real and personal property for *ad valorem* tax purposes, to set the tax rate, act upon applications for abatements, place value on new construction, and commit motor vehicle and boat excise taxes.

A single tax rate for all classes of property was set at \$9.26 per \$1,000 of valuation.

The following information is a recapitulation of the Town’s assessment and tax levies for Fiscal Year 2024:

<u>Class of Property</u>	<u>Valuation by Class</u>	<u>Percent of Total Levy</u>	<u>Tax Levy by Class</u>
Residential	\$2,319,276,747	93.72	\$21,476,502.68
Commercial	90,769,231	3.67	840,523.08
Industrial	20,075,700	.81	185,900.98
Personal	<u>44,642,120</u>	<u>1.84</u>	<u>413,386.03</u>
Totals	\$2,321,002,243	100.00	\$22,916,312.77

The following is the tax rate summary for Fiscal Year 2024:

Funds from estimated receipts and other fund sources	\$14,192,820.00
Funds to be raised by tax levy	<u>22,916,312.77</u>
Total Amount to be raised	\$37,109,133.74

Property exempt from taxation had a total value of \$230,288,168. The tax value of new construction was \$292,642.00. The Board committed \$1,051,481.28 in Motor Vehicle Excise Taxes. Excise Taxes on Boats habitually moored in Marion were \$74,306.00. The commitment for the Community Preservation Fund was \$398,654.22.

A summary of abatements and statutory exemptions that were granted for Fiscal Year 2024 are:

Abatements	\$ 43,848.61
Senior Work-Off Program	7,415.34
Statutory Exemptions	<u>63,464.01</u>
Total	\$114,727.96

We update our online property value database hosted by MapGeo annually. MapGeo provides access to digital geographic and property data and works closely with MassGIS to make sure our property records conform to MassGIS standards. Using MapGeo, Town employees as well as taxpayers can easily search for properties by owner's name and/or address, view and print property record cards, overlay a MassGIS aerial photo and/or a Federal Emergency Management Agency (FEMA) Map onto a property, and view Neighborhood and Water Factor Maps. In 2024, we printed our digital mapping application of the FEMA Flood Zone Maps onto our paper maps stored in our office. These Maps are available to the public to view at any time. Abatement Applications, various Assessor's Forms and Applications, and additional helpful information are also available on our webpage located on the Town's Website at marionma.gov under Town Departments.

The Board thanks Linda Dessert, M.A.A., Associate Assessor and Cynthia M. Visotski, C.A.A., our Assistant Assessor, for their dedication, work ethic and knowledge of State Assessing Laws and of the responsibilities required of the Board. We are especially grateful for the respect and courtesy they extend to all the Marion residents and real estate professionals that call or visit our office.

The Board meets regularly on the First and Third Wednesdays of the month at 5:15 P.M., and at other times by appointment. We encourage voters to meet with members of the Board at anytime to express their value-related concerns. If you cannot meet with us, please visit us online at marionma.gov under Town Departments.

Respectfully Submitted,

Peter F. Winters, Chairman
Patricia A. DeCosta, M.A.A.
George T.J. Walker

**Report of
PLANNING BOARD**

To the Honorable Select Board:

This year, the Marion Planning Board has continued to effectively make decisions for the Town of Marion regarding its growth and development. The Planning Board performed site plan reviews and oversaw permitting activities for various commercial, institutional, and residential applications. Multiple permits for commercial construction and repurposing of existing structures were reviewed and approved. Additionally, pre-submission conferences and site plan review hearings were held for a wide range of projects for the year ending December 31, 2024.

The Planning Board reviewed several Approval Not Required (ANR) plans addressing lot line changes, land swaps between adjacent parcels and the creation of new lots.

Marion's Master Plan remains to be the guiding document for use in the planning of Marion's future, particularly housing options, and commercial growth. The Planning Board is fortunate to have a hard-working administrative staff and Town Planner and appreciates all the public input and support it received this year.

The Planning Board in cooperation with the Bylaw Codification Committee continues to resolve bylaw codifications issues as well as the creation of new bylaws that reinforce out Master Plan goals, while also protecting our citizens rights and maintaining the quality of living Marion provides.

As in previous years, the Planning Board collaborated with a variety of other Town Boards and Committees. Planning Board members continue to play an active role in several town and regional committees, including the Affordable Housing Trust, Community Preservation Committee, the Energy Management Committee and the Southeastern Regional Planning and Economic Development District.

This year, the Board elected Andrew Daniel as Chairman, Alanna Nelson as Vice-Chair, and Eileen Marum as Clerk.

Respectfully submitted,

Andrew Daniel, Chairman
Alanna Nelson, Vice-Chair
Eileen Marum, Clerk

**Report of
DEPARTMENT OF PUBLIC WORKS**

To the Honorable Select Board:

I am pleased to submit the 2024 Annual Report of the Department of Public Works (DPW). The following is a summary of accomplishments and work performed in 2024

HIGHWAY DIVISION

Operations- The Highway Division staff continue to utilize a work order system to schedule and track daily activities. We try to schedule our daily work tasks by staffing and priority, but outside unforeseen requests come to the Division often, and sometimes urgent, and our planned task needs to be rescheduled. The work order system allows us to revise our scheduled day while still tracking tasks remaining to be completed. This system also allows us to track duplicate requests as well as repeat issues.

Property Maintenance – The DPW is responsible for regular maintenance of over 73 Acres of municipal properties. We supplement our workforce with seasonal employees during the spring/summer months to assist with the increased workload. Each property is scheduled to be mowed and trimmed at least weekly. The Division continued to assist the Marion Garden Group with watering the beautification planters at four locations that need safety precautions in place to do so.

Roads- During the winter months, the primary focus of this division is ensuring the roads are safe and passable to travel by treating the roads with a sand and salt mixture, plowing when necessary, filling potholes, trimming road edges, clearing and repairing drains for the proper damage on the roads. Potholes continue to be an issue. Like many communities throughout New England, this is not unique to Marion. Over 7 tons of asphalt patch were used in 2024.

Street replacement program was completed in the summer of 2024.

The Pavement Management Program continued in 2024. Zora Road, Allen Street, Lewis Street, Pleasant Street, Cove Street and Hermitage Road have been repaved, or portions of the roads were repaved. Crack Sealing was completed on Converse Road, Cranberry Way, Boxberry Way, Tucker Lane, Holmes Street. Fog Sealing was conducted on County Road and Pleasant Street.

Rubbish & Recycling – The DPW continues to manage the Benson Brook Transfer Station for Marion and Rochester residents. The Transfer Station is open on Wednesday and Saturdays from 8:00 AM to 3:00 PM. The Swap Shop (Benson Brook Boutique) was opened in the spring of 2024 with great success. The Swap Shop is open on Wednesday's from 9:00 AM – 3:00 PM. The Swap Shop is staffed by senior volunteers.

Capital Equipment – At the Annual Town Meeting, voters approved the purchase of a new multi-use Switch & Go style dump truck with several attachments. Delivery is expected in Spring of 2025.

DPW Operations Center –

The new DPW Operations Center construction was started in July of 2024, the building should be completed and occupied in July of 2025.

I would like to thank the dedicated Department of Public Works employees for their hard work and support.

Finally, I would like to personally congratulate Becky Tilden for an incredible 40+ years of dedicated leadership! Her vision, commitment and guidance have been instrumental in shaping our success. We greatly appreciate her unwavering dedication and inspiration to the Town of Marion and to our team. Happy retirement.

Respectfully submitted,

Jody Dickerson
Supervisor Highway Division

Volunteers gather to plant geraniums at Veterans graves at Evergreen Cemetery ahead of Memorial Day 2024

2024 STATISTICS

WATER

Total Water Pumped in 2024 (recorded in gallons)	164,861,000
At #1 Pumping Station, North Marion	0

Refrigerators	17
Freezers	6
Water Cooler	1
Christmas Trees	373
Single Stream (paper & commingles)	579.68 Tons

**Report of
BUILDING DEPARTMENT**

To the Honorable Select Board,

I am pleased to provide this report on the activities of the Marion Building Department for the year 2024.

Marion's Building Department is responsible for administrating the General Laws of Massachusetts' Building, Electrical, Plumbing and Gas codes, Architectural Access Board regulations, and Town of Marion Zoning Ordinances as they relate to land use, construction, occupancy and demolition of buildings and structures.

The Department's primary goal is to protect the public's life, health, safety, and welfare as it relates to construction and occupancy of buildings. We ensure that all construction, reconstruction, alterations, and repairs conform to the requirements of the State Building, Electrical, Plumbing and Gas codes and the Town of Marion Zoning Ordinance, and by conducting annual inspections on specified use groups in existing buildings.

Building permits in Marion continue to be robust for 2024. With the cost of construction and interest rates still at high levels, we have not seen any significant decrease in our permitting. Our new Harbormaster Building is now complete after many years of planning, design and construction. The construction of the new Department of Public Works Building, located at the end of Benson Brook Road, has begun with a projected completion sometime Summer of 2025. The old Lockheed Martin site has been under constant construction with many new tenants and many more to come.

Our Building Department staff is unchanged again this year and it is my privilege to work with such a professional group. Our office Assistant, Anne Marie Tobia, who has been responsible for the Building Department and Zoning Board of Appeals, has also taken on the additional duty of Assistant to the Facilities Department. Our online permitting process has helped streamline the internal office work, which has allowed our assistant to take this additional duty.

Respectfully submitted,

Bob Grillo
Building Commissioner

**Report of
ZONING BOARD OF APPEALS**

To the Honorable Select Board:

The Zoning Board of Appeals has the responsibility under Chapter 40A of the Massachusetts General Laws to act as the Town’s Special Permit Granting Authority in matters concerning the application or interpretation of the Town’s Zoning By-laws. The Board is comprised of five regular members, plus three alternates, and holds hearings upon request by property owners seeking relief from restrictions regarding the use of their property.

During the year 2024, a total of eight public hearings were held, six of which were for special permits and two for variances. Of the applications for special permits, all six requests were granted. One variance was granted, and one was withdrawn by the applicant.

Respectfully submitted,

Cynthia Callow
Chairperson

Total hearings in 2024:	8
Special Permits:	6 granted 0 denied 0 withdrawn
Variances:	1 granted 0 denied 1 withdrawn

Report of the FACILITIES DIRECTOR

To the Honorable Select Board:

I am pleased to submit my twelfth report of the Marion Facilities Department for 2024.

In addition to our daily responsibilities, the Facilities Department has also played a large role in supporting construction for both Harbormaster Building and Department of Public Works Operation Facility as well as completing the following projects:

Marion Town House

- Develop plans and specifications for required building and fire code upgrades. This project will be presented at the May 12, 2025 Annual Town Meeting. The project will include full Americans with Disabilities Act (ADA) upgrades on floors 1 and 2, automatic sprinkler system on all four levels, new electric heat pump Heating, Ventilation and Air Conditioning (HVAC) system on first floor, and restoration of Main Street entrance stairs.

Parks

- Exterior renovation of the Bandstand on Island Wharf. Installation of 12 dog waste stations in Town recreation areas.

Community Center

- Completion of the Community Center addition.
- Second phase of the 1960's single pane window replacement in the main hall.

Fire Station #1 and #2

- Replacement of 5 exterior doors at Fire Station #1.

Police Station

- Remove rotted metal bulkhead leading into the police station basement storage area and construct a new code compliant entry way with new stairs for employees to access record storage and new exercise gym.

Harbormaster

- Assisted with removing the old Harbormaster office and one restroom. Renovated the exterior of the remaining restroom. Replaced all handrails along seawall and wharf. Installed conduit and communication wire throughout the interior of the new offices.

With help from the Energy Management Committee, the Town received a \$212,675 grant from Green Communities. \$29,825 for Front Street Pump Station – Heat Pump System, \$41,300 for Wastewater Treatment Plant – Variable Frequency Drives, \$104,080 for Wastewater Treatment Plant – Building Management System upgrade, and \$37,470 for Sippican Elementary School – Transformer replacement. These upgrades are estimated to save the town \$38,039 & 153,201kwh annually.

I'd like to thank my Foreman – Dennis Bellefeuille, Carpenter – Micheal Duval, Marion's Energy Management Committee, Harbormaster Department, and the Department of Public Works for all your help and support throughout the year.

Respectfully Submitted,

Shaun P. Cormier
Facilities Director

**Report of
BOARD OF HEALTH / PUBLIC HEALTH DIRECTOR**

To the Honorable Select Board:

The Marion Health Department is charged with protecting the health, safety, and well-being of all community members against environmental hazards, infectious disease threats, and substandard living conditions by adopting reasonable health regulations, providing preventative health programming and promotion, and preparing and planning for public health emergencies. The Board of Health consists of three members elected by the residents of Marion. Our current members include John Howard, M.D. (Chair), Albin Johnson (Vice Chair) and Edward Hoffer, M.D. (Secretary).

Public Health Nursing Services support the health and well-being of the population of the Town of Marion. This is done both by addressing the immediate health needs and by anticipating future needs. These services are offered in a variety of ways through individually scheduled appointments, clinics, home visits and community events. Weekly Public Health Nurse clinics continued at the Benjamin D. Cushing Community Center offering Blood Pressure and Blood Glucose screening, B12 injections (as prescribed) and support of the Memory Café.

We offered Monthly Sharps Drop-Off at the Community Center and provided free Sharps containers for resident use. We are looking to expand our hours in 2025 to better meet the community needs.

Shallyn Carreiro, our Health Agent, conducted food and body art inspections, investigated housing and other complaints, assisted with camp inspections, and became more knowledgeable with septic systems and soil evaluations. We would like to thank our consultant, David Flaherty, for his continued support, assistance, and patience as we continued to learn. We were also able to receive support and funding as a member of a Shared Service Arrangement, The Southcoast Public Health Collaborative, funded through a Public Health Excellence for Shared Services (PHE) Grant from the Office of Local and Regional Health (OLRH).

Marion is part of a regional Massachusetts Tobacco Cessation and Prevention program which is also paid for through grant funding. Megan daCosta continued appointment as the Tobacco and Marijuana Public Health Program Manager.

Marion Board of Health amended the regulation entitled “Guidance for Body Art Establishments” and updated our Food Service Schedule of Fees.

With the help of medically trained staff (nurses, physicians, EMTs, Paramedics, and University of Massachusetts Nursing Students) and volunteers, we were able to continue with our much sought out Drive-thru vaccination clinics. In 2024, we were able to administer 98 Covid vaccines along with 477 Seasonal Influenza vaccines. Multiple clinics and locations were offered including Benjamin D. Cushing Community Center Drive-thru, Little Neck Village, Marconi Village, Marion Village Estates, Nurse Clinics at the Benjamin D. Cushing Community Center, Marion Town House, Sippican Elementary, Tabor Academy and home visits.

Plymouth County Mosquito Control conducts aerial larvicide spraying of selected swamps. They offer residential spraying, and residents can request up to eight times per season from June through September. In 2024, we had 366 household spray requests which as up from 324 the previous year. In August, we were notified of 2 positive mosquito samples in Marion, 1 positive West Nile Virus (WNV) and 1 positive for Eastern Equine Encephalitis (EEE). These positive samples along with positive samples in nearby towns increased our risk level. Plymouth County Mosquito Control conducted a townwide spraying with the

exception of residents that had requested an exclusion from wide area pesticide applications. Plymouth County Mosquito Control inspected standing water areas in Marion and treated them with larvicide as needed. During the winter months they offer free removal of 10 tires per household.

Cape Cod & Southeast Massachusetts Rabies Task Force conducted Oral Rabies Vaccine (ORV) Distribution via helicopter and bait stations to reduce rabies in wildlife in the Spring and Fall. It's important to report when you see wildlife/animals with strange behavior, keep your distance from wild animals, vaccinate your pets, and keep wild animals like bats and racoons out of your home by capping your chimneys and repairing holes in attics and cellars. In May, Animal Control Officer, Susan Connor educated residents at the Council on Aging about domestic animal bites, wildlife, bats and rabies.

With the help of Marion's Senior Work Off program, we were able to once again hire Frank Murphy to assist the Board of Health with our weekly summer beach testing over a 15-week period of our public and semipublic beaches. 128 tests were performed over a 15-week period. While some beaches in our area had to close due to high bacteria levels, we were happy to report we did not have any beach closures this season.

The goal of the Marion Cares Community EMS Program is to keep residents in their homes as long as possible through prevention, education, and collaboration with community partners.

The Marion Cares Community EMS program has continued to grow and continues to prove success with home visits, educational programs and grant opportunities. We would like to thank Lt. Lyle McKay/Paramedic for his role in making this possible. Marion is one of 16 communities in the state that offer the Community EMS program. 2024 proved to be a busy year for the program, logging 314 home visits, the most calls since the inception of the program in 2022.

Although the program is widely known for home visits which monitor residents at risks for certain health concerns including cardiovascular disease and diabetic concerns, community risk reduction programs have also been a successful mission of the program. Collaboration between the Marion Fire Department and the Marion Council on Aging have helped the program identify residents at risk and provide a target audience to deliver community risk reduction programs too.

Over the past year, the Marion Cares Community EMS program has offered several lectures at the Marion Council on Aging including topics such as fire safety for seniors, heat and its effects on older adults, cold weather emergencies, diabetes awareness, and seasonal weather safety, to name a few. We also provided an educational presentation on ticks and mosquitoes for children who attended the Silvershell Summer Program. The programs offered for no cost to the residents are aimed at educating and promote wellness among our community members.

This past year, the Marion Cares Community EMS program was able to secure a grant in the amount of \$4,780 to provide stroke awareness education to the community. This grant provided monies to cover blood pressure cuffs, stroke healthy cookbooks and fund events, such as, community walks and educational information provided at annual town meeting, touch a truck and stroke awareness educational programs at the Council on Aging. This grant was made possible through the collaborative efforts of the Marion Board of Health, Marion Fire Department and the Marion Council on Aging.

As we enter 2025, we would like to thank our community partners and the residents of the community for their support. If it were not for their support, we would not be able to successfully deliver the services and programs to the community. We continue to take great pride in our work with our community members and will continue to promote health and wellness within the community that we are proud to serve.

Lastly, we want to thank our Administrative Assistant, Maureen Murphy. She is the glue that holds our department together and is essential to our department's success.

Report of COUNCIL ON AGING

To the Honorable Select Board:

At the Marion Council on Aging, the work we do is guided by our values, mission and vision statements.

Values: “Marion’s Council on Aging seeks to foster a community for all persons, regardless of race, color, sex, religion, politics, physical or mental ability, sexual orientation or income. We provide information, activities, services, education and a place to gather in a supportive and safe environment.”

Mission: “The Council on Aging advocates on behalf of Marion’s Older Adult population. We seek and support educational, recreational, fitness and cultural programs and other activities. We encourage social interaction within our community. We strive to provide our constituency an enhanced quality of life.”

Vision: “We will remain committed to providing sustained leadership in supporting Marion’s Older Adult population. We will foster and expand community-based, age-friendly services in a safe and empowering environment, assisting those residents to live independently and in good health. We will advance the integration of the Older Adult population into the life of the Marion community by encouraging interaction between all ages. In pursuit of our mission, we will continue to work closely as a staff with the Friends of the Marion Council on Aging, other Town departments and all those who volunteer their time and energy to address opportunities and challenges for the benefit of those we serve.”

Health & Wellness

Exercise classes are a key component in keeping our members active. There are classes that range from Chair Yoga to Tai Chi, presenting a level of activity for anyone to participate in with no barriers. An eighth of a mile ADA compliant walking path with benches placed along the path provides a safe spot for the community to walk. Nursing and Podiatry services are offered on site.

Support groups are offered to help maintain a sense of connection and comfort. In partnership with the Community EMS initiative, we secured a grant from the Massachusetts Councils on Aging that allows for the enhancement and expansion of this program helping keep Marion’s Older Adult population to remain in their homes safely as they age. We received Dementia Friendly designation from the Massachusetts Councils on Aging in 2024. This complements the work we do already at the Council on Aging. We began our Memory Café in the Fall of 2016 and have hosted this weekly since that time. We hope that we have offered friendship, comfort and support to families over this time. We have seen many people join us and sadly have seen our friends pass but we are grateful for the opportunity to walk with them on this journey.

Transportation

Transportation is available for residents in need of rides for medical appointments, grocery shopping, personal errands and visiting the Community Center. Through a grant that we received from the Massachusetts Councils on Aging we were able to offer transportation to doctor's appointments in Boston once again.

Outreach Services

These services are available to provide information and referrals to attain assistance for remaining in the community in the most safe and comfortable environment.

Social Engagement

Opportunities were plentiful throughout 2024. We are always looking for creative, engaging and fun ways to bring everyone together. These opportunities present themselves in various formats: Educational & informative lectures, dining, puzzles & games, musical & theatrical performances and excursions. We are happy to invite guests in for dining three days a week serving fresh, home cooked meals and sharing companionship. To many attendees it is the highlight of their day. Rotating art exhibits continue to add beauty to the Center, giving artists an opportunity to display their works. For 2025 we have planned some new exhibits with creative themes, and we are excited to be welcoming some new exhibitors – for some it will be their first time displaying their works. Continued upgrades to the Center are making a visit even more welcoming and enjoyable. In 2025 we are set to install a public address hearing enhancement system that will enhance the audio experience at lectures and events making for a more inclusive environment. As we embark in a new year we have rolled out some new programs and initiatives. One new venture is teaming up with the Senior Learning Network to offer a virtual experience that allows participants to visit museums, historical sites and other places of interest for a tour. These are destinations that they might otherwise not get to experience. These are educational lectures on specific historical events or periods of time that have been pivotal to our nation. Another initiative that we are excited to unveil is “Gifts of Kindness”. This encourages residents of Marion to nominate someone living in the community who could use a little TLC. It is a way of turning an ordinary day into something special with a small, thoughtful gesture for someone who is experiencing a difficult situation. It could be as simple as a note of cheer or a homecooked meal delivered to them. Once the Council on Aging is contacted, we can help identify the right gesture.

Friends of Marion Council on Aging

We are offered invaluable support from our Friends Group, they help make much of what occurs at the Council on Aging a reality. We were happy to partner with them on sponsoring events throughout the year: the annual highly anticipated yard sale, the Pumpkinpalooza and the Festival of Trees.

We feel very fortunate to be able to assist the Older Adult population in Marion, it is truly a privilege. However, the work we do is not done without assistance. We collaborate with many Town Departments, Houses of Worship, Schools, Businesses and other Community Organizations, and as always, we are eternally grateful for our dedicated, passionate volunteers. In addition, the generous support we receive from our beloved Community Members.

Respectfully Submitted,

Karen Gregory

**Report of
MARION AFFORDABLE HOUSING TRUST**

To the Honorable Select Board:

The mission of the Marion Affordable Housing Trust is the creation and preservation of housing in Marion for the benefit of low- and moderate-income households. In achieving our mission, we seek:

To promote a variety of affordable housing options for those with modest income, including young adults, families, long-time residents, the elderly, downsizers, returning Marion residents and municipal employees.

1. To preserve the natural, historic and seaside character of our Town and to nurture our sense of a diverse, yet integrated community.

Activities for the Trust in 2024 included:

1. The Trust continues to actively search for potential properties suitable for affordable housing development for families, municipal housing, seniors, and veterans.
2. The Trust examined the property at 988 Point Road with Habitat for Humanity with the possibility of building/remodel the existing house for an affordable house. In addition, contact was made with Homes for Troops and information was shared with the community. While each was appreciated by committee members, the Habitat for Humanity build was situated on a floodplain. This meant that in addition to mortgage payments and house insurance, the family would also need to pay special Federal Emergency Management Agency (FEMA) flood insurance. As a result, the cost of living on the property would be too high for a Habitat for Humanity family. There were no applicants from Marion for the Homes for Troops application.
3. Chair Terri Santos sent facts regarding state and Marion issue, Accessory Dwelling Units (ADUs) to each member and this became a major focus for the committee. In January, Chair Santos presented the proposal that the Codification Committee take on the Accessory Dwelling Units. Each month, members discussed and researched how ADUs changes could be possible in Marion. The Chair of the Codification Committee, Mr. Norman A. Hills distributed a proposal for review regarding the changes to the bylaw 230-8.6 Accessory Apartments in March. Each month, ADU proposals were discussed.
4. Community Preservation proposals and funds have been discussed each month. The discussion began in January with sharing that funds could be utilized for hand-rails, ramps for seniors, and air-conditioning units as examples. This continues to be a topic of research for the committee.

5. The committee listened to Ms. Jennifer Jones of FSJ Holdings LLC present a plan that would involve 207-218 Wareham Street to be re-zoned from its existing footprint to Zone E: Residential.
6. The committee reflected on Chapter 150 of the Act of 2024, "*An Act relative to the Affordable Homes Act*" which amends the Zoning Act of G.L.c. 40A. The Act is the creation of a statewide definition of Accessory Dwelling Unit (ADU) and established a uniform set of rules governing the creation of ADUs.

**Report of
TRI-TOWN VETERANS OFFICE**

To the Honorable Select Board:

The Tri-Town Veterans Office serves the Towns of Marion, Mattapoisett and Rochester. We are located in the Mattapoisett Town Hall at 16 Main Street, Mattapoisett, MA. The office is open Tuesdays, Wednesdays, and Thursdays from 8 A.M. to 4 P.M. Our telephone numbers are 508-758-4100, ext. 212 and 214. The Veterans Agent can be emailed at vso@mattapoisett.net and the Administrative Assistant can be emailed at veterans@mattapoisett.net.

Our two-person team assists Tri-Town veterans and their families as defined by Massachusetts General Law, recently updated by the HERO act signed in 2024. We administer MGL Chapter 115, a town/state-funded, needs-based program available to veterans and widows/widowers who meet Executive Office of Veterans Services (EOVS) income guidelines.

We also assist veterans and their families seeking federal benefits through the Department of Veterans Affairs (VA). The number of VA claims we submit continues to increase from previous years. The number of Veterans receiving VA benefits increased again in 2024, resulting in tens of thousands in federal benefits paid to local veterans, thus returning to our local economy.

In 2024, inflation continued to take a toll on our veterans, many of whom are seniors living on modest fixed incomes. Our office establishes and maintains partnerships with local, state, and national organizations to ensure we meet veterans' unique, individual needs in a timely manner. Some of the services we provide are: build and maintain partnerships with area food pantries to aid in counteracting the high cost of groceries; inform and assist seniors in accessing state assistance programs pertaining to health care, fuel costs, and food assistance; facilitate veterans through the public housing application process due to the high price and availability of housing; instruct eligible veterans and their family members on how to obtain tax abatements.

Our office is a resource to the public for questions about veteran benefits and veteran issues of any kind. We are involved with numerous veteran events in all three towns throughout the year. If you are a Veteran, a Veteran's widow or widower, or know a Veteran who may need financial or medical assistance, please reach out to our office.

Sincerely,

Christopher Gerrior, Veterans Agent
Tayla Johnson, Administrative Assistant
Tri-Town Veterans Services Office
Towns of Marion, Mattapoisett and Rochester

Report of POLICE DEPARTMENT

To the Honorable Select Board:

I am pleased to offer this report on some of the activities of the Marion Police Department for 2024.

There were some personnel changes in the department during the year. Officer Edward Johnson and Kayla Sylvia were hired to fill open vacancies. Also, Alexandra Glew was hired to fill a vacancy. Ms. Glew is currently attending the Plymouth Police Academy and is anticipated to graduate in January 2025. Sergeant Alisha Crosby resigned from the department in December. We thank Sgt. Crosby for her commitment to the department and wish her well.

We continue to navigate “An Act Relative to Justice, Equity and Accountability in Law Enforcement in the Commonwealth.” This 129-page document establishes a Peace Officers Standards and Training (POST) Commission to certify police officers statewide, tasks the Massachusetts Police Training Committee with additional training for officers (specifically part-time police officers) and requires departments to have specific language in their policy and procedures, in addition to a multitude of other requirements.

In February, the Massachusetts Police Accreditation Commission (MPAC) conducted an on-site assessment for re-accreditation and in June MPAC voted unanimously for our department to be re-accredited. Accreditation is a self-initiated process by which police agencies voluntarily meet and maintain standards that are the best practices for the law enforcement profession.

We have worked along with our Harbormaster Department, which was reorganized under the Police Department in 2023, on multiple projects this past year, including our new Maritime Facility and new boat purchase. In May, Lt. Governor Kim Driscoll and members of the Seaport Economic Council visited Marion for a tour of our new facility, which was possible due to \$1.6 million in state funds that were matched by town funding. It was a special day that marked the result of a lot of hard work on the state and local level, and we thank everyone for their support.

In September, our comfort dog, Norman, started his first day alongside School Resource Officer Jon Tracy at the Sippican School. We look forward to seeing the impact that Norman has in our community.

In October, we held a women’s self-defense class and raised \$575 that we donated to the New Bedford Women’s Center. We hope to hold this class every fall in honor of Domestic Violence Awareness Month. Our class was filled to capacity and participants learned valuable and empowering skills to protect themselves.

Our Officers continue to be engaged in the community, hosting our annual toy drive for families in need, Pizza with Santa, and our Senior Holiday Dinner. Additionally, in November Tri-Town police officers played a fundraising basketball game against the ORR Unified Team. Everyone laughed, had fun, and raised money for a great cause. Our officers are constantly striving to be a positive presence in the community.

The Department remains actively involved with Plymouth County Outreach. Plymouth County Outreach was formed in December 2016 and is comprised of all the police departments in Plymouth County. When an individual experiences an overdose, responding officers are equipped with Narcan to reverse the overdose if necessary. Within 24-48 hours after the overdose, a plain clothes officer and an outreach counselor will attempt to visit the individual who overdosed. The purpose of the visit is to offer information and access to treatment services. Additionally, at-risk individuals can be identified through self-disclosure, referred by a family member, or loved one, or anyone else. If you or a loved one is looking for assistance from Plymouth County Outreach and could benefit from their resources, please contact our department and speak with myself or Lt. Jeffrey Habicht.

In November, Old Rochester Regional Assistant Superintendent of Teaching and Learning Dr. Shari Fedorowicz and I attended and delivered presentations at the Plymouth County District Attorney's Office Handle with Care Conference. Overall, the Handle with Care initiative aims to prevent children's exposure to trauma and violence, mitigate the negative effects children experience as a result of exposure to trauma, and increase knowledge and awareness. Our department maintains a strong, positive relationship with the school district and the district attorney's office. We are grateful that our community puts a high priority on the wellbeing of our students and Handle with Care is one of many examples of that commitment.

I would like to thank the other town departments for all their assistance and support throughout the past year. I wish to offer my gratitude to all the members, sworn and civilian, of the Marion Police Department. Our department continues to face any challenge with integrity and professionalism. I would like to thank all of them for their dedication to keeping Marion a safe place to live.

Respectfully Submitted,

Richard B. Nighelli
Chief of Police

**Report of
ANIMAL CONTROL OFFICER**

To the Honorable Select Board:

This year, Animal Control responded to 250 calls. Many of these calls have involved loose dogs, wildlife concerns, and missing pets.

One aspect of Animal Control that is often overlooked is the care and custody of animals that are in our town. Every animal that is in the custody of the Town of Marion for an extended period of time is taken either to The Humane Society and Shelter Southcoast, or to a veterinary facility. Once the unclaimed animals have been held for the appropriate time, the suitability of the animal for adoption is determined. The staff at the Southcoast Humane Society and Shelter (SHSS) work tirelessly to ensure that each animal is in the best of health and finds a home that will be a lifelong home for these pets. Most of these animals have experienced some traumatic events at the very least. They arrive at the shelter often malnourished, unhealthy, and very fearful! In the past six months Marion has had three dogs abandoned in our town. One was a Staffordshire Terrier type dog, left on Point Road. This dog was extremely fearful, which would make finding a suitable owner a challenge, to say the least. During the holding period, the staff at SHSS worked tirelessly with this dog. They gained his trust, and his beautiful personality began to emerge. Through a rigorous search they were able to find an owner with the experience to build a relationship of trust and love. This dog now has a loving forever home. The second dog was a very neglected French Bulldog also abandoned in our town. During the holiday period, a medical evaluation revealed numerous birth defects and complications due to neglect. Donations made to the PAUS Fund helped to defray the cost of the medical evaluation and a forever home was found that was able to accept the health concerns to ensure this pup lives her best life! Lastly, an aged Silky Terrier type dog was left in a crate in a vacant lot. Fortunately, a nearby person heard the dog's persistent yelping, and the dog was brought to safety. This dog was nearly blind and was suffering from severe dental issues. Amazingly, a home was found for this poor animal to live his life in a safe, loving home.

These dogs, and other animals like them, find solace and care they need to end their suffering through the dedication of the shelter's staff and generous donations made to the PAUS Fund. The PAUS Fund was developed years ago to help Marion residents and animals who need assistance with the costs of care. It can be accessed by filling out an application, located at the Marion Police Department. Please be aware that it is a process to access the funds, so it may be difficult to use this for an emergency.

The public should be made aware that there has been an uptick in cases of rabies in the surrounding area. The best defense in protecting yourself and pets from infection is to ensure your pets are up to date on their rabies vaccines. This includes animals that are "indoor only". The risk you take of your "indoor" pet encountering an animal i.e. a bat in your home or escaping outside for a brief time could have dire consequences. The Cape Cod and Southeast MA Rabies Program includes the Town of Marion in the distribution of a bait containing an oral rabies vaccine.

Another disease of concern in the area is High Path Avian Influenza (HPAI). Here are some guidelines to safeguard yourself and your pets. Do not handle sick or deceased wild birds. Keep dogs leashed and away from areas where waterfowl and or wild birds gather. Cat owners that allow

their cats outside should consider keeping them indoors at this time. Poultry owners can go online to the Massachusetts Department of Agriculture, (M.D.A.R.) to learn about the symptoms to look for in your own flock and how to safeguard them. You may also find information at the Mass Fisheries and Wildlife. And as always, contact the Police Department with any questions or concerns.

A final note of some importance is that we are limited as to what actions can be taken if the reporting party is anonymous. Please consider, if you are concerned about the safety or wellbeing of an animal or person, please keep this in mind. When responding to a complaint the reporting parties' information remains confidential. That being said, there are instances when at the very least, a written statement or testimony is essential.

Respectfully Submitted,

Susan K. Connor
Animal Control

Report Of EMERGENCY MANAGEMENT

To the Honorable Select Board:

I am pleased to offer this report on some of the activities of the Marion Emergency Management Agency for 2024.

In October, Massachusetts Emergency Management Agency (MEMA) visited the Town of Marion and facilitated a tabletop exercise with participation from Police and Fire Departments, Department of Public Works, Council on Aging, Board of Health, Sippican Elementary School, Community Emergency Response Team, and town officials including our Town Administrator. These tabletop exercises, which are voluntary, are valuable to assess our emergency response plans and help us identify possible areas for improvement. We are committed to ensuring we are prepared for any situation, and we see value in these discussion-based activities.

In 2021, we launched our Community Emergency Response Team (CERT), which we are extremely proud of, and we continued our team's training this past year. CERT is a nationwide volunteer program that educates individuals about disaster preparedness, specifically regarding hazards that may impact their area, and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization and disaster medical operations. CERT volunteers can assist others in their community following a disaster when professional responders are not immediately available to help. These volunteers are trained to assist and augment the Marion Police and Fire Departments for the following events: emergencies (severe weather); the opening of a shelter or warming site; pandemic and other public health-related emergencies; and town events like Town Meeting, town elections, parades and fireworks.

CERT is an excellent opportunity for anyone interested in serving their community. Members of the team will gain valuable skills and knowledge in the areas of emergency planning and disaster response that will allow them to help their neighbors in times of need. If anyone is interested in joining Marion CERT, please contact myself Rnighelli@marionma.gov or Chief Jackvony at bjackvony@marionma.gov or 508-748-3596.

In the event that we have to get important information out to our community, I strongly recommend that our residents sign up for the following notification systems:

E-Alerts (<https://www.marionma.gov/subscribe>)

CodeRed (<https://www.pcsdma.org/codered.html>)

Follow town Facebook pages (Police, Fire, etc.)

I would like to thank all the town departments for their assistance throughout the past year, and their continued support in keeping Marion well prepared.

Respectfully Submitted,

Richard B. Nighelli
Chief of Police
Emergency Management Director

**Report of
PARKING CLERK**

To the Honorable Select Board:

This has been the forty-first year the Town has been involved with the Plymouth County Parking Enforcement Program. The Town pays \$1.50 per ticket to this Program, which then pursues parking violators until fines are paid.

Violators should be warned that this pursuit becomes most annoying when automobile license and registration renewals are blocked until such fines are paid. Fines may be paid online at www.plymouthcountyparking.com.

This year, \$960.00 was collected in fines, \$895.00 of which was returned to the Town.

Respectfully submitted,

Randy L. Parker
Parking Clerk

**Report of
FIRE/EMERGENCY MEDICAL SERVICES**

To the Honorable Select Board:

I respectfully offer this report outlining activities of the Marion Fire / EMS department for 2024.

As happens almost every year, we have once again experienced a change in personnel. We recognize that the members of Marion Fire/EMS are our most valuable asset and many move on to have successful careers in larger fire departments in Massachusetts and beyond. Recruitment and Retention is a high priority for the department as this is crucial to maintaining a high level of professionalism that is relied upon by the community we serve. The following members have resigned from the department over the last 12-month period. Lt. Lyle McKay (4 yrs) FF Patrick Owen (4 yrs), FF/EMT-P Nathan Desrosiers (1 yr), EMT-P Kevin Dyer (7 yrs). New members to the department include: EMT-P Troy Boudro, FF/EMT Jared English, EMT-P Robert Mersheimer, FF/EMT Christopher Sharpe, FF/EMT Jordan Elicier, EMT Natalia Wierzbicki, EMT-P Benjamin Wirth, FF/EMT-P Philip Tura, FF Auston Lawson, FF/EMT-P George Knowles, EMT-A Paul Couturier. Promotions include FF/EMT Joseph Tripp promoted to the rank of Lieutenant, Firefighter/EMT Ryan Laperle promoted to the rank of Lieutenant, FF/EMT-A Steven Rodriguez hired as career firefighter and FF/EMT Robert Joyce appointed as Infection Control Officer. Every spring we spend time focusing on recruiting new paid on call firefighters. Six recruit call firefighters have been added to the roster and are awaiting enrollment in the Massachusetts Firefighting Academy Call/Volunteer program. The new recruit firefighters are Jonathan Brown, Jonathan Gurry, Tykeam Moore, Kyle Proffitt, Nicholas Sheehan and Jackson St. Don. The following members achieved certification in these areas: FF Jacob Ouellette EMT, FF Jared English EMT, FF Seth Tomasik EMT, Lt. Joseph Tripp Fire Officer 1, Lt. Ryan Laperle Fire Officer 1, Capt. Joshua Fardy Fire Officer 1, FF-EMT-P Dustan McGlenn Fire Officer 1, FF/EMT-P Andrew McAlarney Fire Instructor 1, Fire Officer 1, Fire Officer II, EMT-P Jacob Tura Primary Screener Personal Radiation Detector and Lt. Ray Reimold deployed to Maui for 43 days as Operations Section Chief for the wildland fires.

This past year we continued to see success with our Community EMS Program “Marion Cares”. In conjunction with the Town Nurse, Lori Desmarais, we conducted 314 home visits. This is a significant increase from 114 home visits in 2023. The popularity of this program continues to reinforce our beliefs that older adults feel more comfortable at home and our goal is to provide them with a safe environment. Our program is one of only sixteen in the Commonwealth of Massachusetts. Our EMS Coordinator, Lieutenant Lyle McKay has moved on to join the Ogunquit Fire Department in Maine. Lt. McKay was instrumental in implementing the Community EMS program. FF/ Paramedic Philip Tura has assumed the duties of community paramedic and EMS coordinator on an interim basis until a successor is named. Paramedic Tura is continuing to work closely with the Town Nurse to ensure that home visits continue, and all services provided by this program continue without interruption.

We continue to pursue as many grant opportunities as possible to expand our programs and minimize the costs to taxpayers. In May of 2024 we received twenty-three new self-contained breathing apparatus (SCBA) through the FEMA Assistance to Firefighter Grant Program. The total cost of the project was just under \$200,000 dollars with a co-share of \$9,410 for the taxpayers to fund. The new SCBA has an enhanced design allowing a more comfortable fit causing less fatigue for the firefighter, quick connect regulators for easy repair, and snap change bottles for quick turnaround back to firefighting. A loaner compressor was provided to allow the change to this advanced design.

Marion firefighters also received twenty-three sets of new wildland firefighting gear through the Department of Fire Services Firefighter Safety Grant Program and a Volunteer Fire Capacity Grant. In total over \$25,000 worth of gear was received with a co-share of \$3020 for the taxpayers to fund. We are still awaiting the delivery of a new brush truck funded through the FEMA Assistance to Firefighter Grant Program. In July two members of the department toured the factory in Pennsylvania where the truck is to be built. A review of specifications with the design team was completed to ensure the truck will meet the demands of the community. Unfortunately, delivery time of a chassis has delayed this project, but we are confident that we will receive the truck in the summer of 2025. The FEMA Assistance to Firefighter Grant Program will provide \$285,000 towards the purchase of this truck.

At the annual town meeting in May 2023, we put forward an article requesting the purchase of the town's first new ladder truck. The ladder truck is being built by Emergency One Fire Apparatus in Ocala Florida. In October three members of the department inspected the new aerial ladder in Ocala, Florida. In preparation for delivery, a comprehensive review of the truck was completed to ensure compliance with the specifications. The aerial ladder has made its way to the local dealer for equipment mounting and we are anticipating delivery in January of 2025.

Call Activity:

We responded to a total of 1,498 emergency calls in 2024. The busiest day of the week is Wednesday. The busiest time of day is between noon and 1 pm. We provided Mutual Aid to other communities 174 times and received Mutual Aid 23 times. The number of medical calls has increased to 1,071. One third of the patients treated and transported (290) were classified as basic life support (BLS) incidents and two thirds (505) were classified as advanced life support (ALS). Ambulance revenue generated in FY 2024 was just over \$457,000 dollars. The total estimated dollar loss due to fire is \$1.1 million dollars. Fifteen percent of our calls occurred when manpower and equipment were busy with other emergencies.

Major Incident Types:

<u>Series</u>	<u>Heading</u>	<u>Call Volume</u>
100	Fire	22
300	Rescue and Emergency Medical Service (EMS)	1071
400	Hazardous Condition (No Fire)	50
500	Service Call	51
600	Good Intent Call	81
700	False Alarm and False Call	220
800	Severe Weather and Natural Disaster	2
900	Special Incident Type	1
	Total call Volume	1498

Permits & Inspections: Total Inspections 309

Fire & Life Safety	60	Smoke & CO Detectors	90
Fire Detection Systems	10	Tents	57
Marine Fueling	2	Oil Burner / Tanks	43
Cargo/Transfer Tank	3	LP Storage	41
Flammable Liquids	1	Fireworks Permits	2

In closing, we wish to extend our sincere thanks to Administrative Assistant Emily Philbin, Marion Police, the various Town Boards, Committees and Departments, the Honorable Select Board, and Town Administrator Geoffrey Gorman for their cooperation and support. We are proud to represent Marion Fire/EMS and look to continue the excellent level of service provided to Marion residents and those that pass through our community by the dedicated men and women of this department.

Report of RECREATION DEPARTMENT

To the Honorable Select Board:

It is with great pleasure that I present the 2024 Annual Report of the Marion Recreation Department. This past year has been a resounding success, marked by a wide variety of programs and events that served our community and surrounding areas.

The Recreation Department co-sponsored three marquee events in 2024:

- **Pumpkin Palooza-** This event was wildly successful, bringing families together for a day of fall-themed fun. Activities included pumpkin carving, a DJ, pony rides, face painting, a petting zoo, and visits from the fire and police departments. Various food vendors added to the festive atmosphere, making it a highlight of the year.
- **Touch-A-Truck-** Another popular event, the Touch-A-Truck program featured over 20 service vehicles for community members to explore and interact with. This hands-on experience was a hit with children and adults alike.
- **Public Skating-** In partnership with Tabor Academy, this popular program returned in the winter of 2024. Over 10 Sunday afternoons, the community enjoyed free ice skating at the Travis Roy Ice Skating Rink.

Recreational Facilities

- **Silvershell Beach:** The beach had another successful summer season. We hired and trained 12 lifeguards and 4 gate guards to maintain a safe and welcoming environment for all visitors.
- **Point Road Pickleball Courts:** The courts continued to see significant use throughout the year, providing a valuable recreational outlet for residents whenever weather permitted.
- **Washburn Park:** This facility was heavily utilized in 2024, serving as the home for youth lacrosse, youth softball, as well as JV and freshman baseball teams.

Program Overview

The Marion Recreation Department had a successful year in 2024, offering a variety of programs to engage participants of all ages. Below are the highlights:

Winter Programs

Learn to Play Basketball: Over 65 children in preschool through grade 2 participated, learning fundamental basketball skills and teamwork. This beloved program consistently receives positive feedback.

- **Tri-Town Basketball League:** In collaboration with Mattapoisett Recreation, we facilitated this league for over 150 children in grades 3-6, offering practices and competitive games from December through March.

- **Indoor Futsal Soccer:** This program at Sippican School attracted over 50 participants in grades K-5, helping them develop foundational soccer skills under the guidance of a professional coach.

Spring Programs

- **Competitive Spring Soccer:** The Recreation Department organized four teams that competed successfully from March through June. Due to its popularity, we plan to once again expand to add teams in spring 2025.

Summer Programs

- **Silvershell Summer Program:** This program sold out every week, with an average of 65 participants per week. The eight-week program included field trips to various locations across Southern New England as well as visits to the Fire Station and Harbormaster's Office. This program continues to be the cornerstone of the Recreation Department.
- **Tennis Program:**
 - *Duration:* 6 weeks
 - *Participants:* 30 registered
 - Focused on developing foundational tennis skills, including serving, volleying, and groundstrokes, while emphasizing game strategies and sportsmanship.
- **Marion Mile (Youth Running Program):**
 - *Duration:* 6 weeks
 - *Participants:* Over 100 runners, ages 3-12
 - Promoted fitness and healthy habits through a fun and engaging running program for young children.
- **Learn to Play Lacrosse:**
 - *Duration:* 6 weeks
 - *Participants:* 20 registered
 - Introduced beginners to the fundamentals of lacrosse in a supportive and engaging environment.
- **Volleyball Program:**
 - *Summer Program:* 8 weeks, over 130 participants, ages 10-18
 - Focused on skill-building, teamwork, and game strategy.
- **Theater Camp:**
 - *Duration:* 1 week
 - *Participants:* 25 registered
 - Participants explored acting, stagecraft, and storytelling. The camp culminated in a final performance for friends and family, showcasing creativity and collaboration.

Fall Programs

- **Fall Recreation Soccer:**
 - *Duration:* 8 weeks (Saturday mornings)
 - *Participants:* 150 registered

- Emphasized skill development, teamwork, and sportsmanship in a fun and inclusive environment.
- **Fall Volleyball Skills Clinic:**
 - *Duration:* 8 weeks
 - *Participants:* 20 registered, ages 11-13
 - Focused on building technical proficiency, teamwork, and preparing players for competitive play.

Program Highlights and Achievements

- **Community Engagement:** Strong participation and engagement in all programs.
- **Employment Opportunities:** The Silvershell Summer Program employed 20 counselors, offering valuable experience to local youth.
- **New Initiatives:** The inaugural Theater Camp successfully introduced a creative outlet for participants.

The success of our programs and events would not be possible without the support of our dedicated employees, town departments, and community members. A special thank you to our lifeguards, beach staff, and all who contributed to keeping our facilities safe, clean, and welcoming.

As we look forward to 2025, we are committed to expanding our offerings and providing new opportunities for residents of all ages. Thank you for your continued support of the Marion Recreation Department.

Respectfully submitted,

Scott Tavares
 Director of Recreation

Craft time at the Silvershell Summer Program

Touch-A-Truck Day

Silvershell Summer Program Field Trip to the New England Aquarium

Report of HARBORMASTER

To the Honorable Select Board and the Residents of Marion,

I am pleased to present the annual report for the Marion Harbormaster Department, highlighting our accomplishments and ongoing initiatives to enhance the town's maritime resources, safety, and infrastructure.

New Maritime Center

One of the most significant milestones this year was the completion of the new Maritime Center. This state-of-the-art facility serves as a hub for harbor operations, providing much-needed space for harbormaster staff, visiting boaters, and educational programs. The Maritime Center enhances our ability to manage harbor activities efficiently while improving services for both commercial and recreational mariners. The project represents a major investment in our waterfront infrastructure, ensuring that Marion's maritime community continues to thrive for years to come.

Seaport Economic Council Grant for Harbor Management Plan

We are also proud to announce that the Town received an additional \$150,000 grant from the Seaport Economic Council to support the development of a comprehensive Harbor Management Plan. This initiative will allow us to assess and improve harbor usage, address environmental concerns, and plan for sustainable growth. The funding will enable us to conduct critical studies, engage stakeholders, and develop policies that balance economic development with environmental stewardship.

New 33-Foot SAFE Boat Patrol Vessel

In our continued effort to enhance public safety and emergency response capabilities, the Town has ordered a new 33-foot SAFE Boat patrol vessel. This state-of-the-art vessel will significantly improve our ability to respond to emergencies, conduct search and rescue operations, and enforce harbor regulations. With its advanced navigation and safety features, the new patrol boat will allow us to better serve Marion's boating community and ensure a safer harbor for all.

Pump-Out Service and Harbor Health

Maintaining clean water in our harbor is a top priority. This year, our pump-out service, funded by the Clean Vessel Act (CVA) grant, successfully serviced over 1,200 boats, removing an estimated 20,000 gallons of waste. This critical program plays a vital role in protecting water quality, reducing pollution, and ensuring a healthy marine environment for boaters, shellfish, and wildlife. We encourage all boaters to take advantage of this free service to help keep our harbor clean.

Harbor Safety & Operations

The Harbormaster Department remains committed to ensuring the safety and efficiency of Marion's waterways. This year, our patrols responded to numerous calls for assistance, including vessel breakdowns, navigational hazards, and emergency situations. We continue to work closely with the U.S. Coast Guard, Marion Police and Fire Departments, and regional agencies to maintain a high level of maritime safety.

Additionally, our Marine Unit officers serve as a force multiplier, assisting the patrol unit when short-handed. Their responsibilities extend beyond the harbor and include traffic stops, medical emergencies, animal control, motor vehicle accidents, and assistance in investigations. Their support enhances our overall ability to respond effectively to incidents both on the water and in the community.

Moorings & Infrastructure

Mooring management remains a priority as we strive to accommodate the growing demand for access to our waterways. The department has continued routine maintenance and inspections of moorings, channel markers, and town-owned docks. Future plans include additional infrastructure improvements to enhance accessibility and safety for all harbor users.

Environmental Stewardship

As part of our ongoing commitment to preserving Marion's coastal environment, we have continued efforts to mitigate pollution, manage eelgrass restoration projects, and support water quality initiatives. The Harbor Management Plan will play a crucial role in addressing long-term environmental challenges and ensuring the sustainability of our marine ecosystem.

Looking Ahead

The coming year will focus on implementing the Harbor Management Plan, integrating the new patrol vessel into operations, further enhancing harbor infrastructure, and continuing to improve boater services. The Harbormaster Department is committed to providing a safe, efficient, and environmentally responsible harbor for all who live, work, and recreate in Marion.

Additionally, in conjunction with the Massachusetts Environmental Police, the Harbormaster Department will be offering boating safety classes. These classes will provide essential education on safe boating practices, navigation rules, and emergency preparedness. Class dates will be posted on the town website as they become available.

A significant regulatory change this year was the passage of a new state law requiring all boat operators to obtain a boating safety certificate. Signed by the Lieutenant Governor, this law is aimed at improving boating safety by ensuring that operators have the necessary knowledge and training to navigate Massachusetts waters responsibly. We encourage all boaters to take the required courses and obtain certification as soon as possible to remain compliant with state regulations.

I extend my gratitude to the Select Board, the Marine Resources Commission, town departments, and the residents of Marion for their continued support. I also want to recognize the dedication of our Harbormaster staff, who work tirelessly to ensure the success of our operations.

Respectfully submitted,

Adam C. Murphy
Harbormaster

**Report of the
MARINE RESOURCES COMMISSION**

To the Honorable Select Board:

The Marine Resources Commission (MRC) is pleased to submit the following report on our activities during the year.

As Chair, I want to commend the tireless efforts of Harbormaster Adam Murphy. Despite the many challenges presented in 2024, the Marine Department once again conducted itself in an exemplary and professional manner while managing the Town's mooring fields and shore-side facilities, as well as supporting local boaters on the water.

The highlight of 2024 was the completion of the new Maritime Center at Island Wharf. The new facility represents a significant upgrade and greatly enhances the ability of the Marine Department to manage harbor resources. The new footprint will also provide more and better access to the waterfront for recreational use. We once again thank the residents of Marion for their support of this critical infrastructure project.

The MRC also worked with the Marine Department to achieve approval of a new Harbor Patrol Boat at the Annual Town Meeting, codify the management of Waterways funds, identify and scope infrastructure repairs and improvements, and perform the ongoing review of the Waterways Regulations. I thank the Commission members for their hard work and dedication to our harbor and its resources.

As in 2023, there were substantial staff changes within the Marine Department in 2024. Assistant Harbormaster Dave Wilson and Harbor Assistant Andrew Miller left the department to pursue careers elsewhere. Administrative Assistant Lisa MacLean also left to take a position in the Accounts Payable office. The MRC is grateful for their years of service and dedication, and we welcome the hiring of Carl MacDermott, Peter O'Brien and Nick Fabroski as Assistant Harbormasters and Aidan O'Leary as Administrative Assistant.

In closing, we extend our thanks to the Select Board, Town Administrator Geoff Gorman, Police Chief Richard Nighelli, Executive Assistant Donna Hemphill, Finance Director Heather O'Brien and the Town House staff for their guidance and assistance throughout the year.

Respectfully submitted,

Vin Malkoski, Chair
Scott Cowell
Ray Cullum
Gregory Houdelette

Michael Moore, Secretary
Cheryl Souza
Tad Wollenhaupt
Jim Stewart, Alternate

Report of CELEBRATIONS

To the Honorable Select Board:

On Saturday, May 25, 2024, a group of volunteers including the Boy Scouts, Girl Scouts, members of Marion Fire Department and Department of Public Works planted geraniums at our veteran's graves at all of Marion cemeteries. The Department of Public Works also placed American flags at each of the 750 veteran's graves.

The Department of Public Works prepared the Old Landing Veterans Park ahead of the Memorial Day Remembrances & Procession as well as placed wreaths at the Marion Music Hall and on the overpasses in Town. The Memorial Day Remembrances were held on Monday, May 27, 2024. Technical Sergeant Mandy Givens of the Massachusetts Air National Guard was our Master of Ceremonies for the event. Rev. Eric Osterday of the First Congregational Church gave the invocation and benediction. The ceremony began at the Marion Music Hall and our participants proceeded to the Old Landing Veterans Memorial on Front Street for the remainder of the remembrances. Our Featured Speaker was Lieutenant Charles A (Charlie) Brown, U.S. Army (Retired). Mrs. Hannah Moore's Sippican School Band performed a few selections as did the Portuguese American Band. Emerson Roy sang God Bless America, Garrett Salit read In Flanders Fields and Amanda Tomasso read The Gettysburg Address. Sue Maxwell-Lewis played Amazing Grace on the bagpipes.

The Marion Fireworks were scheduled for July 6, 2024 at Silvershell Beach. Unfortunately, the weather was not ideal for a fireworks display. The display was postponed to July 7, 2024 due to high winds. Sadly, the weather on the rescheduled date did not cooperate as fog rolling in forced the show to go on earlier than anticipated. We thank Wendy Rocha, Joe Rocha, Cameron Van der Veer, Derek Tiago, Sarah Tiago of the Fireworks Committee for their hard work fundraising and organizing such a large event.

The Annual Independence Day Parade was held on Thursday, July 4, 2024. The weather was perfect, and everyone had a fantastic time. Many local businesses and organizations entered floats or marched. Local Fire and Police Departments participated. We had a large group of Jeeps join us for the first time and hope they return next year! Thank you to all of our volunteers including our judges. It was another successful Independence Day Parade.

The Veterans Day Ceremony was held on Monday, November 11, 2024 at Old Landing Veterans Park. Our Master of Ceremonies was Town Administrator Geoffrey Gorman. Reverend Eric W. Osterday of the First Congregational Church of Marion gave the invocation and benediction. James Devoll read aloud the Governor's Proclamation. The Boy & Girl Scouts of Marion led us in the Pledge of Allegiance. Select Board Chair Norman A. Hills gave a few remarks, and our Guest Speaker was Captain William J. Hollman, U.S. Navy (Retired). The Sippican School Band led by Mrs. Hannah Moore performed selections of patriotic music. Many of our local veterans were in attendance. We thank them for their service and sacrifice.

I would like to thank Town Administrator Geoffrey Gorman, the Select Board: Norman Hills – Chair, Carleton Burr, Jr., and Randy Parker for their support. Also, thank you to Technical Sergeant Mandy Givens, Hannah Moore and her students, Lieutenant Charles A (Charlie) Brown, Captain William J. Hollman, VFW Post 2425 Color Guard, Major Andrew Bonney, Sean Givens, Reverend Eric W. Osterday, Emerson Roy, Garrett Salit, Amanda Tomasso, James Devoll, Sue Maxwell-Lewis, Patricia McKim, Cindy Callow, Jeff Hemphill, Marleigh Hemphill, Mia Hemphill, R.W. Catering as well as Jody Dickerson and his staff at the Department of Public Works for their tireless efforts. We would also like to thank ORCTV for their continued support of events in Marion. Thank you to all the volunteers that made these events happen.

Respectfully submitted on behalf of the Committees,

Donna M. Hemphill

Left to Right: Ronald Barros, Casey Barros, Alan Hunter, Bob Jones and Andrew Bonney

July 4, 2024

Report of MARION ENERGY MANAGEMENT COMMITTEE

Abbreviations

- CVEC - Cape and Vineyard Electric Cooperative
- EMC - Marion Energy Management Committee
- PV - Photovoltaic

Future Generation Wind

Payments to the Town from its agreement with Future Generation Wind continued to rise and are estimated to be between \$150k-\$200k for Fiscal Year 2025. Since the initial payment in 2017, and the end of Fiscal Year 2024, total income approached \$1 million. These payments currently feed to the Town's Free Cash. The EMC will explore options to use these funds for photovoltaic, energy efficiency and resilience projects for the Town.

Solar Opportunities

In February 2024, the proposed lease agreement with the developer DSD Renewables to install PV on the Benson Brook landfill was annulled after the Eversource interconnection costs were much higher than anticipated. As a member of CVEC, Marion will participate in the strategic planning to identify new options for the location.

The EMC recommends that new buildings be wired during construction for possible rooftop PV systems.

PV projects under 15kW (1-phase) or 25kW (3-phase) can obtain approval for connection to the grid relatively quickly, whereas larger projects take a substantially longer time to obtain approval. The EMC identified future candidates for smaller PV installations: the new Department of Public Works facility, the Police Station roof, the Benjamin D. Cushing Community Center (portion of roof). A solar parking canopy at the Benjamin D. Cushing Community Center during the parking lot rehabilitation is also a possible location.

Green Communities

At the April 2, 2024 Select Board Meeting, the EMC shared that the Town had reduced its electricity consumption by more than 20% thanks to joining the Green Communities program. It also clarified the new Stretch Code requirements and discussed ways to educate people about the changes.

During Fiscal Year 2025, the Town received Green Communities grants that totaled \$220,000 for:

- A heat pump system upgrade at the Front Street sewage pump station,
- Sippican School transformer upgrade,
- Variable frequency drives and upgrades to building management systems at the Wastewater Treatment Plant.

There are opportunities for the Town to explore that could open up new funding opportunities. Policies that would increase access to funds include:

- Adopting the Specialized Building Code (as 48 Massachusetts communities already have),

- Establishing a vehicle procurement policy that considers electric alternatives first and continues to improve fuel efficiency.

The Climate Leader Communities Program helps municipalities reduce emissions by electrifying non-electric energy uses and maximizing buildings and transportation efficiency. The Department of Energy Resources offers assistance to develop Marion's roadmap for this evolution.

Electric Vehicle Charging Stations

Potential funding sources for Level 2 and Level 3 EV chargers were investigated but require Town investments or creating partner relationships. Chargers could provide a useful service to residents and visitors while generating revenue for the Town.

Guest Speakers included:

- Maria Marasco of CVEC: Benson Brook capped landfill update
- Zachary Holt: Power Options

Respectfully Submitted,

Alanna Nelson, Chair

Report of CONSERVATION COMMISSION

To the Honorable Select Board:

The Marion Conservation Commission completed another active year, helping to protect Marion's significant coastal and freshwater wetland resources and open spaces. During 2024, the Commission issued:

- 22 Orders of Conditions,
- 5 Restoration Order of Conditions,
- 2 Amended Orders of Conditions,
- 3 Extensions to Existing Orders of Conditions,
- 17 Certificates of Compliance, and
- 30 Determinations of Applicability.

The Conservation Commission held 24 meetings during 2024 at which applications were reviewed, public hearings held, deliberations made and decisions written and ratified. In preparation for our meetings, the Commission performed more than 120 site inspections.

Although the primary role of the Marion Conservation Commission is the administration of the Massachusetts Wetlands Protection Act and associated regulations, the Commission is also responsible for the care of nine town-owned properties and is the grantee of six Conservation Restrictions.

During 2024, Associate Member Millie Seeberg was appointed to Commission Member replacing outgoing Ethan Gerber who served the Commission admirably over his term. Again, this year, members of the Commission attended training sessions held by the Massachusetts Association of Conservation Commissions (MACC) to expand their knowledge of State requirements, emerging environmental issues, and administrative processes.

During the year, the Commission was ably assisted by Terri Santos and Natashja Molina serving as Administrative Assistants to the Commission and Doug Guey-Lee, Conservation Agent. The Commission thanks Terri, Natashja, and Doug for their excellent work.

Respectfully submitted,

Matt Shultz, Chair
Emil Assing, Vice Chair
Millie Seeberg, Clerk
Shaun Walsh, Commissioner
Jeff Doubrava, Commissioner
Alex Hansell, Associate Commissioner

Report of
OPEN SPACE ACQUISITION COMMISSION

To the Honorable Select Board:

The primary task of the Open Space Acquisition Commission (MOSAC) is to acquire open space. These purchases must fit some stated need and respect the financial contribution that has been made by the taxpayers. We will not buy just anything, and we will not waste your money by overpaying. We try to form a financial partnership on larger purchases to get more value for your dollars. This could mean direct grants to the town, participation with other conservation groups, or a bargain sale. Since the creation of the Open Space Acquisition Commission in 1999, we have partnered with the Commonwealth of Massachusetts, United States Department of Agriculture, Sippican Lands Trust and The Trustees (formerly the Trustees of Reservations). Since we first started working with other groups, we have received more than \$1,000,000 in grants to help reduce the cost of open space purchases to the town.

When we talk about permanently protected open space, we mean land owned by private, public and nonprofit owners that has been dedicated to uses such as conservation or recreational use by deed. Also included is land owned by a non-profit land trust; or if the town received federal or state assistance for the purchase or improvement of the property. Today, of the 9,007 acres of land in Marion, 3,546 are permanently protected open space.

Marion ownership of permanently protected open space is quite diverse. Those groups managing/owning open space include Select Board, Charles Washburn Memorial Trust, Commonwealth of Massachusetts (Division of Fish and Game), Conservation Commission, Marine Resources Commission, Northeast Wilderness Trust, Open Space Acquisition Commission, Recreation, Sippican Lands Trust, The Trustees (formerly The Trustees of Reservations), Water & Sewer Commission and Wildlands Trust.

The Open Space Acquisition Commission holds the title to 631 acres. The largest parcel is the 282 acre Hales Brook/Sippican River Reservation, which is managed by The Trustees at no cost to the Town. The next largest, and perhaps busiest, parcel is the Washburn Park Conservation Land (97 acres), which is used heavily by the dog walking community.

The Sippican Lands Trust added a small parcel to the Osprey Marsh Preserve on Point Road.

The Open Space Acquisition Commission administers the Marion Land Bank Fund on behalf of the town. This fund is dedicated by state statute to costs associated with the acquisition of land. Any expenditure out of this fund to purchase land must be approved by Town Meeting. Currently the Fund holds \$ 252,901.86.

Work is ongoing on the Jenna to Joanne section of the Point Road Bike Path. The Marion Open Space Acquisition Commission was awarded a Community Preservation Act grant to construct a multi-use pathway along Point Road from Creek Road to Jenna Drive. The proposed $\frac{3}{4}$ mile off-road pathway will provide safe year-round transportation and recreational opportunities for a

variety of users and purposes as well as providing increased access to various under-utilized conservation areas.

The bike path layout (“the layout”), which had all unsuitable materials (roots, topsoil soil stones) removed in 2023, had the large stones and bedrock removed in a contract with Arne Excavating in January. The layout was filled to existing grade by Speakman Excavating with material donated by A.D. Makepeace. During a series of meetings with neighbors to the project, MOSAC became aware of an existing drainage issue regarding stormwater coming off of Point Road. This part of the bike path project was unanticipated during the drawing up of the budget in 2018. It was only through the volunteer efforts of a great team that this was able to get addressed with minimal impact on the overall project budget.

Community members volunteered their time to make stormwater control project a success and to help out the folks downhill of the Point Road runoff. Thanks to Sherman Briggs Jr. and Greg Schroth for their installation efforts, Sherman Briggs again for topsoil, Frank Linhares, Jr. for trucking 50 cubic yards of 1 ½ inch stone from Middleborough to Marion, Professional Engineer Carmelo Nicolosi at Charon Associates for a site visit and advice, Adam Tracy at ADS for technical advice and shop drawings, the folks at Byrne Sand and Gravel and Stearn’s Irrigation for extending credit to the Town of Marion.

If you have any questions about anything related to open space please feel free to email us at openspace@marionma.gov, or email/call one of the individual members.

The Commission would like to thank Deb Ewing for her years of service to the Town by serving on the Open Space Acquisition Commission.

Respectfully submitted,

John Rockwell, Chairman
Brandon Beauregard
Kitty DeGroot
Tom Freidman
Marc Sylvia

2024 Annual Report

The Mattapoisett River Valley Water District (District) was formed in 2004 to construct and operate the six million gallon per day (mgd) Mattapoisett River Valley Water Treatment Facility (MRVWTF). The District is comprised of the Towns of Fairhaven, Marion, Mattapoisett, and Rochester. The treatment facility, located in Mattapoisett, began operations in 2008.

The MRVWTF treats raw water from eight municipal water supply wells owned and operated by the District Towns. The sources include three Mattapoisett wells, one Marion well, and four Fairhaven wells, which are located in Mattapoisett and Rochester. Treatment at the facility includes oxidation with ozone followed by membrane ultrafiltration with Koch membrane filters for the removal of iron and manganese. The finished water is treated to adjust the pH for corrosion control.

The year 2024 represented the seventeenth year of operation of the MRVWTF. The plant processed 605 million gallons of water (finished water) during the 2024 calendar year. The FY25 operating budget for the plant is \$2,590,187, which represents an increase of approximately 1.3% over FY24. Major expenses include power, labor, and chemicals to maintain and operate the MRVWTF, equipment maintenance, and equipment replacement identified in the Capital Improvement Plan. The District continues to benefit from the solar power Net Metering agreement with Greenbacker Renewable Energy Corporation. The District is able to offset electrical costs through this program. The District does not pay any capital or operating costs for the power generation at the facilities, which are located on commercial buildings in Walpole, MA. In June 2024, the District solicited and received bids for FY25 supply of chemicals and propane at the MRVWTF.

In January 2024, the District provided both oral and written testimony to the Massachusetts Department of Environmental Protection (MassDEP) requesting that the construction phase of the MRVWTF Upgrades project be included as a funded project on the Final Drinking Water State Revolving Fund (DWSRF) Intended Use Plan (IUP). This testimony was required because the DWSRF Project Evaluation Form (PEF) for the project did not receive a sufficient amount of points to fund the project on the Draft 2024 IUP. Following review of the District's oral and written testimony, the PEF score for the project was revised thereby positioning the project above the funding line on the Final 2024 IUP.

The MRVWTF operated well in 2024, however, various equipment required maintenance or replacement during the calendar year. Periodic maintenance to the air compressors at the water treatment plant was completed at various times during the year. Operators replaced several actuator valves on the ultrafiltration stages throughout the year. The rooftop heating unit was replaced. The automatic transfer switch for the emergency generator was replaced following damage sustained from the tornado that struck the area in August 2023. Issues with the battery backup up associated with the ozone control panels and failure of ozone generator II were addressed and repaired. Miscellaneous repairs to low lift pumps were completed. Large meter testing was conducted at the water treatment plant and at the water supply wells. The Town of Mattapoisett received tornado relief funding from the Commonwealth of Massachusetts. A portion of this funding was used to address issues with tree debris at the MRVWTF resulting from the tornado.

In September 2024, Ms. Judith Mooney was hired as the Accountant for the District.

The design and bidding phase for the water treatment plant upgrades construction contract was completed in the Summer of 2024 followed by receipt of filed sub-bids in September and a general bid opening on October 3, 2024. The construction contract was awarded to Hart Engineering Corporation. Construction begins in January 2025 and is expected to be complete in May 2025.

On November 20, 2024, a virtual meeting was held with regional water officials to discuss current water operations, proposed water operations, and coordination of water operations between municipalities.

Quarterly meetings, including representatives from Fairhaven, Marion, and Mattapoisett, continued in 2024 to discuss raw water pumping totals from the various water supply sources and additional costs incurred by Fairhaven and Marion due to accepting more finished water from the MRVWTF than raw water pumped from its water supply sources that feed the MRVWTF. Discussions during these meetings also included possible ways to offset the additional costs incurred by Fairhaven and Marion.

2024 MRVWSPAC Annual Report

History and Purpose of MRVWSPAC

The Mattapoissett River Valley Water Supply Protection Advisory Committee (MRVWSPAC) was established in 1980 by the Towns of Fairhaven, Mattapoissett, Marion, and Rochester. The organization grew out of a concern for the aquifer underlying the Mattapoissett River watershed, from which all four towns draw water supplies. Special legislation was enacted in 1983 (Chapter 407) formalizing the Committee.

The MRVWSPAC is made up of three (3) representatives from each Town for a total of 12 members. The MRVWSPAC holds public meetings on the second Tuesday of every month at 3:30 p.m. at the Fairhaven Board of Public Works Office in Fairhaven. Due to the COVID-19 pandemic, the MRVWSPAC has been meeting remotely using Zoom since April 2020 with the exception of the November 2022 meeting, which was held at Fairhaven Board of Public Works Office.

In September 2024, Ms. Judith Mooney was hired as the Accountant for the MRVWSPAC.

Mattapoissett River Valley Aquifer

The Mattapoissett River and its aquifer provide fresh water for water supply, recreation, and agriculture to several communities in Bristol and Plymouth Counties in Massachusetts. In 2024, the aquifer supplied approximately 1.65 million gallons per day for Mattapoissett River Valley Water District residential and commercial water supply customers in the Towns of Mattapoissett, Fairhaven, Marion, and Rochester.

Summary of 2024 MRVWSPAC Accomplishments

- Monitored stream flow and water levels at numerous locations in the vicinity of the Mattapoissett River. Maintained a database of critical water level data.
- Funded Annual Mattapoissett River Hydrologic Monitoring Report.
- Purchased the following new monitoring well electronic equipment to replace malfunctioning devices, which reached the end of their useful life.
 - Three (3) water level transducers (Leveloggers).
 - One (1) Datagrabber, which connects to the Leveloggers and is used to transfer data from the Leveloggers to a USB flash drive.

Managing Water Resources for Our Future

Serving Fairhaven, Marion, Mattapoissett & Rochester | P.O. Box 1055 | Mattapoissett, MA 02739 | mrwspac.org

- Environmental review of projects in the Mattapoissett River Valley:
 - Reviewed plans for the following projects within the watershed and sent comment letters to the Rochester Planning Board:
 1. ANR Application – Map 25, Lot 42 Hartley Road, Rochester.
 2. ANR Application – 52 Wolf Island Road, Rochester.
 3. ANR Application – Bishop Road, Rochester.
 4. Eversource Substation – 0 Rounseville Road, Rochester.
 5. ANR Application – 84 New Bedford Road, Rochester.
- In June 2024, the MRVWSPAC received a letter from the Southeastern Regional Planning & Economic Development District (SRPEDD) regarding a groundwater modeling study of the Mattapoissett River Watershed currently underway. In November 2024, the Town of Rochester issued a subsequent letter to the MRVWSPAC noting that the Town is working in collaboration with SRPEDD and Horsley Witten Group to utilize funding received through the Massachusetts Division of Ecological Restoration to study groundwater and surface water flow dynamics in the Mattapoissett River and Assawompset Ponds Complex Watersheds. Work includes development of a groundwater model conceptual framework for the Mattapoissett River Watershed. The Town of Rochester reached out to the MRVWSPAC to form a Task Force in order to guide the study. In addition, the Town of Rochester is monitoring hydrologic flow within and between the Snipatuit Pond and Assawompset Ponds Complex to collect data and assist in the development of the groundwater model. The flow monitoring work is being funded through a grant provided by the Massachusetts Executive Office of Energy and Environmental Affairs. The study group reached out to the MRVWSPAC for informational purposes and to offer the opportunity to work with the MRVWSPAC on these initiatives.

The MRVWSPAC wishes to recognize the members of its consulting team for their excellent work and contributions in 2024:

Tata & Howard	<i>Engineering Consultant</i>
Blair Bailey, Esq.	<i>MRVWSPAC Counsel</i>
David Watling	<i>Mattapoissett River Valley field monitoring and data collection</i>
Meagan McCarthy	<i>Data reduction and graphing</i>
Nettles Design	<i>MRVWSPAC website management</i>

**Report of the
COMMUNITY PRESERVATION COMMITTEE**

To the Honorable Select Board:

At the May 2024 Town Meeting the Community Preservation Committee (CPC) recommended eight Articles for Community Preservation Act funding:

1. \$11,750 to survey and mark the bounds of the Town-owned Boatyard Park.
2. \$77,000 to design, permit and bid improvements to the Silvershell Beach parking lot.
3. \$120,000 to purchase temporary and permanent easements related to the Shared Use Path.
4. \$28,925 to design, permit and bid the restoration of the Bird Island Lighthouse.
5. \$75,000 to fund additional engineering expenses related to the Shared Use Path.
6. \$5,470 to install new irrigation systems at the Bicentennial Park and at the Children's Garden at the Sippican School.
7. \$16,744 to purchase and install a digital cemetery management system.
8. \$30,000 to design, purchase and install 10 markers on historic buildings and sites.

As required by the amended Town of Marion bylaw, each article included a funding timeline, after which time, any unspent monies are to be returned to the Community Preservation Fund category from which said funding originated. All ten articles were approved by vote of the town meeting.

Also approved was an Article to provide \$12,000 of FY25 funding to the Community Preservation Committee for administrative purposes.

The timeframe for funding for one previously approved project was also extended (Marion Shared Use Path Easement Appraisals).

Respectfully submitted,

Jeff Doubrava - Conservation Commission
Ellen Bruzelius - Parks and Tree Committee
Randy L. Parker – Select Board
Bryan McSweeney – Historical Commission
Andrew Daniel – Planning Board
Deb Ewing – Open Space Acquisition Commission
Toby Ast – Affordable Housing Trust

MARION CAPITAL IMPROVEMENTS PLANNING COMMITTEE REPORT TO SELECT BOARD AND FINANCE COMMITTEE

The Capital Improvements Planning Committee (CIPC) assists Town Departments in developing capital project requests as part of the annual budget process that is approved by residents at the Spring Town Meeting. Projects or assets that cost at least \$10,000 and have a useful life of at least 5 years are defined as capital projects. The CIPC often visits various locations to better understand the anticipated capital projects. In the Summer of 2024, the committee conducted site visits at the Community Center, the Town House, and the Water Pollution Control Facility. In 2024, the Select Board appointed one new CIPC member, Robin Shields, to fill a position previously held by Mandy Givens.

Each year Department Heads submit Capital Project requests to the CIPC that include the department’s priority, budget impact, regulatory requirements, public safety justification, equipment information, useful life span, environmental/habitat benefits, and other potential benefits to the Town. Committee members score each project based on the submission and an average score is calculated to rank each project. The CIPC rankings provide an impartial perspective to aid the Finance Committee, Finance Director, Town Administrator and Select Board in the Capital Budget Process. Ten (10)-Year Plans are also developed based on information submitted by the Department Heads, compiled by the Town Administrator, and reviewed by the Committee. This information provides a forecast of future Capital needs over the coming 10 years.

For FY 26, forty-one (41) capital projects totaling \$11.083 million were submitted by the Department Heads. Twelve (12) of the projects were submitted by the Department of Public Works (DPW) Sewer and Water Divisions totaling \$6.669 million. Twenty-nine (29) projects were submitted by all the other Department Heads and the DPW Highway Division totaling \$4.414 million. While the CIPC considers a project’s need for debt funding in its rating rubric, final debt decisions are the responsibility of the Select Board, Finance Committee, Town Administrator and Finance Director.

Capital projects for Sippican School are included in these rankings. Old Rochester Regional School District projects were not reviewed or ranked by the CIPC and are not included.

#	Dept	Project	Cost (K)	#	Dept	Project	Cost (K)	
1	DPW-Sewer	Regulatory Compliance Requirements	\$250	1	Facilities	Town House Rens (ADA & Fire Comp) †	\$2,540	
2	DPW-Sewer	Creek Rd Pump Station Replacement *	\$3,213	2	Fire/EMS	Lucas Automatic CPR Replacements	\$45	
3	DPW-Water	ERP/RRA Certification	\$40	3	DPW-Highway	290 Delano: Drainage Improvement Design	\$61	
4	DPW-Water	Wareham St Water Main Replacement **	\$1,900	4	Sippican	McQuay Chiller Refurbishment	\$370	
5	DPW-Sewer	Force Main Evaluations	\$25	5	Marine	Old Landing Float Replacement	\$50	
6	DPW-Sewer	WPCF Sidestream Wetwell Pump Station Eval	\$25	6	Fire/EMS	Compressor / Fill Station for SCBA	\$89	
7	DPW-Sewer	Inflow & Infiltration Mitigation	\$200	7	Sippican	HVAC Roof-Top Unit Refurbishment	\$53	
8	DPW-Water	Island Wharf Water Main Installation	\$166	8	Marine	Rough Terrain Forklift	\$134	
9	DPW-Sewer	F350 Truck with Crane	\$110	9	DPW-Highway	Drainage Study Hermitage & Sarah Sherman	\$14	
10	DPW-Sewer	Sewer Access Improvements	\$100	10	Fire/EMS	Ambulance Replacement	\$415	
11	DPW-Sewer	Accelerated I&I Mitigation ***	\$590	11	Facilities	DPW Town Barn Site Improvements	\$60	
12	DPW-Sewer	Biofilter Media Replacement	\$50	12	Town Admin	Fire Department Server Replacement	\$22	
			Total Cost	\$6,669	13	Recreation	Silvershell Security Cameras	\$15
				14	Town Clerk	Records Preservation/Digitization	\$10	
				15	Town Admin	IT Phased Replacement	\$10	
				16	Police	Cruiser Replacement	\$87	
				17	DPW-Highway	Traffic Calming Measures	\$15	
				18	Facilities	West Water Station Building Repairs	\$16	
				19	Sippican	Window Phased Replacement	\$38	
				20	Police	Basement Renovation	\$70	
				21	DPW-Highway	Property Maintenance Equip. (chip, vac, blo)	\$100	
				22	Sippican	WiFi Upgrade	\$22	
				23	Sippican	VCT Flooring Phased Replacement	\$26	
				24	Council on Aging	Vehicle Replacement	\$60	
				25	Town Clerk	Voting Tabulators/Pads	\$15	
				26	DPW-Highway	Operations Software	\$16	
				27	Police	UPS Battery Replacement	\$15	
				28	Town Admin	Furniture Phased Replacement	\$10	
				29	Sippican	Furnishings Phased Replacement	\$38	
						Total Cost	\$4,414	
						Total Cost for all Departments	\$11.083	

* A grant of \$2,700K has already been awarded, and State funding may cover the remaining \$513K.

** The CIPC is unsure of whether this entire \$1,900K can come from the water enterprise fund, or if some debt will be required.

*** This \$590K project will only be undertaken if funded by private developers.

† A grant of \$206K has been awarded for this project.

Funding sources for the 41 capital projects is estimated as follows (\$K):

General Fund	Water Enterprise	Sewer Enterprise	Marine Enterprise	Grant / Gift	Total
\$4,025	\$2,106	\$1,273	\$184	\$3,496	\$11,083

The preceding tables present the CIPC’s ranking of the 41 capital projects separated into two groups. The first table includes the 12 DPW Water and Sewer capital projects. The second table includes the remaining 29 capital projects. Many DPW Water and Sewer projects are regulatory, support public health and safety, and are funded by way of fees/enterprise funds. These attributes tend to result in higher scores. Presenting these projects in a separate grouping helps ensure they do not overshadow the importance of the remaining capital projects that often tend to score lower in our ranking rubric. The third table is a summary of the proposed funding sources for all 41 FY26 Capital Projects.

The Town’s Ten-Year Capital Plan is a large spreadsheet that does not lend itself to be included in this summary report. It also is a dynamic plan with frequent changes and updates. The most up-to-date Ten-Year Plan for the town can be viewed and/or obtained at the Town Administrator’s Office.

Sincerely,
 Dave Janik (Chair)
 Steve Nojeim (Clerk)
 Casey Barros
 Deb Watson
 Robin Shields

**Report Of
TREE and PARKS COMMITTEE**

To the Honorable Select Board:

The Marion Tree and Parks Committee continues to care, maintain and plant trees along the roads in Marion. We also oversee park maintenance in various gardens such as the Childrens' Garden, Bicentennial Park and Town Wharf area.

This year we planted a dozen trees along Converse Road where Eversource had removed so many the year before. They did agree to replace six when asked. Jody Dickerson and his crew at the Department of Public Works with supervision from Susannah Davis were instrumental in helping with planting and continued to water the trees on a weekly basis.

We are working with the Town to maintain our parks and sidewalk trees. Steve Gonsalves has been appointed as the new Tree Warden, and we work very closely with him on tree care and removal.

This next spring we will be planting some new trees and are in the process of identifying those areas. If anyone is interested in a new tree on their street, please contact us.

Respectfully submitted,

Margie Baldwin
Margot Stone
Jim Stewart
Ellen Bruzelius
Sylvia Strand
Sue Maxwell Lewis
Susannah Davis

**Report of
PATHWAYS COMMITTEE**

To the Honorable Select Board:

After 30 years of planning, land acquisition, surveying, and engineering, the Marion bike path is coming closer to becoming a reality. The path will follow the old New York, New Haven, and Hartford Railroad (NYNH&H) line from Mattapoissett to the Brew Fish Bar and Grill. After crossing Front Street, the path will follow the route once travelled by the New Bedford & Onset Street Railway Company electric trolley as far as Washburn Park. The path will meander through the Park, and reconnect with the old NYNH&H railroad route north to Point Road. A map of the route is available at marionma.gov.

The state Department of Transportation (MassDOT) sent back comments to the design team on January 9, 2024 regarding the 100% design submittal. There were questions about the Route 105/Spring Street/Bike Path intersection, some easement limits, and drainage. A "Conflict Resolution" meeting was held with DOT to go over the items prior to a resubmittal.

An Environmental Justice community meeting took place as part of the Massachusetts Environmental Policy Act (MEPA) process on January 31, 2024, at the Music Hall. An Environmental Notification Form (ENF) was filed for the project on May 10, 2024. The Secretary of Energy and Environmental Affairs issued a Certificate requiring a Single Environmental Impact Report (SEIR).

Work is ongoing to complete the revised 100% design plans, SEIR and Notice of Intent, based on MassDOT's comments and requirements of the Secretary's Certificate.

The revised plans are expected to be completed by March 28, 2025, and construction starting March 15, 2026.

While construction of the path will be financed by MassDOT, the Town is responsible for securing the right-of-way need for the path itself and for any temporary easements necessary for construction of the bike path. The Pathways Committee has been unable to act on the Community Preservation Act grant to conduct appraisals of the needed easements due to the delay in getting right of way plans approved by MassDOT.

The Committee would like to thank Derek Krein for his years of service to the Town as a member of the Committee.

If you have any questions about anything related to the bike path, please feel free to email/call one of the individual members.

Respectfully submitted,

John Rockwell, Chair
Lorraine Heffernan
Derek Krein
Steven Lohrenz
Paula Meere
John Menzel

**Report of
MUSIC HALL ADVISORY COMMITTEE**

To the Honorable Select Board:

We are pleased to provide an update regarding the Music Hall. Many thanks to Ami Milano, our Coordinator. Ami continues to be quite busy keeping the Music Hall schedule, managing all of the events and supporting our policies for the good of the building.

A total of 64 rentals and meetings were held in 2024, including social events such as birthday parties, life celebrations, and a retirement party. Town events included a four-day book sale from the Elizabeth Taber Library, the designated starting point for the annual Halloween parade, and the Marion Garden Group Holiday Sale followed by the Marion Village Christmas Stroll. The Music Hall held rehearsals for the Town Concert Band during their summer season, and a 60's Music event in August. The Sippican Historical Society held several public presentations at the Music Hall throughout the course of the year. Numerous town committees and meetings were held here as well, including Massachusetts Department of Transportation meetings, Marion Police training, warrant reviews, a town benefits fair, Tree & Parks Committee, Marion Republican Committee, and Department of Public Works bids.

At the request of the Coordinator, the Select Board simplified the rental fee schedule and streamlined the process for rental of the Music Hall at a meeting on June 18, 2024. The updated documents now reside on the Town of Marion website.

Jody Dickerson of the Department of Public Works continues to lead the charge in ensuring that the Music Hall is always looking its best. With the additional assistance of Lauren Boucher, Lucia Jaccaci, and a crew of Tabor helpers, many tasks around the grounds have been delegated efficiently. The efforts of all involved in maintaining the beauty of the Music Hall property are appreciated.

Shaun Cormier, Facilities Director, and his team are actively undertaking necessary enhancements to the Music Hall property and building. One major project on the horizon is to repair the elevator, which is currently not functioning at the stage level.

There remain many people to recognize for their time and service on behalf of the Music Hall. We would like to specifically thank the Music Hall Advisory Committee, the Sippican Historical Society, Ami Milano, Shaun Cormier and his crew and finally our Select Board representative, Randy Parker.

Respectfully Submitted,

Margot Stone, Co-Chair
Phil Sanborn, Co-Chair
Jessica Barrett, Secretary

Helene Sughrue

**Report Of
CEMETERY COMMISSION**

To the Honorable Select Board:

The Cemetery Commission is charged with the care and maintenance of Marion cemeteries: Old Landing, Evergreen, North Marion and Littleneck. We review their upkeep as well as procedures and policies.

This past year we recommended some additional rules to keep the cemeteries clean and respectful. After two open meetings, those were rejected by the Select Board with a vote of 2-1. We did vote to raise the fees for the purchase of plots, internment and perpetual care. However, we are still on par or below our neighboring towns.

We would like to thank the Department of Public Works (DPW) and Jody Dickerson for all their careful work in our cemeteries. Without them we would not be able to maintain our cemeteries. We will continue to upgrade their care every year with various projects. With additional thanks to Diane Carvalho at the DPW office.

Respectfully submitted,

Margie Baldwin, Chair

2024 YEAR-END REPORT TO THE TOWN OF MARION FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)

The Town of Marion is a member of the Southeastern Regional Planning and Economic Development District. Originally founded in 1956, SRPEDD (pronounced “sir-ped”) is one of 13 regional planning agencies (RPAs) across the state and one of approximately 550 across the country.

SRPEDD serves 4 cities and 23 towns in southeastern Massachusetts. Through our work, we address common issues facing the region, including economic development, growth and land use, safe and efficient transportation, environmental stewardship, municipal partnerships, community development and affordable housing, infrastructure needs, and general planning. A Commission of local mayors, selectmen, planning board members, and at-large members govern SRPEDD. Federal and state grants, local assessments, and local contracts fund our activities. In 2024, the Town of Marion paid \$1,105.76 to SRPEDD, based upon an assessment of 20.68 cents per capita. SRPEDD’s annual budget in 2024 was \$6,826,432.

SRPEDD also serves as the region’s staff for the Southeastern Massachusetts Metropolitan Planning Organization ([SMMPO](#)) and the regional Economic Development District ([EDD](#)) with the U.S. Economic Development Administration (EDA). SRPEDD staff also works with the Southeast Region Homeland Security Advisory Council ([SRAC](#)). In these roles, SRPEDD works with numerous partners to program tens of millions of dollars to directly invest in our region’s infrastructure, safety and emergency preparedness, and community development.

Please visit SRPEDD’s agency website at www.srpedd.org to review our work, read our [2024 Annual Report](#), and tour recent projects, including: our [Comprehensive Economic Development Strategy \(CEDS\)](#); our work to support communities as they comply with the [new Section 3A of Chapter 40A](#); our ongoing [Regional Resilience Plan](#); our [Climate Pollution Reduction Grant \(CPRG\)](#) and diverse [Environmental Planning work program](#); our [Regional Transportation Plan](#); our [Complete Streets](#) and [Multi-Use Path](#) transportation projects; our [Safe Streets For All \(SS4A\) Action Plan](#); our work with [SRAC](#); our work with school districts and public safety officials to create [Active Shooter/Hostile Event \(ASHE\) Response Tools](#); our collaboration with communities to update [Priority Development Area \(PDA\)](#) and [Priority Protection Area \(PPA\) designations](#); and various municipal projects, such as [Redevelopment Studies](#), [Business and Marketing Guides](#), [Community Master Plans](#), and [Open Space and Recreation Plans](#). Our website also includes departmental web pages, staff profiles, a calendar of events, and recent news.

Please do not hesitate to [contact us](#) with any questions, concerns, or project ideas.

Local citizens/officials representing Marion in SRPEDD activities:

Norman Hills and Tucker Burr on the SRPEDD Commission.

Norman Hills on the Joint Transportation Planning Group (JTPG).

2024 REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project (PCMCP) are pleased to submit the following report of our activities during 2024.

The Project is a special district created by the State Legislature in 1957, and is composed of the 27 municipalities in Plymouth County and the Town of Cohasset. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

In the spring, larviciding efforts begin as water temperatures rise and mosquito larvae begin to feed. The Project ground and aerial larvicided 20,114 acres and this was accomplished using an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 3rd, 2024 and ended on September 30th, 2024. The Project responded to 16,502 requests for spraying and larval checks from residents covering all of the towns within the district.

The Department of Public Health (DPH) has developed an “Arbovirus Surveillance and Response Plan” for the state. The Plan creates a system which estimates the human risk for contracting Eastern Equine Encephalitis and West Nile Virus using several factors including the number of infected mosquitoes. Based on guidelines defined by the Plan, all towns in Plymouth County Mosquito Control Project started the season at “Low Level Risk” for Eastern Equine Encephalitis. At the end of the season the following towns were still at “Low Level Risk”: Abington, Brockton, Cohasset, Duxbury, East Bridgewater, Hanover, Hanson, Hingham, Hull, Marshfield, Norwell, Pembroke, Rockland, Scituate, West Bridgewater, and Whitman. The following towns were at “Moderate Level Risk”: Bridgewater, Carver, Halifax, Kingston, Lakeville, Mattapoisett, Marion, Middleboro, Plymouth, Plympton, Rochester, and Wareham. The towns of Carver, Middleboro and Plymouth were temporarily raised to “High Level Risk” due to EEEV activity that included 4 horse cases and 1 human case. Statewide there were 4 human cases and 4 animal cases.

The Commonwealth of Massachusetts responded to the EEEV activity by conducting wide scale aerial adulticiding. The area treated was 157,000 acres and included parts of the towns of Carver, Halifax, Kingston, Middleboro, Plymouth, Plympton, Rochester, and Wareham. Applications of this kind are complex and involve a large number of state agencies including DPH, The Department of Agricultural Resources and The State Reclamation and Mosquito Control Board. The Project assisted with these applications in a number of ways, including supplying equipment and helping to document efficacy of the application.

PCMCP followed the “Arbovirus Surveillance and Response Plan” and responded to the EEEV by increasing our adulticiding and mosquito surveillance. The Project conducted wide area applications by truck in locations where EEE was detected. We also submitted extra mosquito samples for virus testing.

West Nile Virus activity was widespread in Massachusetts. Statewide there were 18 human cases, none of them were in the district. All of the district started the season at the “Low Risk Level” for West Nile Virus. However, later in the season the human risk was raised to moderate for most towns and the following towns were raised to the “High Risk Level” Brockton, Abington, Whitman, East Bridgewater, Rochester, Marion and Mattapoisett. As part of our West Nile Virus control strategy a total of 57,096 catch basins were treated with larvicide in member towns to prevent WNV.

The Project participates in DPH’s mosquito surveillance program. As part of that program, we collected 115,484 mosquitoes and submitted 35,177 mosquitoes for testing. The mosquitoes were combined into 824 groups or pools. DPH also tested 13,789 mosquitoes from the district. In all there were 65 isolations of EEEV from mosquito samples. EEEV was found in Abington, Carver, Halifax, Kingston, Marion, Mattapoisett, Middleboro, Plymouth, Rochester, Wareham, West Bridgewater and Whitman. There was a total of 109 WNV isolations from Abington, Bridgewater, Brockton, Cohasset, Duxbury, East Bridgewater, Halifax, Hanover, Hanson, Hanover, Hingham, Hull, Kingston, Marion, Marshfield, Mattapoisett, Middleboro, Pembroke, Plymouth Rochester, Rockland, Scituate, Wareham, West Bridgewater, and Whitman.

The health threat of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on the Department of Public Health website.

The introduced mosquito *Aedes albopictus* has the potential to become a serious pest and a vector of disease. The mosquito has been present in Massachusetts since 2009. The larvae live in containers and are closely linked with human activity. They are especially associated with used tires. The Project began a tire recycling program in October 2017. During the 2024 season we recycled 1,533 tires bringing us to a total of 13,615 tires for the program.

The figures specific to the town of Marion are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Marion residents.

Insecticide Applications: Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Field Technicians continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. In Marion 292 larval sites were checked.

During the summer 658 catch basins were treated in Marion to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Our staff treated 4,802.75 acres using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

Water Management: During 2024 crews removed blockages, brush and other obstructions from 2,245 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito production. This work, together with machine reclamation, is most often carried out in the fall and winter.

Mosquito Survey: Our surveillance showed that the dominant mosquitoes throughout the district were generally *Cq. peturbans* and *Cx. pipiens/restuans*. In the Town of Marion the three most common mosquitoes were, *Cs. melanura*, *Cx. pipiens/restuans* and *Oc. japonicus*.

Education and Outreach: Our Community Liaison, Erin Morrill, has been reaching out to schools and daycares to update IPM plans in preparation for the upcoming mosquito season. In-person visits to local BOH's are ongoing with the aim to meet with every community before the summer. Erin has been working with interested parties to set up educational presentations starting in the spring. If your town is interested in setting up a presentation at summer camps, schools, fairs, libraries, or councils on aging please contact our office.

Our Project website is a great resource for information on upcoming meetings, the annual budget, educational information, and Project services. Announcements and important dates can be found on the home page. Please visit us at www.plymouthmosquito.org or call our office with any matters of concern.

Sincerely,

Ross Rossetti

**Report of
MARION HISTORICAL COMMISSION**

To the Honorable Select Board:

The Marion Historical Commission continues to make progress since it became active again in the fall of 2019. Our primary objective is to carry out our mission statement to identify and protect the town's historic resources.

MISSION STATEMENT

The Marion Historical Commission, with the Town's adoption of MA General Laws Part I Title VII Chapter 40 Section 8D, has been established for the primary purpose of identifying and protecting the Town's historic resources. This includes buildings, structures, objects and sites of national, state, or local significance based on an understanding of their historic, architectural, and/or archeological importance.

The primary responsibility of the Marion Historical Commission is to coordinate all community-wide historic preservation planning on behalf of the Town. This includes educating the public about the identification of historic resources and the importance of preserving and protecting such resources. The Commission also serves as a public advocate to advise the Select Board and other local agencies regarding matters of preservation, protection and redevelopment of historic buildings, structures, and sites which may be under consideration by said boards.

We continue to update our webpage on the Town's website with the results of recent survey activity, including maps and online access to inventory forms for Areas and individual property Inventory Forms. Information on current Commission activities and local preservation resources is listed on the site. Copies of historic inventory forms are also kept on file at the Sippican Historical Society and Elizabeth Taber Library for public access.

The Commission's primary goal at this time is to develop a comprehensive inventory of all historic and cultural resources in the town. Under guidance from the MA Historical Commission, standard forms, procedures, trainings and technical support are available to us.

This year's work program was funded by our Community Preservation Fund 2022 grant. Our historic preservation consultant, Lynn Smiledge, completed survey work on over 70 properties. Areas of Marion covered this year include Converse Road, Moorings Road, Delano Road, Point Road, West Drive and Allen's Point Road. New Area forms were completed for Great Hill and a report was completed on the history and development of Planting Island. Copies of completed forms were sent to current owners of all surveyed buildings in the fall of 2024.

An exhibit based on the Planting Island report is being developed for a 2025 special exhibit at the Sippican Historical Society.

Working in partnership with the Marion Department of Public Works, the Commission made progress in its efforts to improve amenities and public access at DePina Landing Park on River Road. The site was cleared of overgrown brush over the summer. Funds were applied for and received from the Friends of Marion Recreation to order signage, metal benches and picnic tables. A rededication ceremony is planned for the spring of 2025.

A contract was signed in November for our 2023 \$35,000 grant from the Community Preservation Fund to continue the next phase of survey and preservation planning. This project will start in early 2025 and will include survey work of the many historic properties on the Tabor campus, as well as initial determinations for National Register listing of several important areas, particularly the Marconi Wireless Station and the Tremont Advent Campmeeting property.

Much concern continues to be expressed over the demolition and/or inappropriate modifications to historic properties in the town, and particularly in the Marion Village area. The Historical Commission has worked closely with the separate Marion Historic District Study Committee to create a design review district. The proposed bylaw is anticipated to come to Town Meeting for a vote in May of 2025. Local Historic Districts are the primary preservation mechanism adopted in over 100 towns and cities in Massachusetts and are demonstrated to be an effective tool in preserving an area's historic and architectural character. This process is consistent with recommendations of the 2017 Marion Master Plan.

Another ongoing concern has been the continued uncertain fate of the Rev. Percy Browne House, 192 Front Street, often referred to as the TenBrook House, the name of its most recent owner. Designed by renowned American architect Henry Hobson Richardson in 1880-81, it is now owned by Tabor Academy. We have been in conversation with Tabor throughout the year and will continue to work with Tabor's administration in the coming year to assure the preservation of this important landmark in a manner which suits Tabor's needs but also acknowledges its historic and architectural importance at the national level. The entire community can be proud of this Richardson treasure.

We continue our program of sending a Welcome Letter to new buyers who purchase properties that are of historic merit and are included in the Historic Inventory, offering historical background as well as information and guidance to encourage historically and architecturally sensitive renovations, should improvements be planned.

We maintain our close relationship with the Sippican Historical Society, the primary repository for archival documentation of the Town's history and co-funder of many of our programs. We continue to jointly promote awareness of historic preservation objectives with guest lectures on topics relevant to Marion's past and future visual character.

Thank you to the Community Preservation Committee for their annual funding of our survey activities. The Historical Commission receives no funding from the Town, so we rely entirely on the Community Preservation Fund to support our work. Historic Preservation is a primary criteria for expenditure of Community Preservation funds.

We encourage all Marion residents to review our webpage at marionma.gov and to contact us with suggestions for future projects or with information to share about your historic or architecturally significant property. Old photographs of historic buildings "in their heyday" are especially valuable to us as we continue to explore and learn about Marion's historic development and the key players in that process.

**Report of
LOCAL HISTORIC DISTRICT STUDY COMMITTEE**

To the Honorable Select Board:

Over half of all cities and towns in Massachusetts have local historic districts, including most of the surrounding towns and cities on the South Coast and across Buzzards Bay. Local historic districts are the best way to retain local control over the fate and condition of a town's historic assets. With this in mind, the Marion Historical Commission requested that the Select Board appoint a Historic District Study Committee. This Committee was initiated in January 2023.

The Marion Village Historic District Study Committee has worked diligently to undertake historical and architectural research on properties throughout Marion and to develop a bylaw proposal for a Local Historic District in Marion Village. This bylaw would have very limited review authority. The goal is to strike a balance between preserving our historic village and enabling home and business owners to alter and expand their properties with minimal restrictions.

2024 Actions and Results

1. HISTORIC PROPERTIES SURVEYS

Thanks to funding from the Sippican Historical Society and the Community Preservation Act, over 200 historic properties in Marion Village were surveyed for historical and architectural significance and the results made available at the Elizabeth Taber Library, Sippican Historical Society and the Massachusetts Cultural Resource Information System (MACRIS).

Research and documentation have been prepared using Massachusetts Historical Commission Building and Area Forms to describe the architectural and historical significance of Marion Village, including over 180 individual Building Forms that were mailed to owners. The decisions for which buildings to document in that process used historic maps of Marion Village from 1855, 1879 and 1903. Those three maps documented the historic growth pattern of Marion Village and provided the basis for the proposed Marion Village Local Historic District boundary.

2. PRELIMINARY STUDY COMMITTEE RECOMMENDATION

Copies reflecting and explaining the Committee's preliminary recommendation were completed in 2024 and can be found on the Marion Historic District Study Committee page on the marionma.gov website.

A. FAQs

B. Draft Bylaw

C. Preliminary Study Report

3. PUBLIC INPUT AND COMMUNICATIONS PLAN

The Committee began the process outlined in the Massachusetts Historical Commission's Guidelines by mailing a survey to all residents within the core Village historical area. The results of that survey indicated strong interest in the history and protection of the Village. Following the explanation and presentation of the rationale and process for studying the necessity of a historic district in Marion that took place in 2023, meetings with the Building

Inspector, Town Counsel, Town Administrator, Planning Board and Select Board have taken place for input and guidance. With the completion of the preliminary report, meetings have been scheduled for full public review and comment in early 2025. A media communications campaign is also planned for early 2025 as a lead up to an anticipated vote by Marion citizens.

**Report of
STEWARDS OF COMMUNITY OPEN SPACE**

To the Honorable Select Board:

Stewards of Community Open Space is a Town committee made up of representatives from Marion Open Space Acquisition Commission (MOSAC), Trees and Parks Committee, Marine Resources Commission, Sippican Land Trust, Recreation Department and Conservation Commission as well as Washburn Park Trust. We have not met in a while but recently reorganized and resumed a quarterly meeting schedule. We have a new Open Space plan to work with.

Our mission is to oversee and review open space within the town; parks, trails, MOSAC properties etc. with a view to opening them up to the public where appropriate. Eventually we would like to have signs and QR codes for each property.

During the COVID pandemic, people were anxious to get outside and walk, run or bike and that sentiment continues. Our meetings are devoted to discussing ways to accomplish our goals and work with the town on maintenance issues. Our meetings are posted and open to the public. Let us know if you have any issues or concerns.

**Report of
THE ELIZABETH TABER LIBRARY**

To the Honorable Select Board:

The Elizabeth Taber Library (ETL) provided a year of unique educational and social opportunities for the community of Marion through engaging programming. In the new year the library worked with One Up Games (an organization that brings professional gaming events and tournaments around the country) to host a playable history of video games event. This interactive museum was a hit with multiple generations of players as parents got to introduce classic games and game systems to their kids.

This year the library increased attention on adult focused programming thanks to the efforts of the Head of Adult Services, Emily Newell. New events included adult craft nights, adult paint nights, and rotating local author talks, along with Take and Make craft kits and Spice Pantry recipe and ingredient kits. Monthly events such as Banned Book Club and a memoir writing group gave patrons opportunities to connect, share experiences, and discuss literature and social issues in a supportive and stimulating environment. The Board of the Marion Library Association held two annual fundraising events to support the library. The Lizzy T Trivia Bee in April had participating teams engage in a battle of wits that included literary, sports, and local trivia questions. Tables of Content in October paired stimulating conversations with a delicious dinner hosted in Marion resident's homes.

The Annual Summer Reading Program kicked off with a neighborhood block party featuring ice cream from Oxford Creamery, lawn games, and a giant inflatable obstacle course. Science activities and face painting were made available at this event courtesy of the Marion Natural History Museum. Throughout the summer families visited the library for activities that included the Pine Meadows Petting Zoo, Pop Up Art School crafting classes, visits from local authors, puppet shows, and even a visit from the Poop Museum, a very silly science show!

This Fall, the Elizabeth Taber Library welcomed our new Children's Librarian Macy Davis to the library. Macy, along with new Young Adult Services Librarian Betsy Dumais, got right to work modernizing our children's collections and developing rich and engaging children's programming multiple days a week, including story times, messy mornings, and afternoon activities for students. Halloween at the library was celebrated with a number of spooky activities including the ETL's Great Pumpkin Contest, with free pumpkins supplied by Fieldstone Market. Patrons of all ages created a wide range of creative pumpkin submissions; winners included the spookiest pumpkin, silliest pumpkin, best literary inspired pumpkin, and people's choice pumpkin. This year the library's Halloweened party included costume karaoke, and visitors toured the haunted stacks where ghouls, zombies, and skeletons lurked around every corner!

The Friends of the Elizabeth Taber Library continued their remarkable run of fundraising events to benefit the library. In the spring the Friends hosted Tea with the Queen at the Marion Music Hall featuring performer Sheryl Faye as Queen Elizabeth II. In August, the Friends of the Elizabeth Taber Library & Community Veg Marion presented the 2nd annual Secret Vegetable Garden Tour to highlight Marion’s hidden garden gems. The Friends additionally hosted two very successful multiday book sales in the summer and during the holidays.

In 2025, The Elizabeth Taber Library is looking forward to two major developments to improve library services in the new year and beyond. In 2024 the Massachusetts Board of Library Commissioners awarded a Creative Communities grant in the amount of \$30,000 for the Elizabeth Taber Library’s Library Services and Technology Act (LSTA) special project. Through this grant the library will provide a yearlong handicraft educational series for all ages with various artists in residence throughout 2025, as well as help the ETL build a collection of creative tools accessible to library patrons.

The second major development that the Elizabeth Taber Library is pleased to announce is a large-scale construction project designed to modernize the library, improve the comfort and appearance of all departments, update staff workstations, and fulfill the Library’s Long-Range Plan goal of making the library fully ADA compliant. Thanks to an extraordinarily generous private donation, the ETL will be able to provide the community of Marion with expanded public meeting room spaces, comfortable seating and study areas, a welcoming children’s space, and a fully accessible collection, while maintaining the historical building’s classic charm and patron focused service.

Respectfully Submitted,

Elizabeth Sherry
Library Director

Report of MARION CONCERT BAND

The 2024 season of the Marion Concert Band began with five Monday night rehearsals (June 3, 10, 17, 24 and July 1) at the Marion Music Hall. The band's season opened with a concert at Silvershell Beach in conjunction with the town's Independence Day Celebration on July 6th. Our concert series continued with concerts every Friday evening through August 30. Each concert was an hour and a half in length, running from 7:00-8:30 every Friday evening.

The band played a total of eight concerts this season, with one weather-related cancellation on August 9. On that day there were sustained winds of 20 mph, with gusts up to 40mph, which were forecast to continue into the evening. With the real possibility of damage to instruments from falling music stands and the loss of music flying into Sippican Harbor, the decision was made to cancel the concert. It was the first time we've had to cancel a concert due to excessive wind. Several outdoor events in New Bedford were also cancelled that same day.

Our concert series included the usual variety of thematic programs, including movie and TV themes, a Latin-American night, a Young People's concert, and a program with a nautical theme which was conducted by band member Sandra Medeiros on July 26. A program of British band and popular music on August 2 featured the annual appearance of some members from the Cape Cod British Car Club (CCBCC). CCBCC members have been making an appearance at the annual British concert every year on the first Friday in August since 2010! Our thanks to *Sippican Week* reporter-photographer Erez Ben-Akiva for his coverage of the concert and the accompanying photo!

Several new pieces were added to the band's library this season: *Barber of Seville* Overture by Gioacchino was performed on the Boston Pops program, *Danzon No. 2* by Arturo Márquez and *Granada* by Augustin Lara were performed on Latin night, *Children's March* by Percy Grainger was added to the British program, *March of the Charioteers* from Ben Hur was added to Movie night, *Sondheim!* was added to the Broadway program, and *Pure Imagination* was featured on both the Young People's and Movie night programs.

Featured soloists included clarinetist Dan Moniz performing Weber's *Concertino for Clarinet*, tubist Reece Ashley performing the title role in *Tubby the Tuba*, with the story narrated by Scotty and Jennifer Estacio, and vocalist Brianna Callahan was featured on the Broadway concert; the first time we've had a vocalist sing with the band since 2016!

We had another summer of great concerts with good audience attendance throughout the entire season. I'd like to thank the members of the band for their exceptional musicianship and for sharing their talents

with us. I'd also like to thank the townspeople of Marion for supporting the Marion Concert Band and for keeping the wonderful tradition of band music alive and well in the town of Marion!

Respectfully submitted,

Tobias S. Monte
Music Director, Marion Concert Band

Report of MARION NATURAL HISTORY MUSEUM

To the Honorable Select Board:

The Marion Natural History Museum (MNHM) continues its proud tradition of providing engaging, educational, and inspiring experiences for the community, celebrating the natural world and fostering a passion for science and conservation. Over the past year, the Museum has flourished, offering dynamic programs, revitalized exhibits, and community initiatives that reinforce its role as an integral part of Marion’s cultural and educational fabric.

PROGRAMS AND COMMUNITY ENGAGEMENT

In 2024, the Museum presented an impressive lineup of over 50 programs and activities tailored to children, families, and adults. These included:

- **Winter/Spring After-School Programs:** The Museum hosted hands-on activities such as *Owl Diet Detective* and *Terrapin Guardians*, which introduced students to wildlife conservation and ecological science. *Cosmic Explorations* took young astronomers on a journey through the universe, while *Wetland Wonders* and *Nest Builders & Egg Explorers* offered hands-on discovery of local ecosystems and avian architecture.
- **Summer Coastal Explorations:** Young naturalists explored Marion’s coastal environments, engaging with topics like seaweed ecology, amphibian habitats, and the vital role of barrier beaches. Programs such as *How to Build a Wetland* and *Sandy Beaches* provided immersive experiences that showcased the region’s unique ecosystems.
- **Fall/Winter Programs:** Highlights included *Winter Wonder Bugs*, where participants learned about insect adaptations to New England winters, and *Trees from the Ground Up*, an exploration of the critical role trees play in our environment. Additionally, *Sea Turtles of Massachusetts* educated attendees on conservation efforts for these magnificent marine animals.
- **Community Lectures and Events:** The Museum partnered with local organizations to present programs like *Dragonfly Walk*, *Spring Bird Walk*, and *Inviting Pollinators to Your Yard*, fostering collaboration and expanding its outreach.

The Museum reached over 450 participants through its programs in 2024, continuing to grow its impact and maintain accessibility for all members of the community. *A complete list of the year’s programs with descriptions follows this report.*

EXHIBIT ENHANCEMENTS AND COLLECTIONS

Building on the progress of previous years and the support from the Marion Community Preservation Committee Grants from 2022 and 2023, the Museum completed several significant updates to its exhibits and collections. These efforts included:

- **Exhibit Revitalization:** Enhanced display cases with expanded content and interactive QR-coded labels designed to deepen visitor engagement.

- **Collections Management:** The Museum’s inventory project progressed, with hundreds of artifacts cleaned, photographed, and digitized for public access through a searchable online database.

PARTNERSHIPS AND SUPPORT

The Museum’s success in 2024 would not have been possible without the generous support of its donors, partners, and the Town of Marion. Highlights of this collaborative spirit include:

Grant Funding: The Marion Community Preservation Committee and other local foundations provided critical funding for programming, exhibit improvements, and conservation efforts.

Collaborative Events: Partnerships with the Elizabeth Taber Library, Marion Harbormaster Department, and Sippican Lands Trust enriched the Museum’s offerings and expanded its reach.

Volunteer Contributions: Dedicated community members and volunteers donated their time and expertise, contributing to the Museum’s programs, operations, and special events.

In memoriam, we honor David K. Pierce, a long-time board member and an extraordinary advocate for education, science, and civic engagement. David’s contributions to the Museum included authoring *An Updated History of the Marion Natural History Museum* and inspiring countless individuals through his leadership and passion for natural history. His legacy endures in the programs, exhibits, and community spirit he helped cultivate, and his passing in early 2025 leaves a profound absence.

Additionally, we celebrate the extraordinary efforts of long-term supporters of the Museum, Edward (past MNHM Board Member) and Elizabeth Brainard. In honor of the Museum’s 150th anniversary, they curated, wrote, and published *Stories | Marion Natural History Museum*, a collection of eleven short stories designed to engage children with natural science. Inspired by the challenges of the COVID-19 pandemic and driven by their passion for education, the Brainards brought this idea to life as a gift to the Museum and the community. Their dedication, including funding the book’s printing, leaves a legacy of inspiration and support for young minds. Copies are available at the Museum.

The Museum Board of Directors extends heartfelt thanks to our Executive Director, Elizabeth Leidhold, for her tireless efforts in coordinating our extensive programming, managing collections, and inspiring the community through her dedication to the Museum’s mission.

As we move forward, the Marion Natural History Museum remains committed to its mission of sparking curiosity, fostering environmental stewardship, and inspiring lifelong learning. Plans for 2025 include expanding program offerings, continuing the modernization of exhibits, and exploring new ways to connect with the community.

We extend our deepest gratitude to the Town of Marion for its unwavering support and to the many individuals, families, and organizations whose contributions sustain the Museum. Together, we celebrate the wonders of the natural world and ensure that future generations will have the opportunity to do the same.

To discover our current programs, become a member, or support the Museum with a donation, visit us at marionmuseum.org. Together, we can continue inspiring curiosity and preserving Marion’s natural heritage for future generations.

LIST OF 2024 MNHM PROGRAMS

WINTER/SPRING AFTER-SCHOOL PROGRAMS:

- **Owl Diet Detective** - February 14: Students explored the fascinating diets of owls through hands-on dissection of owl pellets, uncovering their role in local ecosystems.
- **Terrapin Guardians** - February 28: A conservation-focused program introducing participants to the efforts to protect Diamondback Terrapins, led by local experts.
- **Cosmic Explorations** - March 13: Young astronomers ventured into the cosmos, exploring planets, stars, and the possibility of extraterrestrial life.
- **Nest Builders & Egg Explorers** - March 27: Participants examined real bird nests and eggs, gaining insights into avian biology and behavior through creative activities.
- **Wetland Wonders** - April 10: Children discovered the critical role of wetland ecosystems through interactive experiments and exploration.
- **Botanical Chronicles** - April 24: Aspiring botanists created plant presses and learned about preserving plant specimens for scientific and historical purposes.
- **Rocket Science** - May 8: Students built and launched rockets, learning the science of propulsion and flight in this hands-on program.
- **Avian Adventure: A Voyage to Bird Island** - May 22: A boat trip to Bird Island allowed participants to observe rare bird species and learn about conservation efforts.
- **Ram Island Expedition** - May 29: Young explorers investigated unique coastal ecosystems, including salt marshes and rocky intertidal zones.

SUMMER CHILDREN'S PROGRAMS:

- **Annual Summer Kickoff** – June 15: Families and friends in the Tri-Town area celebrated the start of Summer with the Museum and Elizabeth Taber Library. The block party included a 60-foot inflatable obstacle course, free ice cream, lawn games, face painting and science-related crafts and activities.
- **Seaweeds** - July 7: Students studied local and invasive seaweed species, creating seaweed pressings as part of their learning.
- **Amphibians** - July 14: A hands-on exploration of frogs, salamanders, and other amphibians in local wetlands.

- **Bird Island** - July 21: Participants identified nesting bird species and learned about habitat restoration efforts.
- **Barrier Beach** - July 28: An investigation into the ecological importance of barrier beaches and their roles in coastal resilience.
- **How to Build a Wetland** - August 4: Students explored the process of restoring cranberry bogs to wetlands and their ecological value.
- **Sandy Beaches** - August 11: Hands-on experiments highlighted the unique features and ecological importance of sandy beaches.
- **Shellfish** - August 18: Participants learned about oysters and other shellfish, creating fish print t-shirts as a creative takeaway

FALL/WINTER AFTER-SCHOOL PROGRAMS:

- **Celebrate Archaeology Month with Fossils and Museum Artifacts** - October 30: A program exploring fossils and archaeological techniques.
- **Winter Wonder Bugs** - November 6: An engaging look at how insects adapt to winter conditions in New England.
- **Conservation Exploration** - November 13: A hands-on investigation of wetlands and their biodiversity, led by a local conservation expert.
- **Trees from the Ground Up** - November 20: Participants learned about the critical role of trees in combating climate change and supporting ecosystems.
- **Winter Birds of Marion** - December 4: A study of bird behavior and migration patterns during winter months.
- **Holiday Nature Craft Party** - December 11: A creative event using natural materials to craft eco-friendly decorations and gifts.

YEAR-ROUND COMMUNITY PROGRAMS:

- **Native American Archaeological Sites** - February 9: A discussion of local sites and artifacts led by an expert archaeologist.
- **Inviting Pollinators to Your Yard** - March 27: A program highlighting native plants and gardening tips to support pollinators.
- **Frogs and Toads of Our Region** - April 3: An exploration of local amphibian species and their habitats.
- **Amphibian Ecology in New Hampshire** - April 12: A study of high-elevation wood frog populations in the White Mountains.
- **Spring Bird Walk** - April 17: A guided walk introducing participants to local and migrating bird species.
- **Sailing to Newfoundland** - May 1: A presentation on an adventurous sailing trip and its ecological observations.
- **Remarkable Natives for Beautiful Gardens** - May 11: A gardening workshop focused on native plant species.
- **Dragonfly Walk** - May 22: A hands-on exploration of dragonflies and their ecological significance.
- **Bee a Friend to Pollinators** - June 22: A workshop on building pollinator-friendly habitats.
- **Summer Butterfly Walk** - July 3: A guided walk identifying local butterfly species and their habitats.

- **Research on Recent Whale Shark Sightings** - July 11: A presentation on whale shark behavior and conservation.
- **Horseshoe Crabs of Massachusetts** - July 24: A discussion of the biology and conservation of horseshoe crabs.
- **Nature Support** - August 14: A program emphasizing the critical role of insects in maintaining ecosystems.
- **Diamondback Terrapins** - August 29: A program on local terrapin conservation efforts.
- **The Value of Your Backyard** - September 12: A presentation on the ecological importance of home gardens.
- **Sea Turtles of Massachusetts** - October 18: A lecture on sea turtle conservation and research.
- **Woodland Walk for Mushrooms** - October 19: An educational hike focusing on mushroom identification.
- **Mysteries of the Midwater** - November 8: A presentation on ocean twilight zone ecosystems and diel vertical migration.

Report of Old Rochester Community Television

To the Honorable Select Board:

For Old Rochester Community Television (ORCTV) 2024 was both a challenging year and a time of continued growth. ORCTV expanded upon its efforts to broaden our abilities to serve to the Tri-Town through the platform community media while offering the high-quality service has come to be known for.

In 2024, ORCTV continued its many partnerships with local organizations and member producers. The staff filmed events and programs with the Marion Council on Aging through their guest speaker program. The Marion Museum of Natural History also continued to provide recordings of their guest lecturer series and their after school and summer youth educational programs. The staff recorded plays, art openings, exhibits, concerts and the annual Art in the Park show for the Marion Art Center, while also recording promotional promos to help boost awareness and attendance for the many events at the MAC.

During the past year, ORCTV also continued its work with St. Gabriel's Episcopal Church to livestream the congregation's weekly church services. Member/producer Janine Hunt's series 'The Janine Hunt Experience', which began production in 2017, highlights local entrepreneurs, charitable organizations, chefs, lifestyle experts and local events through a high production value talk show format. ORCTV continued its years long collaboration with the Sippican Historical Society's Leslie Piper to record its guest speaker presentations and their annual meeting. ORCTV also continued its work with station member/producer Judith Rosbe producing episodes of the long running Sippican Historical Society's Oral History Project. This series has been in production since 2013 with each installment featuring the story of a Marion resident's life experiences as told in their own words. ORCTV continued its collaboration with the Tri-County Symphonic Band and the Sippican Choral Society recording each group's concerts throughout the year for broadcast on our channels.

As we do each year, ORCTV provided coverage of many of Marion's annual town events for the community's public channel. These included the Memorial Day Ceremony and Procession, Veterans Day Ceremony, the Independence Day Parade, fireworks and concert, the annual Halloween Parade, the Buzzards Bay MusicFest at Tabor Academy, the 2024 Village Stroll and the Holiday Concert at Sippican School during the Christmas season.

The partnership between the Old Rochester Regional School District and ORCTV continued to grow during 2024. This past school year the staff of ORCTV worked with over 500 students and school district staff members in video production training classes and workshops at the elementary school level. ORCTV's Educational Outreach program continued its work with Sippican School through its collaborative Junior Reporter program. Working together each week Sippican School instructor Chelsea Lawrence and ORCTV's Elementary School Outreach instructor Samantha Lawrence partner to teach video production classes to fifth and sixth grade students. The students film monthly news segments highlighting various school events, they also film all school meetings, PSAs promoting various happenings at the school as well as documentary style pieces such as

“What Sippican is Thankful For”. Once again, this year’s program was in such great demand that there were twice as many students who were interested in the program as there were positions available. To accommodate all of the students who were interested in participating, the program was divided into two half year sections rather than one-year long program.

The ORCTV/ORRHS video production program is now in its ninth year. The student produced news magazine ‘Bulldog Weekly’ highlights student life and activities at the high school and features weekly segments from Principal Mike Devoll and Athletic Director Christopher Carrig during each 30-minute episode. The show continues to be entirely produced, written, filmed and edited by ORRHS video production students. ORCTV also continued to work closely with the ORR Athletic Department filming regular season and playoff games throughout the school year. ORCTV staff and student interns also recorded or livestreamed many other ORRHS school events including plays, lectures, school assemblies, concerts, the Athletic Hall of Fame Induction Ceremony, the promenade and pep rallies. Both the ORRHS and Old Colony Regional Vocational Technical High School Commencement ceremonies were broadcast live as were those of the local elementary schools and ORR Junior High School.

The video production students and staff also worked with the ORR school district to bring local viewers a number of elementary and junior high school concerts, award ceremonies, holiday events, school assemblies and school committee meetings throughout the year from each of the District’s six schools and district wide committees. Staff member Jacob Davis works weekly, one on one, with several special needs students. This program has been ongoing since 2017. ORCTV staff members continue to work with the ORR School District’s web designer to provide content for the District’s websites. This material includes videos, aerial drone footage and photographs created for the district as well as material from the ORCTV archives of school events, buildings and district staff members.

As part of both our Educational TV program and our mission to serve the station’s members, the ORCTV staff taught camera and editing classes to our members and held production workshops to teach residents how to create programming for our local audience. Through our social media outlets and our online video on demand platforms these vital productions continue to reach over 10,000 people per week in addition to the thousands of household subscribers who view programs on the station’s five channels via their cable tv packages. As we have continued to stress since our inception, Old Rochester Community Television strives to be an integral part of the Tri-Town community by helping our members tell the stories of their hometowns through television productions which local residents have been creating since we first went on the air in 2006.

Over the course of this past year ORCTV filmed and broadcast over 200 government related meetings, workshops, forums and candidate spots for the Town of Marion. These included meetings of the Select Board, the Planning Board, the Conservation Committee, the Zoning Board of Appeals, the Open Space Acquisition Committee, the Finance Committee, the Marion School Committee, the ORR School District and Joint School Committees, the Marion Marine Resources

Commission and the Affordable Housing Trust. The ORCTV staff also recorded the town's Annual Town Meeting in May.

During 2024, ORCTV cable-casted 8,300 hours of programming on our public channel, over 6,752 hours of programming on our educational channel and over 7000 hours of programming on Marion's government channel. ORCTV has always been proud to serve the Tri-Towns by fulfilling our mission to bring the community locally produced programming from our residents, school and government bodies through our cable access channels and video on demand platforms. We look forward to our continued service to the town of Marion for the foreseeable future.

Respectfully Submitted,

Robert Chiarito
ORCTV Executive Director

Report of SCHOOL DEPARTMENT

To the Honorable Select Board:

Introduction

Old Rochester Regional School District and Massachusetts Superintendency Union #55 serve the towns of Marion, Mattapoisett, and Rochester. Dedicated educators and staff support the three communities of Marion, Mattapoisett, and Rochester and the four school district structure, working collaboratively to provide a high quality education for our students preparing them for post-secondary success. The support provided to the school-system from the three towns from a resource standpoint helps ensure the ongoing success of our students through strong educational programming and by providing safe learning environments.

The 2023-2024 school year marked the first year of the school-system's strategic plan, known more commonly as Vision2028. With the support of the Joint School Committee, Dr. Ruth C Gilbert-Whitner, an independent facilitator utilizing the Planning for Success model, worked with our full planning team throughout the 2022-2023 school year to envision what our schools would look like in 2028 and design a five-year plan that includes strategic objectives and initiatives to guide our path towards our vision. During the course of this planning process, our full planning team participated in strategic planning sessions, data reviews, community input gathering (that included a community survey and public forums) activities, and action planning. By following a clear strategic plan to guide the direction of the school-system, the stakeholders within the school community are able to work collaboratively on common objectives and initiatives on behalf of the students and families of the Tri-Town.

The mission of our school-system remains steadfast to inspire all students to think, to learn, and to care. As you read this report, you will see examples of our students' achievements, staffing and program changes, as well as reports of the structural improvements that have taken place in our buildings to upgrade learning spaces, technology infrastructure and safety.

Strategic Plan Overview

Mission

The mission of our school system is to think, to learn and to care.

Vision

The Old Rochester Regional School District and Massachusetts Superintendency Union #55 is dedicated to creating a safe and nurturing learning environment that offers inclusive and engaging educational experiences. Through collaborative relationships with our school community members, we strive to foster a respectful culture that prioritizes academic excellence and social emotional readiness. Our primary objective is to provide every student with the necessary skills and developed mindset to embrace future opportunities and become responsible, lifelong learners and contributing global citizens.

Core Values

Our school community will inspire us to:

THINK:

Cultivate a culture of academic rigor and integrity which encourages critical thinking, creative thinking, collaboration, and effective communication.

LEARN:

Strive for academic excellence in educating the whole child through authentic, rigorous, and evidence-based learning opportunities that foster real world application and a continuous pursuit of learning.

CARE:

Ensure a caring and safe environment for all school community members by promoting a sense of belonging and respect for all.

Theory of Action

IF WE... implement a rigorous, equitable, and cohesive curriculum that aligns with our Portrait of the Graduate...

AND... expand and extend the professional development planning process to support equitable adult learning with resources, time, and professional practices to be student-centered...

AND... enhance our multi-tiered, comprehensive systems of support in all schools...

AND... provide an inclusive and supportive climate and culture for all school community members...

AND... promote a sense of belonging and positive relationships between all school community members ensuring a safe learning environment...

THEN WE WILL... have inspired all students to think, to learn, and to care while providing an opportunity to pursue academic excellence.

Objective One – Teaching and Learning

Implement an equitable, cohesive curriculum that aligns with our Portrait of the Graduate in all schools.

Initiatives

1.1 Define, create, and implement a Portrait of the Graduate that encompasses equitable practices in students' academic and social lives.

1.2 Adopt and implement a curriculum review cycle and continue the implementation of the Literacy Action Plan.

1.3 Identify structure, purpose, roles, responsibilities and resources to establish a district-wide curriculum leadership team, curriculum leadership by grade span.

1.4 Establish common assessment practices at all grade levels that are vertically and horizontally aligned and enhance common data collection and analysis procedures to inform instruction.

1.5 Maintain, enhance, and utilize a curriculum management system containing a scope and sequence for vertical articulation of standards covered during grade level transitions, daily instruction, and assessments.

Outcomes

1.1 By June 30, 2028, the school-system has an articulated Portrait of a Graduate (Preschool - 12th Grade) that includes defined competency areas for student mastery.

1.2 By June 30, 2028, the curriculum review cycle guides the school-system's process to provide students with high-quality curricula at all levels and content areas and the literacy program is successfully implemented which is reflected in improved student outcomes.

1.3 By June 30, 2028, the school-system has a fully structured and operational curriculum leadership team supporting district-wide curricular needs.

1.4 By June 30, 2028, common assessment practices are vertically and horizontally scheduled and utilized, and data is collected and analyzed on a consistent basis to inform instruction.

1.5 By June 30, 2028, a curriculum management system is used by educators throughout the school-system to inform curriculum, instruction, and assessment.

Objective Two – Teaching and Learning

Expand and extend the professional development planning and implementation process to support equitable adult learning with the resources, time, and professional practices to be student-centered and aligned with the Portrait of the Graduate.

Initiatives

- 2.1 Design and adopt a revised professional development planning process that supports effective and equitable teaching and learning with consistent and dedicated time.
- 2.2 Align the purpose and responsibility of the curriculum leadership team to drive teaching and learning initiatives system-wide through professional development and train the trainer models.
- 2.3 Provide educators with ongoing professional development in curriculum writing and planning (UbD) to support the implementation of a curriculum management system (standards-based curriculum, instruction, and assessment).
- 2.4 Provide and prioritize dedicated time and resources for the planning and implementation of a district-wide Portrait of the Graduate.
- 2.5 Provide professional development to support and implement adoption of current Literacy Action Plan.

Outcomes

- 2.1 By June 30, 2028, the school-system offers relevant, high-quality professional development.
- 2.2 By June 30, 2028, the curriculum leadership team is fully facilitating, guiding, and supporting teaching and learning initiatives to promote best evidence-based practices (Preschool - 12th Grade).
- 2.3 By June 30, 2028 educators are engaged in purposeful professional development aligned with standards-based curriculum which is integrated into instruction and assessments.
- 2.4 By June 30, 2028, time is provided in master schedules and professional development days for educator collaboration focused on Portrait of a Graduate (i.e., Preschool -12th Grade vertical teams, grade level planning, subject area collaboration).
- 2.5 By June 30 2028, professional development is centered around implementation of the Literacy Action Plan.

Objective Three – Support Systems

Expand and extend the professional development planning and implementation process to support equitable adult learning with the resources, time, and professional practices to be student-centered and aligned with the Portrait of the Graduate.

Initiatives

- 3.1 Review, design, and expand consistent district-wide systems of support available to all students through the general education setting.
- 3.2 Revise, design, and expand consistent district-wide intervention systems of support available to students in small group or individual settings.
- 3.3 Identify and provide professional development in all schools that fosters the full implementation of the systems of support.
- 3.4 Review and enhance a district-wide system for data collection and screenings to assess students' behavioral and social emotional needs.
- 3.5 Provide systems of support that ensure successful grade level transitions based on students' academic, behavioral, and social emotional learning needs.

Outcomes

- 3.1 By June 30, 2028, the general education settings have identified and established vertical and horizontal systems of support.
- 3.2 By June 30, 2028, the school-system has an operational intervention systems of support that supplement the general education setting for students in small group or individual settings.
- 3.3 By June 30, 2028, all educators are trained in implementing effective systems of support across all school buildings to address the academic and social emotional needs of all students.
- 3.4 By June 30, 2028, data collection and screening practices are scheduled, utilized, and analyzed on a consistent basis to assess behavioral and social emotional outcomes to meet the needs of students.
- 3.5 By June 30, 2028, grade level transitions are successful in addressing the academics, behavioral, and social emotional needs of each student.

Objective Four – Climate and Culture

Provide an inclusive, equitable, and positive climate and culture in all schools that promotes sense of belonging for all school community members.

Initiatives

- 4.1 Implement and sustain evidence-based approaches to teaching and discipline that promote the development of strong academic and social skills for all students.
- 4.2 Develop and promote a unified brand that embodies the spirit of the school-system and the school community at large.
- 4.3 Develop and implement a clear and flexible communication plan for individual schools and the school-system to ensure family engagement and information sharing.
- 4.4 Utilize student voice, student engagement, and student leadership skills to guide and enhance a respectful and successful learning environment for all.
- 4.5 Provide professional development to support and implement best practices related to tracking and improving student behavior and discipline.

Outcomes

- 4.1 By June 30, 2028, evidence-based practices related to teaching and discipline are implemented to decrease behavioral issues and referrals.
- 4.2 By June 30, 2028, a unified brand embodying the spirit of the school community has been established across all districts.
- 4.3 By June 30, 2028, school-system stakeholders are well informed and connected by a cohesive school-system plan for comprehensive communication.
- 4.4 By June 30, 2028, a respectful and successful learning environment is demonstrated and articulated through student leadership, input, and feedback.
- 4.5 By June 30, 2028, educators consistently track student discipline and utilize strategies to improve student behavioral issues as a result of evidence-based professional development.

Objective Five – Safe Schools

Ensure safe, secure, and equitable learning environments in all schools.

Initiatives

- 5.1 Provide professional development to school community members regarding physical and cyber safety and security practices.
- 5.2 Establish annual review and audit procedures of all facility systems and related phase replacement plans.
- 5.3 Adopt a classroom technology plan review cycle to maintain equipment and infrastructure for instructional technology.
- 5.4 Establish short and long term capital plans for all school buildings, grounds, and facility operations.
- 5.5 Identify and fiscally support the needed personnel, technology, and material resources to ensure a safe, secure, and effective learning environment.

Outcomes

- 5.1 By June 30, 2028, policies and procedures are in place to protect our school community's physical and digital safety and all staff have been trained on current and best practices.
- 5.2 By June 30, 2028, our operating and phased replacement plans have ensured that our facilities and infrastructure meet the academic and safety needs of our school community members.
- 5.3 By June 30, 2028, learning spaces are well maintained with modern technological tools to ensure equitable learning opportunities for all.

5.4 By June 30, 2028, our capital and phased replacement plans have continued to ensure that our facilities and infrastructure are safe and meet modern learning needs.

5.5 By June 30, 2028, all our schools will have the needed staffing, equipment, and resources to adhere to all educational and safety plans based on current best practice.

School Leadership

During the 2023-2024 school year, Mr. Michael S. Nelson continued to serve as the Superintendent of Schools, supported by Mr. Howard G. Barber, Assistant Superintendent of Finance and Operations, and Dr. Sharlene Fedorowicz as the Assistant Superintendent of Teaching and Learning. Ms. Kristine Lincoln served as the Interim Director of Student Services. In addition, Mr. Eugene Jones, Director of Facilities, Mrs. Jill Henesey, Director of Food Service, and Mrs. Doreen Lopes, Early Childhood Education Coordinator continued to serve our schools in their capacities.

At the school building level – our administration teams remained relatively constant from the previous school year. The Marion School District welcomed back Mrs. Marla Brown (Sirois), Principal and Mr. Peter Crisafulli, Assistant Principal. Mrs. Brown was replaced by Mrs. Doreen Lopes as Interim Principal during the winter of 2023-2024, and she remained through the conclusion of the school year. As for the Mattapoissett School District, Mr. Kevin Tavares remained the Principal of Old Hammondtown School and Dr. Linda Ashley remained as the Principal of Center School. Mr. Michael C. Devoll, Principal, and Mrs. Vanessa Harvey, Assistant Principal, returned to lead the Old Rochester Regional High School during the 2023-2024 school year. At the Junior High School, Mr. Silas Coellner, Principal and Mrs. Kelly Chouinard, Assistant Principal, both returned. Mrs. Lauren Millette also remained as the Director of Guidance for grades 7-12. Lastly, the Rochester School District welcomed Mrs. Heidi Letendre as Principal and Mr. Charles West remained as Assistant Principal.

School Buildings

The safety and security of our students and staff remains at the forefront of our facilities endeavors this past year. We initiated upgrades in our door access, alarm and surveillance systems throughout our school-system. We have also implemented an intense program to monitor air and water quality in all our buildings. This allows us to maintain a healthy and clean educational environment for learning. We have achieved this through scheduled testing and monitoring.

All schools conducted the routine and required maintenance on all their firefighting and suppression systems, elevators and chair lifts, roofs, boilers and chillers. Preventative maintenance was conducted on all facilities machinery and equipment including HVAC systems.

At Rochester Memorial School, we conducted the 2nd phase of the recommissioning of the building management for the HVAC. We have completed mandated Commonwealth service line inventory consisting of all service lines in our service area to the Massachusetts Department of Environmental Protection (MassDEP) Drinking Water Program (DWP). This is required under the federal Lead and Copper Rule Revisions (LCRR). Lastly, we are in the final phase of negotiations on the solar canopy project.

At Old Rochester Senior/Junior High Schools, the press box is in the final phase of construction. We replaced the main irrigation well pump and controller, and the Town of Mattapoissett installed two additional school zone safety lights on RTE 6 entrances. We replaced the domestic hot water circulator pump, three basketball backboard winches in the high school gym and repaired the kitchen cooking steamer. Also in the high school gym, the floor was resurfaced. Our schools welcome many events throughout the year and we hosted the Tri-Town Seniors 31st Thanksgiving Dinner and the Town of Mattapoissett's Annual Town Meeting.

At Sippican Elementary School, we constructed a new age appropriate playground in the backfield area and resurfaced the front playground with Engineered Wood Fiber (EWF). The Marion Institute garden project of refurbishing gardens on the school grounds was completed and is now utilized by the third grade teachers and students. We hosted the Math Acceleration Academy during April school vacation for students, and the Town of Marion’s Annual Meeting. The town’s Department of Public Works removed dead apple trees and holly bushes. Flooring in community room, conference room, student services room and the office of Sippican were replaced which was capital funded.

At Center School, the clock tower and steeple were repaired, primed and painted. Repairs also took place on the office suite roof top unit (RTU), faulty electric lighting transformer, the hinge on Council on Aging exit door, playground equipment and the internals of #2 boiler. In the kitchen, we replaced a faulty garbage disposal as well as replaced faulty exterior lighting timers and switches along with flooring in the staff entrance. We put the Town Nurse vaccine freezer on emergency backup power through the emergency generator, added security access to the 2nd floor hallway door, upgraded and installed a new (911) phone in elevator and installed a new variable frequency drive (VFD) on #1 main circulating pump.

At Old Hammondtown School, replacements took place including a new sewer pump and float, the gas regulator on the emergency generator, the Roof Top Unit (RTU) serving the library and the water heater, which was a capital project. We repaired, primed and painted roof soffits also as a capital project. A new clothes washer was installed for kitchen support. We also hosted a Veteran’s Day Ceremony and the town elections for Mattapoisett.

Student Services and Special Education

Students who receive special education services range in age from 3 to 21. Students that receive special education services may be eligible under the following categories: autism, developmental delay, intellectual impairment, sensory impairment (hearing, vision, deaf-blind), neurological impairment, emotional impairment, communication impairment, physical impairment, health impairment or specific learning disability. Services are determined through initial/triennial evaluations and annual review of individualized education plans. The complexity of certain disabilities may require services that occur after school or during the summer vacation period.

Project Grow, our integrated preschool programs, provides services for our preschoolers who are eligible for special education in their least restrictive environment. Some students at this age level may also come to their local schools to receive therapies on an appointment basis based on their individual needs.

In addition to regular inclusive programming at the elementary and secondary levels, students that are at the junior high, high school and 18-22 program level, receive services that focus on transitioning into adulthood. School-based teams assist in surveying students to obtain career and post-secondary education goals and, if appropriate, begin to work with adult agencies for students that are entitled to these support services. There is a community-based component to our Life Skills and Transition programs to facilitate skill development in the area of transition (job exploration, daily living, and community experiences).

During the 23-24 school year, the percent of students with disabilities within our school districts were as follows:

District	Marion	Mattapoisett	Rochester	ORR	District-Wide	State-Wide
%SWD	20.9%	17.8%	18.1%	17.1%	18.48%	20.2%

The average percentage of students with disabilities (SWD) was 18.48%, which falls below the state average.

Students in grades 9-12 have had the opportunity to participate in Unified Sports. In the fall, athletes and peer mentors played basketball with local area unified sports teams. In addition to both home and away games, highlights included a senior recognition presentation, a jamboree of all local teams hosted by Dartmouth High School and a game against a team made up of our local police departments. In the spring, athletes returned for Track and Field. Student athletes demonstrated their skills through participation in the following events: javelin, shot put, long jump and running. Selected students were invited to the state tournament. Additionally, students throughout our districts were invited to participate in the Tabor Academy Unified Sports Day. Tri-Town students along with Tabor Academy students participated in events such as soccer, volleyball and bocci.

Professional development was provided to staff district-wide on two full days and four half-day afternoons. School Nurses focused on professional development topics that included the school nurses role in the development and review of policies and procedures. Early Childhood staff focused on equitable supports for children in early childhood programs and kindergarten readiness. Special education staff (special education teachers, paraprofessional staff and related service providers) participated in topics that ranged from the science of reading, the new MA IEP, artificial intelligence, and the Into Reading program. Guidance staff participated in training on writing 504 Plans and District Curriculum Accommodation Plans (DCAP).

The Office of Student Services partnered with Southeastern Massachusetts Educational Collaborative (SMEC) to provide community-wide events for students and families. The Community Talks series continued in the winter with a virtual presentation by Alex Hirshberg entitled "Practical Strategies for Managing Challenging Behaviors". In the spring, Allan Blume presented, "The New IEP- A Session for Parents".

Our Special Education Parent Advisory Council (SEPAC) hosted meetings and workshops for our Tri-Town parents. Workshop topics included "Basic Rights: Evaluation and Eligibility" and "Effective Communication".

Within the Tri-Town educational community staff, students, families and community members continue to work collaboratively as a team to provide high quality educational opportunities for our students. Our student services staff are dedicated to providing supports that develop the whole child and create a sense of belonging through inclusive opportunities at all levels. Our student services staff are innovative, caring and committed to providing exceptional educational services.

Finances

Federal and state grants continue to offset staffing in all four school districts, as well as provide staff development for targeted student needs including social and emotional learning, language-based learning disabilities, and students with significant and complex needs. Grants also offset a percentage of preschool programming. Finally, the continued investment in providing special education services within the neighborhood schools enriches the quality of teaching available to all students, improves the school culture and ultimately results in students with disabilities and their families maintaining a higher level of independence.

The School Budgets

The table below displays the trends in the budgets of the Tri-Town district in recent fiscal years. The per pupil cost for education in the schools of the Old Rochester Regional School District and Massachusetts Superintendency Union #55 is compared to each other as well as to the Massachusetts state average:

	<u>FY'20</u>	<u>FY'21</u>	<u>FY'22</u>	<u>FY'23</u>
Marion	\$17,017	\$19,705	\$20,722	\$21,223
Mattapoissett	\$20,891	\$23,679	\$23,988	\$25,123
Rochester	\$14,805	\$16,832	\$17,019	\$18,684
Old Rochester	\$17,110	\$17,952	\$19,953	\$21,092
State Average	\$17,572	\$19,117	\$20,271	\$21,377

The source of support for public education programs in the Old Rochester Regional School District and Massachusetts Superintendency Union #55 includes funding sources described in the tables below:

Local Tax Assessments: Local School Budgets (Grades K-6 Elementary School Program)

These figures include transportation, tuition and long-term debt expenses for Bristol County Agricultural High School students where applicable.

	<u>FY'21</u>	<u>FY'22</u>	<u>FY'23</u>	<u>FY'24</u>
Marion	\$6,301,167	\$6,456,815	\$6,561,086	\$6,666,193
Mattapoissett	\$7,357,475	\$7,511,872	\$7,646,778	\$7,842,346
Rochester	\$6,609,831	\$6,798,275	\$7,065,014	\$7,025,493

**Old Rochester Regional School District
(Grades 7-12 Program)**

Grants

	<u>FY'21</u>	<u>FY'22</u>	<u>FY'23</u>	<u>FY'24</u>
Federal and State Entitlements	\$1,410,874	\$3,087,836	\$1,020,794	\$1,148,974
Federal and State Competitive	\$47,689	\$389,652	\$1,315,009	\$754,544
Federal Targeted	\$0	\$0	\$55,185	\$120,413
Private Grants	\$9,675	\$33,572	\$28,113	\$19,067

Each fiscal year the Old Rochester Regional School District and Massachusetts Superintendency Union #55 receive awarded grant funding that are identified in various grant categories. These categories are recognized as Entitlement (or Allocation) and Competitive and Targeted grants, which are received from Federal, State or Private Sources.

Entitlement grants are funds allocated to school districts from federal or state sources based on predetermined criteria such as demographics, economic indicators, income or specific characteristics. Recipients of entitlement grants automatically qualify for the funding without having to compete with others through an application process. These grants are often distributed to meet the needs of a particular group or population, and eligibility is typically determined by meeting specific criteria set by the grantor and are less competitive than that of competitive grants. Examples of these grants awarded are the Individuals with Disabilities Education Act for \$742,897, Title I Part A for \$170,179, or the Individuals with Disabilities Education Act - Early Education and Care grant for \$18,425 are included in the \$1,148,973 total shown in the table above.

Competitive grants are funds provided by governments, foundations, or other organizations through a competitive application process. In this model, multiple individuals or entities submit proposals or applications for a specific project or program, and the grant is awarded to the most deserving or promising proposal. The selection criteria often include factors such as the feasibility of the project, the qualifications of the applicant, and the potential impact of the proposed initiative. Competitive grants are intended to encourage innovation, efficiency, and effectiveness by fostering healthy competition among applicants. Examples of these grants awarded are the Math Acceleration Academies for \$250,000, High Quality Instructional Materials for \$187,076, and Coordinated Family and Community Engagement for \$75,468. These grants are included in the \$754,544 total shown in the table above.

Targeted grants are designed to address specific issues or target particular populations or regions. These grants are distributed to meet the unique needs of a defined group or to support initiatives that align with specific goals. The focus is on achieving specific outcomes or addressing particular challenges within the identified target area or population. Examples of these grants awarded are CTE Secondary and Postsecondary Programs — Perkins Reserve for \$5,000 and Rural Energy for America Program for \$53,201. These grants are included in the \$120,413 total shown in the table above.

Private grants refer to financial assistance or funding provided by non-governmental entities, typically private foundations, corporations, or individual donors. These play a significant role in supporting a wide range of initiatives and organizations, contributing to positive social, environmental, and cultural impact. Private grants are derived from the resources of private entities or individuals. Examples of agencies

providing these grants awards are the Tri-Town Foundation, Boston College and the Cape Cod 5. These source type of grants received total \$19,067.

The following are some of the Federal and State Competitive Grants from one-time funding received in Fiscal Year 2024 that may not be available next fiscal year:

Safe and Supportive Schools Continuation Grant are to ensure that each school creates a safe, positive, healthy, culturally responsive, equitable, and inclusive whole-school learning environment, and makes effective use of a system for integrating services and aligning initiatives that promote students' behavioral health and wellness.

Development and Expansion of High Quality Summer Learning Grant is to fund supporting the development of a new summer program or the expansion of an existing summer program by adding more students and/or types of programming/time with evidence/research-based programming with a focus on academic and social-emotional learning opportunities. The program should offer engaging and interactive programming, including enrichment and recreation activities, that will excite and motivate students to attend, build relationships and promote youth voice, while creating a culturally responsive and welcoming environment that leverages the knowledge, strengths, and assets of students, families, educators and the community.

Math Acceleration Academies Grant is to fund the continuation of implementation of the Acceleration Academy model with fidelity and funds must be used for in-person Acceleration Academy programming. The majority of funds involve engaging, collaborative and hands-on learning experiences where students apply their mathematical knowledge and skills to real-world problems and focus on mastery (conceptual understanding and fluency) of a limited number of grade level or above grade level standards (depth, not breadth).

High-Quality Instructional Materials Grant is to support districts to purchase new adoption of core instructional materials for mathematics, as well as initial professional development for educators to implement those materials. High-quality core curricular materials are for any grade, Kindergarten through grade 12.

Enrollment

The October 1st enrollment totals in the Old Rochester Regional School District and Massachusetts Superintendency Union #55 Districts are showing a fluctuation from year to year. Enrollment in Massachusetts public schools has fallen nearly 3 percent — or by roughly 24,000 students over the last five years. Our homeschool numbers are similar to numbers prior to COVID-19. In 2019, we reported 24 students districtwide. In 2020, we reported 92 students K-12 and in 2021 there were 31 students K-12 that were homeschooled. In 2022, 30 students in grades K-12 were homeschooled and in 2023, 35 students were homeschooled.

October 1 – Preschool through Grade 6

	<u>2022</u>	<u>2023</u>	<u>2024</u>
Sippican School	403	386	367
Center School	229	228	216
Old Hammondtown	189	168	146
Rochester Memorial	489	491	471

Although a high percentage of the elementary school students K-6 are enrolled in the Tri-Town Public Schools, there is some movement to independent and parochial schools from grade seven and a more significant movement to independent, parochial, and vocational schools, after the eighth grade. The

following chart captures trends in student transfers. The largest transfer trend is seen from Grade 8 to Grade 9 where some of our students opt to go into Vocational High Schools, such as Upper Cape Cod Technical High School, Old Colony Regional High School and Bristol County Agricultural High School.

	<u>2022</u>	<u>2023</u>	<u>2024</u>
Grade 7	212	181	201
Grade 8	178	215	181
Grade 9	134	134	150
Grade 12	151	136	134
Graduating Class*	192	168	152

* Graduating class figures are as of June 2024; other figures are as of October 1, 2024.

Union Agreements

During the 2023-2024 school year, the following agreements were negotiated and settled as follows:

- On September 30, 2024, the Rochester School Committee ratified an agreement with the Rochester Memorial Teachers' Association for a successor agreement to begin on September 1, 2024 through August 31, 2027.

2023-2024 Academic Performance

At Old Rochester Regional School District (ORRS) and MA Superintendency Union #55, we are very proud of our school community's efforts and achievement on the Massachusetts Comprehensive Assessment System (MCAS). The 2024 school year was the third year for the full MCAS administration since 2019.

Statewide, 2024 MCAS results and trends show a decline overall in English Language Arts (ELA) with fairly stable scores in math compared to last year. However, science scores improved across the state in grades 5 and 10, but not 8. The majority of our scores consistently trended above the state average in achievement and growth. As we look at our overall trends in ELA, math and science district-wide grades 3-12, our scores outperformed the state across the districts. The dedication and hard work of our students

and educators make a real difference in our district. These efforts are noticed, appreciated, and valued every day.

Although we are pleased with our scores, we pride ourselves on a continued effort to focus on the rigorous standards and ways to refine and enhance our teaching and learning to guide our instruction. We are extremely proud of our school community's achievement and success.

We continue to cultivate a sense of belonging and partnership with families and students creating rigorous instructional delivery and scaffolding to meet the learning needs of our students. At our local school committee meetings this past fall, the Assistant Superintendent of Teaching and Learning along with the Principals, conducted MCAS presentations on the scores and results.

The following data in this Annual Report discusses an overview of both MCAS and Accountability results. The MCAS results are for diagnostic and improvement purposes to support planning for the district and school buildings. The assessment is computer based and focuses on critical (independent) thinking abilities, application of knowledge, and ability to make connections between reading and writing. MCAS Achievement levels are broken down into four categories ranging in increments of 30 from 440-560. A score of 500 or above is considered "meeting expectation" and a score of 530 or above is "exceeding expectations" which are both passing scores. Scores under 500 are not considered a passing score in MCAS. These include the categories of "Partially Meeting Expectations" or "Not Meeting Expectations".

DESE has provided an accountability percentile for schools in the state of Massachusetts. An accountability percentile ranges between the numbers of 1 and 99. The percentile score is an indication of a school's overall performance relative to other schools with similar grades, and is calculated using multiple accountability indicators from contiguous years, such as MCAS data from 2023 & 2024. Although percentiles are calculated for schools, they are not calculated for districts. The table below shows an at-a-glance overall performance of each school according to these accountability measures. Overall, our schools performed well and are classified as "Not requiring assistance or intervention".

2023/2024 Accountability Percentile	
Schools	Overall Progress Toward Improvement Targets (%)
Rochester Memorial School	52%
Sippican School	31%
Mattapoisett (Old Hammondtown School and Center School)	90%
Old Rochester Regional Junior High School	36%
Old Rochester Regional High School	44%

In our school districts, we continue to improve learning by utilizing data, including MCAS and other assessments, to analyze, inform, and guide instructional strategies. We are proud of the persistent endurance and growth of our students, as well as the dedication and hard work of our teachers, staff and administrators. Further, cultivating a sense of belonging in addition to collaborating with families and students creates strong connections that support and enhance the educational experience for our students. Each school's individual MCAS performance is discussed further in this report.

Rochester Memorial School Performance

Rochester Memorial School is made up of pre-k through grade 6 students. Rochester Memorial School students continue to perform at a high level in all subjects.

Students at Rochester Memorial School in grades 3 through 6 achieved an average standard score very close or above the 500-threshold consisting of 504 for grade 3, 493 for grade 4, 499 for grade 5 and 492 for grade 6 in ELA. The school performed 6% better than the state average in ELA.

Average math scaled scores for Rochester Memorial School students were 512 for grade 3, 492 for grade 4, 497 for grade 5 and 502 for grade 6. The school performed 5% better than the state average in math.

The grade 5 average score was 505 in science. Grade 5 is the only elementary grade that takes the science MCAS. The school performed 14% better than the state average in science.

The table below describes the 2024 performance by grade at Rochester Memorial School.

Old Rochester Regional High School SAT Performance

A total of 148 SAT exams were taken by students during the 2023-2024 school year. The Mean Score for Evidence-Based Reading and Writing was 590 which outperformed averages at both the state (574) and national (536) levels. In Math, the mean score for the district was 567, which outperformed the averages at both the state 564 and national 522 levels.

Advanced Placement Coursework

One hundred eighty-two students took advantage of the variety of Advancement Placements courses offered at Old Rochester Regional in the 2023-2024 academic year. These 182 students took a total of 329 AP exams, meaning many students took multiple AP courses at the same time. Many students chose to get a leg up on college level coursework while still in high school. AP exams are developed by the College Board. With a scoring system of 1 through 5 on the AP exam, if a student earns a 3, 4, or 5, many higher education institutions offer college credit. Students enter college with credits already earned, placing them ahead in their degree aspirations. We are proud that many students take multiple AP courses and exams while at the Old Rochester Regional High School.

With AP Scholar awards, the AP Program recognizes high school students who have demonstrated outstanding college level achievement through their performance on AP exams. The AP scholar designation is granted to students who receive scores of 3 or higher on three or more AP Exams. Old Rochester Regional High School had an impressive 95 students who earned this distinction. We are very

proud of the robust participation of our students in Advanced Placement courses. Below is a table of the AP Awards received.

ORR Students	AP Award	AP Criteria
20 Students	AP Scholar	Granted to students who receive scores of 3 or higher on three or more AP Exams
15 Students	AP Scholar with Honor	Granted to students who receive an average score of at least 3.25 on all AP Exams taken, and scores of 3 or higher on four or more of these exams
19 Students	AP Scholar with Distinction	Granted to students who receive an average score of at least 3.5 on all AP Exams taken, and scores of 3 or higher on five or more of these exams
10 Students	AP Capstone Diploma	Granted to students who earn scores of 3 or higher in AP Seminar and AP Research and on 4 additional AP Exams of their choosing.
9 Students	AP Seminar & Research Certificate	Granted to students who earn scores of 3 or higher in both AP Seminar and AP Research.

College and University Admissions

Old Rochester Regional School District students attained admissions at a variety of public and private institutions of higher education. The largest portion of Old Rochester Regional High School’s class of 2024 students, 21 students total, chose Bridgewater State University. Sixteen students chose the University of Massachusetts, Dartmouth as their choice of school. Thirteen students chose University of Massachusetts, Amherst and five students chose the University of New England. The top three choices were the most economically advantageous opportunities within close proximity to the Tri-Town.

The complete listing of colleges and universities the Class of 2024 attended is listed below:

- American University
- Bridgewater State University
- Bristol Community College
- Brown University
- Clemson University
- College of Charleston
- Curry College
- Dickinson College
- East Stroudsburg University

Emmanuel College
Endicott College

Vanessa Harvey– Assistant Principal
Lauren Millette—Director of Guidance

Our Towns

Our school serves three southeastern Massachusetts towns: Mattapoisett; Marion; and Rochester. All three towns have maintained their charm through careful and thoughtful community planning. Marion and Mattapoisett are quaint, close-knit seaside communities. Rochester has a more rural landscape surrounded by scenic farms, cranberry bogs, pine forests and freshwater ponds. Residents are proud of their school systems and have been very supportive in passing legislation to ensure its continued success.

Our School

The 2023-2024 school year featured a student body made up of 608 students, including 72 students attending Old Rochester Regional High School through the School Choice Program. Our student body resides in the communities of the Tri-Town: Marion, Mattapoisett, and Rochester. Through the School Choice Program, the school was able to welcome residents of the following communities to our school: Acushnet, Fairhaven, Lakeville, New Bedford, and Wareham.

The Class of 2024 saw 152 seniors graduate in June. These young scholars' hard work and determination will not stop there as they earned themselves 594 college acceptances to 149 universities and colleges across the country. In this graduating class, 70% of the students plan to attend a 4-year college, and 16% plan to attend a 2-year college. Two graduates will be entering the Armed Forces of the United States. Eleven graduates will enter the workforce/engage in apprenticeship. Forty-eight members of this graduating class were inducted into the National Honor Society, sixty-one graduates received the John and Abigail Adams Scholarship, and 55 received scholarships from various 132 state and local organizations.

Our Faculty

Of the 61 faculty members at ORRHS, 78% have their Master's degree and 3% have their Doctoral degree. The school has a 14.5 to 1 student-to-teacher ratio.

Accreditation

Principal of Old Rochester Regional High School in Mattapoisett, Massachusetts, Michael Devoll was pleased to report that the New England Association of Schools and Colleges, voted for continued accreditation for Old Rochester Regional High School at their April 2019 meeting. The New England Association of Schools and Colleges, founded in 1885, is the oldest accrediting agency in the country and is recognized by the U.S. Department of Education as a reliable agency to award accreditation to New England Schools. The Association is a voluntary accrediting agency of more than 2000 public and independent schools, colleges and universities, and vocational, technical, and career institutions. Of these, approximately 630 high schools, middle/high schools, and PreK-12 schools have been accredited through the Association's Commission on Public Schools.

Class of 2024

The Class of 2024 kicked off their senior year by having a fun outing at Ned's Point, complete with a catered lunch, aerial class photos, and lots of pictures, snacks, and memories. The class officers and senators worked closely with the Student Council to coordinate the annual Homecoming dance, class skit, and pep rally. As part of the tradition, the senior class decorated their hallway with Barbie-themed props and accessories and created an amazing Barbie skit with choreographed dances and music. Throughout the year, the class of 2024 ran multiple fundraisers, including a volleyball tournament, a cornhole tournament, a restaurant night at Captain and Walrus, and selling senior signs. In January, the senior class hosted the much-anticipated Senior Superlatives Night to benefit the senior class. Many memories were made as seniors "walked the red carpet" and accepted their awards in front of classmates, friends, and family members. The Class of 2024 started a new tradition by purchasing academic stoles for seniors to wear at graduation. They left these stoles to the class of

2025 as a class gift so that they could continue to carry on the tradition. The class also created the Emma Whittaker Memorial Scholarship in honor of their classmate. This was entirely student-driven, and working directly with the Whittaker family, they awarded thousands of dollars to graduating members of the Class of 2024. In May, seniors enjoyed the senior breakfast and senior picnic, hosted the first-ever senior field day, celebrated their accomplishments at the senior awards night, showcased their class's diverse talent at the senior assembly, and danced the night away at the senior prom at Lakeview Pavilion. In June, the class came together one last time as they graduated from Old Rochester, marking an end to their time here but the beginning of their next journeys.

Class of 2025

The Class of 2025 continuously pursued fundraising throughout the 2023–2024 academic year in preparation for upcoming senior activities. To begin the year, the class sold Bulldog umbrellas and insulated bags throughout the fall. Moving into the holiday season, the class organized a spike ball tournament during Bulldog Block. In February, the Krocodiloes were invited to perform in our auditorium, attracting a great turnout of students and parents. The spring was a busy time for student government. The class got to work planning their beach-themed semi and collecting donations from local businesses and families for their annual May Calendar Raffle. Both fundraisers turned out a great success! With senior year on the horizon, the Class of 2025 works diligently to raise funds, hoping to make their senior year affordable and stress-free.

Class of 2026

2023-2024 was an eventful year for the Class of 2026. Class officers worked hard to build unity and spirit. Knowing that the upcoming junior and senior years can be all the more memorable after building a strong base, there was a lot of effort spent on fundraising. Working collaboratively with area restaurants to sponsor dine-in nights and with DECA to sponsor the student-faculty basketball game, 2023-2024 accomplished exactly what the class hoped it would. New leaders became involved and with a new slate of officers elected for 2024-2025, the class of 2026 is excited about junior year.

AFS Club

The AFS Club has had an outstanding year, offering students meaningful intercultural experiences that align with its mission to empower young people as globally engaged citizens. Open to all students, the club encourages those with a passion for travel, meeting new people, and learning about diverse cultures to participate. This year, the club's activities have provided students with opportunities to broaden their perspectives, develop critical skills, and foster a deeper understanding of global interconnectedness.

In November, the AFS Club embarked on an exciting trip to New York City, where students explored the Metropolitan Museum of Art and Times Square. At the Met, students engaged with a wide array of art and history from around the world, enriching their understanding of global artistic contributions. The visit to Times Square offered students the chance to experience the vibrancy and cultural diversity of one of the world's most iconic urban settings. This trip was a powerful introduction to the value of cultural exploration.

The club's most significant undertaking this year was a cultural exchange program with Waterford HS in Wisconsin, which took place from March 14th to March 17th. Upon arriving in Milwaukee, students were warmly greeted by their hosts and quickly immersed in the daily life of a Waterford High School student. On March 15th, students attended classes alongside their host peers, shared breakfast and brunch together, and concluded the day with a pizza party and school game, providing a full experience of high school life in another community.

On March 16, the group traveled to Chicago, where they visited landmarks such as Navy Pier and Soldier Field, explored local shops, and enjoyed a potluck dinner that celebrated the exchange of cultural traditions. The trip ended on March 17th with a tour of Milwaukee's Capitol building, museums, and historic Third Ward, along with a visit to American Family Field before departing. This exchange offered students a unique opportunity to learn about Midwestern culture, form lasting friendships, and reflect on their shared experiences.

In March, our students hosted Waterford High School's AFS Club members at Old Rochester. The program included tours of Boston's North End and Old North Church, a Duck Boat tour through the city, and visits to Newport, Providence, and Brown University. This hosting experience allowed students to showcase the rich history and culture of New England while building connections with their peers from Wisconsin.

Through these activities, the AFS Club has achieved remarkable success in fostering cultural understanding and personal growth among its members. Students have developed valuable skills in leadership, communication, and collaboration while gaining firsthand experience of different lifestyles and perspectives. These experiences have not only enriched the participating students but have also contributed to a more inclusive and culturally aware school community.

Looking ahead, the AFS Club plans to expand participation, offer more intercultural events, and secure additional funding to ensure accessibility for all students. This year's accomplishments demonstrate the profound impact of the AFS Club in preparing students for a globally connected future, and we look forward to continuing its success in the years to come.

Art Department

The art department participated in a variety of events and initiatives both inside the classroom and out in the community during the 2023-24 school year.

- **Art Contests and Recognition:** Students participated in the EYA Scholastics and TTAR contests and art shows, Doodle for Google, and the Congressional Art Show. Tyler Chick was awarded the Priscilla Hathaway Scholarship in Art.
- **Annual Art Show:** The 13th annual AP Art and Honors Art III Show & Reception will take place on May 23, 2024, celebrating the culmination of students' creative work.
- **Ceramic Exhibitions:** Ceramics I and II students showcased their ceramic masks at the Benjamin Cushing Senior Center in Marion.
- **Mug Celebration:** Ceramics students crafted mugs and participated in the annual Mug Celebration.
- **Community Outreach: Memory Project:** Students in AP Art, Honors Art III, and Art II classes created portraits for the global Memory Project initiative connecting to underprivileged kids in Columbia

These activities reflect the department's commitment to artistic excellence, community engagement, and providing meaningful opportunities for students to share their work beyond the classroom.

Athletics

The 2023 athletic year served 71% of our students, including some 8th-grade students participating on waivers. The program offered 24 Varsity teams, and 16 JV and Freshman level teams, providing a place for 455 individual athletes to compete throughout the year. The Bulldogs were South Coast Conference champions 11 times- in Football, Volleyball, Boys Cross Country, Girls Cross Country, Golf, Boys Basketball, Boys Indoor Track, Girls Indoor Track, Girls Lacrosse, Boys Outdoor Track, and Girls Tennis. Every Bulldog team produced at least one South Coast Conference All Star, including MVP recognition in 4 sports.

In the 15 sports offering Statewide Tournament competition through the MIAA, the Bulldogs qualified in 12 of them. In the fall season, the golf team led the charge and finished 5th in the state for Division 2. Boys and girls soccer both hosted and won Preliminary round games, while football and volleyball each reached the Elite 8 in their respective tournaments. In the winter, girls basketball and ice hockey reached the sweet 16 and the Boys Basketball team went on a deep run, finishing as runners up in the Division 3 State Championship game. Spring was fruitful for lacrosse and tennis teams, with girls tennis making it all the way to the elite 8.

Individual accomplishments were numerous but were punctuated by performances from Peter le Gassick who tied for 6th place in the Division 2 statewide Golf tournament, and Neva Mattos who held court and won the

SCC Individual Tennis tournament. School Records were broken by Sam Raynor (Swim) and Wes Archelus (Track).

Excellence was everywhere for the Bulldogs in 2023, and in every sense of the word. The dedication to team, school, and community could be felt through the support our teams received from the Dog Pound, everywhere we went. Perfection was on the table for one team as well - Unified Basketball finished their year in front of a packed house, defeating the Tri-Town police in runaway fashion to bring their season record to a perfect 9-0. 2023 was truly a great year to be a Bulldog!

Board Game Club

The Board Game Club has continued to thrive again this school year. Rachel Tse has continued to lead the group each Thursday in various board game activities, including Jenga, Uno, and others. Students are encouraged to bring any game of interest and play. The club has become a well-attended event by students, who want to not only play board games but hang with their friends who have similar interests.

Community Service Learning

The CSL club offers yearly volunteer opportunities and always enjoys adding new ones so students can participate on their own. The club meets once a week after school. The CSL Club co-advisors Karen Browning and Andrea Moniz help to advise students as they take on student leadership roles on projects that are new and ongoing.

For the 7th year, the CSL Club collected new socks for their "SOCKTOBER" event in October and the socks were donated to The Women's Center in New Bedford. As October came to a close, Emerson Gonet organized our first successful drive collecting items for the Veterans Transition Home in New Bedford. She collaborated for the first time with the Junior High "Student Affairs Committee (SAC)" led by Science teacher Lauren O'Brien.

In December, the CSL Club turned its focus to our December group event in collaboration with Toys for Tots and the Tri-Town police departments, for our "Stuff a Cruiser" event. Our school resource officers as well as other officers from the Tri-Town joined us as we were able to collect many toys for local children. We were fortunate to have a visit by Santa Claus too! We appreciate the generosity of our Tri-Town residents. Students also acted as guides and greeters at the Marion Women's Club Holiday House Tour. They had a lot of fun at the event and represented ORRHS well.

Among these group volunteer activities, CSL has had several individual volunteer opportunities brought to the group by students and led by students, such as volunteering on weekends at Damien's Pantry and at Gifts to Give.

The CSL Club has also been informed of opportunities brought from the community; students have volunteered their time with the Mattapoisett Land Trust (story walks), The Friends of the Mattapoisett Bike Path (Tour de Creme bike ride and "Bikes for All" program) where Emily Wyman is a student representative on the board and with the Friends of the Mattapoisett Library (jewelry sale, shelving books, and used book sales). For our fourth year, the CSL Club has continued a wonderful connection with VASE from Sippican School in Marion volunteering in the After Class Enrichment (ACE) Homework Help.

We are very excited about three new events that our student leaders initiated on their own. The first was assisting at the East Over Farm for the Buzzards Bay Bike Ride in October. We also collaborated with the Sippican School Sixth Grade "Kindness Crew" for the first time with two other student initiated events: "One Warm Coat Project" (coats were donated to Gifts to Give), and a children's book drive for the "Women United Wash and Read Program" (books donated to local laundromats.)

The club has also spent time during Bulldog block, with a school-wide beautification inside and outside (trash pick up as well as caring for indoor plants in the lobby, pruning branches and mulching in the memorial gardens).

We capped off our successful year in May of 2024 by honoring students at awards nights. These students submitted their community service hours that earned them the “President’s Volunteer Service Award”, where students earn either a gold, silver, or bronze medallion medal depending on their age and the number of their volunteer hours (from 50 to over 250), along with a signed letter and certificate from the President of the United States, thanking them for their service. This year, eight Gold Awards, two Silver awards and ten Bronze awards were handed out.

Debate Team

The Old Rochester Regional High School Debate Team had a successful year in 2023-24 within the Eastern Massachusetts Debate League (EMDL). ORR hosted a Tournament, and the Debate Team travelled to Hingham, New Bedford High, Bishop Stand and the finals were held at Bridgewater-Raynham Regional High School.

During the 2023-24 season, the debaters argued the following resolution: Resolved: The United States federal government should substantially increase fiscal redistribution in the United States by adopting a federal jobs guarantee, expanding Social Security, and/or providing a basic income.

Strong debate performances were made by seniors Eva Hartley, Jacob Hadley, Jamison Gunschel and Theo Jacobsen. The Old Rochester Regional Varsity Affirmative Debate Team was the highest-ranked four-person team in the league in the Eastern Massachusetts Debate League. Jacob Hadley was one of the highest affirmative speakers in the league. Alden Cole-Viera was a top Varsity Negative Speaker. Novice Debaters Olivia Thompson, Catherine Sylvia-Everett, Zach Riggs Angela Thompson and Lucas Pierre had a highly ranked novice season.

ORR Novice Affirmative 1st place
ORR Novice Four Person Team 2nd Place
Angela Palmer 3rd Novice Negative Speaker
Alden Cole-Viera Varsity Negative 5th speaker
ORR Varsity A Negative 4th
Jamison Gunschel 3rd Varsity Affirmative Speaker
ORR A Varsity Affirmative 2nd Place
ORR Varsity Four Person Team 2nd Place
Jacob Hadley 2nd Varsity Affirmative Speaker
Eva Hartley 4th place Varsity Affirmative Speaker
Theo Jacobsen 10th Varsity Negative Speaker

In 2023-24 the Debate Team is arguing the following resolution: Resolved: The United States federal government should significantly strengthen its protection of domestic intellectual property rights in copyrights, patents, and/or trademarks.

DECA

ORR DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality, and management. DECA is open to all students who want to know more about business and the professional world, as well as those who simply enjoy traveling and meeting new people. The 23-24 school year was a great one for DECA, as our club welcomed many new members and achieved competitive success. In January 2024, we traveled to Hyannis for our first competitive conference of the year. Our students competed very strongly, with approximately 75% of our club advancing to the next level of competition—the State Career Development Conference (SCDC) in Boston. At SCDC, our members once again found great success, with several placing within the top 10 spots for their categories. This was significant, because our members were

competing with students from schools across all of Massachusetts and were sometimes going up against 30+ participants. Beyond competitions, we participated in two large fundraisers. The first was a calendar raffle that we teamed up with AFS to offer during the month of December. The second was a candy gram for Valentine's day. These fundraisers helped build a sense of community within DECA.

Drama Club

During the 2023-2024 school year, the ORR Drama Club put on two stage performances. In the fall, we performed the classic *Romeo & Juliet* from November 16th - November 19th. With approximately 50 students involved in the production, it was a fantastic experience for the students. In the spring, we performed *Little Shop of Horrors* from March 21st - March 24th. With over 60 students in the production, we were able to put on a show that several school staff members and administrators hailed as one of the best ORR productions they had ever seen. Within the musical we had local musicians serving in the pit band during all four performances. All ORRHS Drama Club performances were well attended and had many returning tri-town community members. For both the fall and spring, the Drama Club was able to host a Senior Citizens show on the Wednesday of tech week. These shows were well attended by the local community and brought in donations for the local food bank. The Drama Club performs *Noises Off* in the fall of 2024, and both *God of Carnage* and *The Drowsy Chaperone* in spring of 2025.

ESports

ESports had been meeting once a week after school. Students compete in various electronic games such as Super Smash Bros, Mario Kart, Mario Party and Just Dance. They play these games using the Nintendo Switch gaming console. The students have been competing against each other. We have increased to 3 promethean boards for students to participate in. We average about 10 students a week and all four grades are represented. Typically, students play video games on their own at home. At ESports we encourage students to interact, support one another, and learn from each other as they compete in these games.

GSA

The ORRHS GSA had a very successful year advocating for education in our district to create a more inclusive community. Throughout the year, the GSA fostered conversations about community care by prioritizing mental health discussions and welcomed school community members to meetings to continue conversations about what is affecting our students.

Knit OR Crochet Club

The Knit OR Crochet Club welcomed many new members of varying skill levels after the Club Hub event in the fall of 2024. During Friday bulldog blocks, beginners were taught how to crochet and began working on their first project: headbands/ear warmers. Yarn and crochet hooks were provided. The projects were turned in on November 15th, on the school-wide service day. Students wrapped the projects to be donated to the New Bedford Women's Shelter; the students were happy to donate ten blankets, eighteen headbands, six hats, and two stuffed animals.

The next project was started - cat stuffed animals. These are going to be donated for younger children. Ms. Kennedy reached out to the club and informed us that there is a need for hats and gloves in children's sizes in early education, so we have been working on those. Students are looking forward to making more projects to continue with our goal: To keep everyone warm in the winter months.

Mock Trial

The Mock Trial club participated in in-person competitions in January and February while competing in turn as both the prosecution and defense in a simulated criminal case involving a suspected burglary. Senior Ella Caesar and sophomore Alex Fiano returned and gave strong performances as attorneys. Sophomore Austin Scully and freshman Nicole Montealegre Mitrofanova also performed strongly in attorney roles, and the team was joined by seniors Liam Yurof and Mars Castro-Colaj, and freshman Catherine Sylvia-Everett in the witness roles. All students performed incredibly well, showing great skill and adaptability throughout the

season. This year once again marked one of the strongest overall performances by the team in recent memory, while just missing advancement to playoff competition with a 2-1 record.

Music

The Music department closed out their 23-24 school year with fantastic performances across the board. In March of 2024 we had an outstanding number of participants and audience members for the annual FORM Chorus and Instrumental Concerts. The Night of Jazz had great attendance this year as FORM helped in obtaining free tickets to a local group to come in and support the students. The Chorus this year was just 1 point shy from receiving platinum at the Great East Festival holding onto a gold trophy much like the Concert Band. The spring concert was well attended and received, showcasing some of the graduating seniors for their last performance. This year was a large year in terms of graduates as the music department had 20 students graduate!

Newspaper: Paw Prints

Our Paw Prints student newspaper has welcomed several new members over the course of the previous year. Our editor is in the process of passing the torch to some of our younger contributors. For the first time in a while, we've managed to put a dedicated sportswriter in place who has put in lots of time interviewing captains from a variety of sports teams. Additionally, we have been able to use some Sophomore project-based writing to supplement the work produced by the regular staff.

National Honor Society

A large and dedicated group represented NHS during the 2023-2024 school year. Our tutors worked with students online and in person to deliver instruction in all subjects and at all levels to boost student confidence and achievement. Through one-on-one tutoring and after-school programs, our tutors made a real difference in the Old Rochester community. In addition to our tutoring program, our members served throughout the tri-town community on various projects and initiatives throughout the year. In the fall, three teams of students interviewed residents from the Sippican Healthcare Center and completed memoirs that they delivered to the residents for the holiday season. Our Literacy Initiative was busy promoting reading with both fall and spring poetry events as well as a school-wide read. The Great Gatsby Readathon, held in March, was a day-long event with food, games, photos, and fun for the entire building. Our community outreach initiative kicked off our first Trivia Night, and our Positivity Initiative worked diligently on an alumni project to be completed during the 2024-2025 school year. Many of our members worked with local land trusts on inspections and upkeep. In March, eight of our members competed in and won the SCC Honor Bowl with a 420-point victory. In April, five of our members were honored at the SCC Academic All-Star Banquet as the top graduating students of the senior class. In May, many of our members volunteered in the New Bedford United Way Youth Day of Caring alongside newly inducted members. It was a productive year of service on campus and in our community.

Sci Fi and Strategy Club

This year marked additional growth for the Science Fiction Club and our core group of upperclassmen continue to improve as mentors and role models for new members. Our student leaders continue to make the club open and welcoming to all new members. There are both group and individual activities to meet the needs of each member; we also offer bi-monthly game nights for longer-form Sci-Fi gaming that we are unable to complete during weekly after school meetings.

Student Council

During the 2023-2024 school year, Student Council (STUCO) continued in its mission to promote positive school spirit and support students and activities within the school community. STUCO started the school year by organizing and running elections for the class of 2027. In September, STUCO hosted the annual Club Hub in the cafeteria for the whole school, awarding cash awards to four different clubs for their enthusiasm, demonstration of school spirit, and recruitment of new members. In October, STUCO E-Board, senators, and class officers attended a leadership training/ropes course at Tree Top Adventure. STUCO once again

collaborated with the Community Service Learning Club and their Socktober sock drive while organizing and hosting a much-anticipated and well-attended “Evening in Paris” Homecoming Dance.

From the proceeds raised through the Homecoming ticket sales, STUCO was able to assist various clubs and organizations fund activities and initiatives throughout the school year. Clubs and classes that received funding from STUCO in the 2023-2024 school year included:

- Community Service Learning Club
- Bulldog Pride Club
- Drama Club
- Music Appreciation Club
- Tea Club
- AFS
- DECA
- Class of 2027
- Knitting & Crochet Club
- Science Olympiad
- ORR Transition Program

STUCO remained busy throughout the year, including raising over \$1300 for the annual fundraiser for neediest families and hosting the end-of-year ice cream social for the entire school in December. In February, STUCO members performed random acts of kindness throughout the school community during kindness week and collaborated with the Transition Program to provide hot chocolate for the entire student body. STUCO hosted the traditional Class Olympics before February break. At the end of the month, STUCO traveled to the State House in Boston to have a private audience and tour with Michael Rodrigues, State Senator for the First Bristol and Plymouth District of the Commonwealth of Massachusetts.

The year culminated with STUCO awarding the annual STUCO “Unsung Hero” Scholarships to two very deserving seniors from the Class of 2024, who each received a one-time scholarship of \$500.

All in all, it was another productive year of student leadership development, community service and giving back to the school community.

Technology and Engineering

This year marked significant growth for the engineering program. The addition of two high-speed 3D printers and a laser cutter has equipped our students with state-of-the-art technology. This investment has enhanced our ability to provide hands-on, real-world experiences. Additionally, we introduced an Introduction to Electronics program, focusing on electronic tools, circuits, and microcontrollers. The robotics curriculum was realigned to incorporate these new technologies. To further expand our offerings, we added a fourth-level architectural design class focused on the industry-standard software, Revit. These advancements have elevated our program and provided students with a comprehensive engineering education.

Unified Activities

Unified programs at ORRHS bring students of all abilities together to foster inclusion, teamwork, and friendship. Throughout the 2023-2024 school year, these programs offered opportunities for participation in sports and activities such as Unified Sports, Unified PE, and Unified Bulldogs Club. The Unified Basketball team was undefeated in the 2023 season and raised over \$3,000 for the program at the annual Unified vs. Tri-Town Police basketball game. Athletes participated in the school’s first ever season of Unified Strength and Conditioning. During this six week program, athletes participated in various fitness activities, with the goal of improving their overall confidence and physical fitness. ORR was awarded a third place medal by the Special Olympics for their success during this program. Unified Track had a great season, and qualified athletes participated in the State Championship at Natick High School. Unified PE ran both semesters, and promotes collaboration, skill-building, and wellness in an inclusive classroom setting. Beyond athletics, Unified Bulldogs Club offered a space for social connection, leadership development, and community building. These programs create a welcoming, inclusive school culture where every student can thrive.

Once again, the Old Rochester Regional High School proved to be first-class and continued the school's history of excellence. Students and staff congratulated the following staff members for their work at ORRHS as they moved on at the close of the school year: Elizabeth Andrews, Mike Barnicle, Janet Gauvin, Melanie Kellum, MJ Linane, and Shirley O'Connor.

Respectfully submitted,

Michael Devoll
Principal

Old Rochester Regional Junior High School

Enrollment:

- The school year began with a total enrollment of 433, with 35 students attending via school choice.
- By October, enrollment was 432, with 35 school choice students. This number remained consistent through February and March.
- By April, enrollment decreased slightly to 428, with the number of school choice students increasing to 36.

Staffing:

Retirements:

- Kate Souza - Paraprofessional
- Carol Regan - Guidance Secretary
- Mary Caine - Special Education Teacher
- Karen Horan - Physical Education Teacher
- Donna Kirk - Special Education Secretary

Resignations:

- Collin Melo - Paraprofessional
- Shane DeSousa - Paraprofessional
- Darren Gray - Paraprofessional
- Amy MacDonald - Paraprofessional
- Brittany DeMedeiros – Paraprofessional
- Liam MacCurtain – Paraprofessional

Change of Positions:

- Mike Bean transitioned from the ISP classroom to become the Grade 8 Green Team Special Education teacher.

New Hires:

- Carolyn Ross – ISP Special Education Teacher
- Laurie Cunningham – Paraprofessional
- Brittany DeMedeiros – Paraprofessional
- Liam MacCurtain – Paraprofessional
- Caroline Murphy – Paraprofessional
- Stephanie Ferreira – Paraprofessional
- Leslie Halnen – Special Education Secretary

Academics and Instruction:

- Piloted hybrid 8 mod and 4 mod schedule with directed studies and RTI.
- 8th Grade Civics teachers piloted the new 8th Grade Civics and Government MCAS assessment.

- 8th Grade Civics teachers continue to improve upon their year end student PBL civics projects.
- 7th grade social studies teachers participated in professional development in the “Investigating History” curriculum.
- OpenSciEd science units completed their second year in grades 7 and 8.
- Multiple Aimsweb+ and IXL benchmark assessments were conducted.
- Character Counts lessons implemented in Advisory.
- Continued Curriculum Review Cycle in all departments.
- Active member representation in the District Instructional Council.
- Pathways Team was established and began implementation of the MTSS approach to academic supports.
- Increased cyber-security.
- Provided ELA+ and Math+ to students in need of additional ELA and Math instruction.
- Math teachers participated in Amplify Math curriculum presentation for possible adoption.

Student Life - Clubs and Activities:

- After School Activities Offered:
 - Jazz Band/Band
 - Crochet & Knitting Club
 - GSA Club
 - Ski Club
 - Drama Club
 - School Store
 - Ping Pong
 - Student Council
 - Jr. Ambassador’s Club
- Interscholastic Sport(s):
 - Boys/Girls Cross Country
- Sport Clinics:
 - Boys Basketball
 - Girls Basketball
 - Field Hockey
 - Football
 - Girls Soccer
 - Boys Soccer
 - Volleyball

Grade 8 students were eligible to participate in sports at the high school level in:

- JV Boys and Girls Soccer
- Dance Team
- Girls Basketball
- Swim Team
- Freshman Football

The Life Skills students participated in Unified Sports Day at Tabor Academy.

Professional Development:

- On August 29, 2023, junior high school educators participated in a full-day professional development. They began by unpacking the Curriculum Review Cycle, collaborating on curriculum recalibration, and completing a Google form with their teams. They also had department PLC time to discuss curriculum, instruction, and assessment. In the afternoon, they attended a session on artificial intelligence (AI) in public education, exploring AI's potential and challenges and experimenting with AI tools.
- On September 27, 2023, junior high educators participated in a half-day professional development. They focused on connecting standards, curriculum, and lessons, using the Curriculum Review Cycle (CRC) and ATLAS to identify curricular needs. They also created a lesson using AI, drawing on what they learned in the previous PD session on AI.
- On September 27, 2023, library media specialists worked to examine and update websites, and met in a PLC to discuss and decide on what a common website will look like across all districts and grades, and what the "must haves" are.
- On November 7, 2023, junior high educators, including those from the high school, focused on departmental curriculum review PLCs and the Project 351 Playbook Initiative.
- On November 7, 2023, junior high special education teachers and SLPs (speech language pathologists) participated in a liaison collaboration session, then joined the Project 351 Playbook Initiative, followed by a transition/vertical planning meeting and a session on the new IEP.
- On November 7, 2023, secondary library media specialists worked on PLC to align and update library websites, learning about SORA and Canva.
- On January 31, 2024, junior high educators had a half-day professional development, with several options for the first hour. These options included: an Introduction to Character Strong, focusing on lesson structure and topics; a session on Responsive Classroom Proactive Discipline, covering behavior logs and reinforcing language; and a session on supporting Positive Behavior with Technology, using E-Hall Pass and GoGuardian features. Following this, junior high staff participated in a Two Trusted Adults Exercise: Relationship Mapping to identify students who need a positive relationship with an adult in school, and to pair staff with those students. Additionally, 7th and 8th grade science teachers engaged in a session focused on unpacking the OpenSciEd curriculum. On March 6, 2024, junior high educators, specialists, and paraprofessionals participated in a half-day professional development focused on Multi-Tiered Systems of Support (MTSS), defining MTSS, identifying successful parts already in place, and areas of need. They also had a session on staying positive while managing challenging students. Junior high science educators continued to unpack the OpenSciEd curriculum.

Title 1 Information:

- The Junior high supported 73 students with Title 1 Math Supports.

Community Engagement and Service:

- Student Affairs Committee (SAC) Activities:
 - The SAC, advised by Lauren O'Brien, collaborated with the high school on a Veteran's Drive for the Veterans Transition Home in New Bedford. Items collected included: soap, shampoo, toothpaste, toothbrushes, deodorant, t-shirts, undershirts, boxers, sweats, pillows, and pillowcases.
 - The SAC partnered with the Tri-Town Schools Care Team and collected 696 non-perishable items for local families facing food insecurity.

- The SAC held a book drive and collected over 720 gently used books. The books were donated to the Mattapoissett Town Library.
- The SAC partnered with All About the Animals to collect items for kittens. Needed items included: cat food (wet/dry), kitty litter, paper towels, HE laundry detergent, Lysol spray, and postage stamps.
- The 30th Annual Tri-Town Senior Citizen Thanksgiving Dinner took place after a three-year hiatus. Over 270 in person and homebound senior citizens were served. Students, staff, cafeteria volunteers, parents, and local businesses contributed to the event's success.
- Project 351 Ambassadors:
 - James Devoll (Marion), Sadie Hartley-Matteson (Rochester), and Zoe Motta (Mattapoissett) represented our school. These three Ambassadors attended a launch and service day at the John F. Kennedy Presidential Library on January 13, 2024; met Governor Wu; and, participated in a food drive community service in Boston to benefit the Good Shepherd's Food Pantry. In addition the Ambassadors facilitated a local clothing drive in partnership with Cradles to Crayon.
- Eighth-grade Green Team students volunteered at Gifts to Give in New Bedford during a field trip.
- A school-wide winter coat drive was held in collaboration with the high school.

School Events and Initiatives:

- Fundraiser:
 - The Booster Bash Fundraiser kick-off assembly took place on September 9. This is our annual fundraiser to support activities. Funds are used for guest speakers, field trips, student supplies, student's activities, etc. Total funds raised: \$12,948. A special "thank you" to all our parents, relatives and friends of our JHS students/community who made this fundraiser such a success and to Karen Horan, Physical Education Teacher, for her leadership and extra hours put in to ensure the campaign went off without a hitch. All events were organized; the nightly challenges were followed-up on; and, the daily prizes were distributed. Ms. Horan reached out to local businesses seeking t-shirt sponsors, and every student and staff member had a team color ORR t-shirt to wear. We could not have done this without everyone's assistance.
- Assemblies and Presentations:
 - Grade 7 Survival and SCOPE assemblies were held on February 15 and 16. Ninety (90) students participated in Survival with the remainder of Grade 7 students participating in SCOPE activities.
 - Katie Greer gave a Community Presentation on internet safety and cyberbullying at the Old Rochester Regional High School Auditorium from 6:00 pm to 7:00 pm on March 25.
 - Guest Speaker Chris Herren spoke before the student body regarding substance abuse
 - Old Colony Regional Vocational Tech High School met with Grade 7 students for the first time and gave a presentation on what Old Colony has to offer.
 - The annual Grade 8 Jury Presentation took place.
 - In October a school-wide Live Stream Reading and Book Talk Assembly by Newbery Award Winning Author: Kwame Alexander - author of *The Crossover* took place.
- Testing:
 - AIMSWEB assessments were conducted in February.
 - NAEP testing for selected grade 8 students took place in February.
 - MCAS was administered - ELA Grades 7 & 8; Math Grades 7 & 8; Civics Grade 8; and Science Grade 8.

- SBIRT (Screening, Brief Intervention, and Referral to Treatment) screenings were conducted for Grade 7 students on March 27. Parents had the option to opt their child out of this screening.
- Other Events and Initiatives:
 - Parent Q&A sessions were held for incoming 7th grade parents.
 - The school held an Open House for parents and guardians to follow their child's schedule and listen to a brief presentation from their teachers on September 7. Student schedules were emailed to parents prior to the Open House.
 - Piloted the use of a Yondr Pouch - secure cell phone pouch.
 - Students participated in the Annual Music Festival at New Bedford High School on March 8 and 9. Under the direction of Mrs. Angie Vaughn (Chorus Teacher) - the following students participated in Mixed Chorus: Isabella Perez-Dormitzer and Erin Root; under the direction of Mr. Richard Laprise (Band Teacher) - the following students participated - Brianna Cabral, Clarinet; Mara Donnelly, Flute; Joshua Marcolini, Tenor Saxophone; Rebecca Schaefer, Trumpet.
 - The annual Spelling Bee (run by Mr. Daniel McEvoy-Grade 7 Social Studies Teacher) took place on January 26. Results: 3rd Place: Madelyn Sivil; Runner-Up/2nd Place - Charlie Bonney; First Place (spelling every word correct along the way) Sydney Benard.
 - The school partnered with the Mattapoisett Police and School Resource Officers, Jr. Cardoso and Laneira Lima to train staff and students in the A.L.I.C.E. program. (enhanced lockdown for school intruder emergencies).
 - The Drama Production- "Romeo & Winifred", directed by: Kate Fisherman took place. Leads were: Romeo - Ben Graham; Winifred - Keira Cant; Co-stars - Erin Root as Friar Tuck and Ava LaPointe as Mercutio - in total 30 actors and behind the scenes an additional 8, including the state manager, Allison Alford. A special "thank you" to Mrs. Beth Faria (JHS Spanish Teacher) and Cat Nunes (Sr. at ORR High School) for donating their time at the rehearsals to make this performance such a success!
 - Students attended the FORM Choral Concert on March 5; 31 students performed under the direction of Mrs. Vaughn.
 - Parents supported Teacher Appreciation Day.
 - Holiday Concert/Spring Concert and the FORM Instrumental Concert were held; 34 Grade 7 students and 49 Grade 8 students performed under the direction of Mr. Laprise.
 - The school held Showcase Night, which included a school-wide art show, academic projects, and live music.
 - The school maintained its summer reading program for grades 7 and 8. Students chose at least one book from a selection of fiction and non-fiction titles.
 - The school continued the ORRJHS Student Junior Ambassador Program. The Junior Ambassadors attended the "YOU LEAD" student leadership conference.
 - The school held its 8th Grade Dinner Dance - a special "Thank You" to Mrs. Sue Modlowski, Paraprofessional who made this event special.
 - The school held its 2nd Annual 8th Grade Awards & Promotion Ceremony.
 - The school held its 2nd Annual 8th Grade Breakfast.
 - The school conducted the "Hour of Code".

- Grade 8 Transition:
 - In October, Grade 8 students participated in visits to Old Colony RVTHS; Upper Cape Cod VTHS and ORR High School.
 - Grade 8 students attended a meeting at the high school about high school course selection on January 26.
 - Eighth-grade students made their high school course selections via Google Form on March 8, 2024.
- Field Trips:
 - The Life Skills classroom joined the High School Life Skills students on a field trip to Wonderbowl on February 9.
 - The Life Skills classroom joined the High School Life Skills students on a field trip to the Picture Show @ Southcoast in November.
 - Grade 8 Orange Team went on their annual field trip to the Patriot Place in November.
 - The Life Skills classroom joined the High School Life Skills students on a field trip to the Zeiterion Theatre to see the "360 All-Stars School Time" performance in March - this was a community based instruction and promotes the use of academic and functional skills in a students' natural environment.
 - Grade 8 Green Team went on their annual field trips to Gifts to Give, Center School and Battleship Cove.
- School Council:
 - Monthly School Council Meetings took place. The role of the School Council, as defined by law, is to assist the Principal in identifying the educational needs of the students, review the annual budget of the school and develop a School Improvement Plan. The 2023-2024 members: Dan Cooney (Parent/Marion); Susan Hunter Revell (Parent/Rochester); Chrystal Walsh (Parent/Mattapoisett); and, ORRJHS teacher representation - Sam Enos, Therese Valente and Sarah Makein; Principal-Silas Coellner-Chairperson and Recording Secretary - Kelly Chouinard, Asst. Principal.

Other Notable Achievements:

- Samantha Enos, Reading Specialist, received her Doctorate of Education in Teaching, Learning, Curriculum, and Leadership from Northeastern University. Her dissertation was titled, "Adolescent Struggling Readers: Positive Student Teacher Relationships".
- The ORRJHS received the Best Communities for Music Education designation from the National Association of Music Merchants Foundation.
- Nichole Charbonneau, Grade 8 English teacher, was selected to serve on the state-level Bias & Sensitivity Assessment Development Committee for the Massachusetts Comprehensive Assessment System (MCAS).

Grants Received:

- Brian Almeida, grades 7 and 8 technology teacher, received a Cape Cod Five Cents Savings Bank Grant for technology equipment.
- Eugenia Tilley, Spanish teacher, received a Cape Cod Five Cents Savings Bank grant to purchase Spanish books.

Respectfully Submitted,

Silas Coellner, Principal

Sippican Elementary School

The Sippican School enrollment for the 2023-2024 school year 387 students. The school year

Staffing

The 2023-2024 school year brought a few new faces to Sippican Elementary School including:

Nadeen Mardo – Paraprofessional

Makayla Bumpus – Paraprofessional

Cassandra Craig – Paraprofessional

Officer Jonathan Tracy – Student Resources Officer, Marion Police Department

The following staff changed positions.

Penny Sullivan – Special Education Teacher

Bailey Sweet – PreK Paraprofessional

Taylor Swoish - Paraprofessional

Curriculum and Staff Development

To enhance student learning, Sippican Elementary School continued to prioritize literacy and science education. We partnered with the HILL for Literacy to implement the IntoReading curriculum, a high-quality program aligned with DESE standards. This initiative aims to improve students' reading and writing skills through evidence-based instruction and engaging activities.

In science, we expanded our use of the OpenSciEd curriculum, providing teachers with professional development to deliver engaging and inquiry-based lessons. This program, funded through grants, empowers students to explore scientific concepts and develop critical thinking skills by conducting hands-on investigations and analyzing data.

Additionally, our third-grade students participated in the Marion Institute Grow, Farm to School project, learning about sustainable agriculture and the importance of healthy eating. This hands-on experience fosters environmental stewardship and connects students to their community by growing their own food, learning about soil health, and exploring local food systems.

Our commitment to ongoing professional development ensures that teachers are equipped with the latest instructional strategies and content knowledge. By providing targeted training in literacy and science, we aim to optimize student-learning outcomes.

Highlights Across the School

Sippican Elementary School continued to foster a positive and engaging learning environment for all students. We built upon our tradition of strong community partnerships, innovative curriculum, and student-centered initiatives.

Key highlights from the 2023-2024 school year include:

- Community Engagement: We welcomed families to our annual open house and continued our collaboration with the Marion Police Department to enhance school safety.
- Student Leadership: Our students participated in the Project 351 Playbook Initiative, developing leadership skills and promoting positivity.

- Arts and Music: Music and band students showcased their talents at various community events, while the Kindness Crew and Junior Reports contributed to school culture and community outreach.
- Academic Excellence: Students excelled in academics, with strong performance on the MCAS and participation in enriching activities like the Science Fair and Art Show.
- Strategic Planning: We engaged in the first year of Vision 2028.

By focusing on these areas, we aim to create a thriving learning community where students can reach their full potential.

Community Connections

Sippican Elementary School continued to thrive due to the unwavering support of our community. The Volunteers at Sippican Elementary (V.A.S.E.) played a pivotal role in enhancing the student experience through various initiatives, including:

- Character Education: VASE supported the "Character Counts" program, recognizing students who exemplify our school's core values of respect, responsibility, and kindness.
- Enrichment Opportunities: VASE organized a variety of events and activities, such as the Halloween Party, Holiday Shop, and field trips, to enrich students' learning experiences.
- Community Partnerships: We continued to collaborate with local organizations like the Marion Police Department, Fire Department, ORCTV, the Marion Scholarship Committee, Tabor Academy, the Marion Art Center, the Marion Historical Society, and the library to provide additional opportunities for our students.

These partnerships and the dedication of our volunteers and community members have significantly contributed to the overall success of Sippican Elementary School.

Conclusion

We are immensely proud of our students' achievements, both academic and social-emotional. They have grown in their ability to think critically, problem-solve, and collaborate with their peers. Our dedicated staff worked tirelessly to provide high-quality instruction and support, ensuring that every student had the opportunity to succeed.

Respectfully submitted,
Lynn Dessert, Principal

**Report of
UPPER CAPE COD REGIONAL TECHNICAL SCHOOL**

To the citizens of Bourne, Falmouth, Marion, Sandwich, and Wareham:

ELECTED SCHOOL COMMITTEE REPRESENTATIVES:

TOWN OF BOURNE	MARY CROOK DAVID P. SAMPSON
TOWN OF FALMOUTH	THOMAS CORRIVEAU, VICE-CHAIR MARYANN SMITH
TOWN OF MARION	CHRISTINE MARCOLINI
TOWN OF SANDWICH	MICHAEL DEGAN, TREASURER ELLEN BARBER
TOWN OF WAREHAM	DOMINIC CAMMARANO ROBERT FICHTENMAYER, CHAIR
SUPERINTENDENT	ROGER D. FORGET

Upper Cape Cod Regional Technical School foundation enrollment, as of October 1, 2023 consisted of two hundred (200) students from Bourne, two hundred and four (204) from Falmouth, thirty-two (32) from Marion, one hundred fifty-eight (158) from Sandwich, and two hundred sixty-three (263) from Wareham. The school also has a self-sufficient adult Licensed Practical Nursing program with both full-time and part-time day and evening programs available to students. Due to the success of quality career and technical education garnering praise on regional, statewide, and national fronts, the interest in attending Upper Cape Tech is increasing while the number of school age children is decreasing geographically.

Upper Cape Tech continues to expand its offerings for adults and other out of school individuals. Adult tuition students, specialized afternoon and evening occupational programs, and summer programs are additional to the 857-pupil school day enrollment. Upper Cape Tech continues to offer valuable cost-effective services to its communities via its day and evening programs. During this fiscal year, 989 adult students were enrolled in evening courses.

At Upper Cape Tech, students may choose Automotive Collision Repair, Automotive Technology, Carpentry, Cosmetology, Culinary Arts, Electrical, Engineering Technology, Environmental Technology, Health Technology, Horticulture, HVAC, Information Technology, Marine Technology, Plumbing & Heating, or Veterinary Science.

Another unique offering for students at Upper Cape Tech is the cooperative employment program which allows qualifying juniors and seniors to work for employers in their trades on alternating weeks during their shop time. Upper Cape Cod Regional Technical School is proud to announce that they have earned the top spot in the state for student participation in their cooperative education program. Upper Cape Tech was

ranked number one in the state for co-op placement with over 56% of seniors and juniors participating. With a total of 209 students employed by over 150 companies and municipalities, they were able to cumulatively earn \$1,434,328.00 and work 89,929 hours during the 2023-2024 school year making it the most lucrative year on record for UCT co-op students.

Students spent a great deal of time on projects in the communities this past year. Carpentry students are assisting with projects for the Falmouth Department of Public Works, the Falmouth Police Department, the National Marine Life Center in Buzzards Bay, and the Sandwich Hollows Golf Course. Automotive Collision students painted a patrol cruiser for both the Falmouth Police Department and the Bourne Department of Natural Resources while Horticulture students spent time assisting the Sandwich Garden Club. Finally, Veterinary Science staff and students provided Nero's Law Training for more than 200 emergency medical services and firefighter personnel from the towns of Bourne, Falmouth and Sandwich.

In this fiscal year, construction concluded on a new building to house the Environmental Technology program. This project was the result of a \$2.5 million Capital Skills grant award. The majority of the work on this building as well as the storage building for the program was done by staff and students in the construction trades. Work also continued on the construction of two additional athletic fields to accommodate our growing number of student athletes and athletic offerings.

Upper Cape Tech staff and students are able to undertake much of the maintenance of the building and grounds, along with monitoring the facility's complex ventilation and heating, saving thousands of dollars in outside labor costs. Additionally, significant savings were again realized this past fiscal year as a result of the solar canopies in the staff and student parking lot. The canopies resulted in nearly \$102,000 in net metering credits in fiscal year 2024. The district also earned revenues of nearly \$42,000 as a result of a power purchase agreement with Future Generation Wind.

The Regional School District Committee also extends its appreciation to the many advisory boards that assist us in developing and maintaining educational programs, various town and school officials who support our efforts, and school staff members. It is the combined effort of all of these individuals that has enabled the success of the school and its graduates for the benefit of our communities. We look forward to your continued support.

Respectfully submitted,

Roger D. Forget

Report of
SCHOLARSHIP EDUCATION FUND COMMITTEE

To the Honorable Select Board:

The Scholarship Education Fund Committee was established under Massachusetts General Laws, Chapter 60, Section 3C and adopted by Town Meeting in April 1994. The Scholarship portion of the committee awards scholarships to graduating high school Marion residents pursuing education beyond the secondary school level. Since its inception, the committee has made scholarship awards to over 100 students. The application criteria are based on financial need, character, academic passion, scholastic record, extracurricular activities and involvement in community affairs. The committee received many qualified applications in 2024. Narrowing down and agreeing on the recipients was no easy task. The number and size of the awards depends upon the amount of donations received each year. Since we had a large amount of donations and the applicants were above average we were able to give all the applicants a scholarship. The committee is very pleased to announce that for 2024, six recipients were each awarded \$500, Henry Edward Cooney, Lillian Manning, Adam Oulette, Gavin Robbins, Elizabeth Russo and Tyler Young.

Allocations from this committee are made possible through the generosity of Marion taxpayers and other interested people who have contributed to the fund. We are grateful to the many people who have donated, both through the town hall, and through request slips included in their tax bills. Contributions in any amount are always appreciated and are fully tax deductible. This committee also appreciates its members who have volunteered their time and resources to ensure that the students of Marion are supported in their educational endeavors.

Respectfully submitted,

Elizabeth Dowd, Chairwoman
Mike Nelson

**Report of
MARION CULTURAL COUNCIL**

The mission of the Marion Cultural Council (MCC) is to enrich the cultural life of our community by making a variety of performances, classes and experiences available and accessible to the residents of Marion. Decisions by the council are based using criteria drawn from community input surveys.

Marion's number one priority is to promote access to MCC funds to projects that will directly improve the quality of life for those living in and around the Town of Marion.

Using data from our latest community input survey July 2022, which is completed every three (3) years, the council will prioritize the following when making decisions using the top responses from Marion citizens.

- 1) The grant will directly benefit a significant amount of Marion's residence.
- 2) Community-wide gatherings/festivals
- 3) Projects that offer free or reduced rates to those in need and seniors/residence
- 4) Nature and environmental education
- 5) Projects celebrating local history and cultural diversity
- 6) Projects celebrating cultural diversity
- 7) STEM-related projects
- 8) Art education
- 9) Projects focused on local history
- 10) Education/lectures
- 11) Field Trips

Marion Cultural Council does not have the ability to provide locations for grantees. All grantees should provide the location of their event as well as an approximate date. If working with a school or community organization the council requires that the applicant provide a statement of support from said school/organization.

Each year the Cultural Council receives funding from the Massachusetts Cultural Council for the purpose of awarding grants to help support cultural activities of benefit to the town. For the FY2025 cycle, the Cultural Council received thirty-eight (38) grant applications requesting a total of \$27,160. This year, the Council was awarded \$5,700 (FY2025 Allocation) from the Commonwealth of Massachusetts. The Council selected the following thirteen events/programs for funding, believing that these events/programs would appeal to the broadest cross section of our community's population, thereby supporting our mission. All remaining funds (\$245) were left for any of the council's potential administrative fees as well as a MCC event.

Applicant	Project title	Amount Requested	Grant Amount
Mattapoissett Historical Society	Mattapoissett Museum Wampanoag Exhibit	\$600	\$600
Tri-County Music Association, Inc	Complimentary Senior Tickets	\$200	\$200
Sippican Choral Society, Inc.	An Anniversary Celebration: 60's Songs for 60 Years	\$350	\$350

Old Rochester Regional High School	Shrek's Shakespearean Adventure	\$500	\$500
Nolan Gibbons Memorial Fund, Inc.	NolanFest	\$500	\$500
MUSIC Dance.edu	Hip Hop Chair Dance for Seniors!	\$280	\$280
Marion Natural History Society, Inc	Amazing Animal Ambassadors - Bird program	\$400	\$400

TOWN OF MARION
Annual Town Meeting Minutes
May 13, 2024

The Annual Town Meeting was called to order by Moderator Brad Gordon at 6:45p.m. on May 13, 2024 at the Sippican School Auditorium. Invocation was by Rev. Eric Osterday of the First Congregational Church of Marion. Tellers sworn were Stephen Nojeim and Helen Westergard. The Moderator noted the presence of a quorum and reported that the Warrant for the meeting had been posted and returned in accordance with the law.

Article 1. Motion was made and seconded that the Town vote, in accordance with General Laws Chapter 41, Section 108, to approve the following Compensation Schedule for elected officials, effective July 1, 2023:

Select Board, each member, per annum	\$ 4,902
Board of Assessors, each member, per annum	\$ 4,839
Board of Health, each member, per annum	\$ 1,866
Moderator, for Annual Meeting	\$ 245
per Special Town Meeting	\$ 81

Motion declared carried at 6:50pm

Article 2. Motion was made and seconded that the Town vote to raise and appropriate the sum of \$27,093,836 to pay interest and maturing debt and for the charges, expenses and overlays of various Town departments and for a reserve fund for the twelve-month period beginning July 1, 2024 and, in addition, the sum of \$6,000 be transferred from wetlands protection fees to Administrative Services, account #159; and the sum of \$5,550 be transferred from the dog fund to Animal Control, account #292; and the sum of \$6,063 be transferred from the State Aid to Library account to Elizabeth Taber Library, account #610; and the sum of \$455,128 be transferred from the waterways account to the Marine

Resources account, #295; and the sum of \$3,079 from Fund Balance for Future Debt-Premiums; and the sum of \$25,000 be transferred from the Overlay Reserve, the sum of \$415,930 for indirect costs be transferred from the water enterprise fund, the sum of \$446,205 for indirect costs be transferred from the sewer enterprise fund, the sum of \$350,000 be transferred from other available funds in the treasury (free cash) to the operating budget; and, in addition, the Town approve the Old Rochester Regional School District’s operating budget of \$5,551,389, and to approve the Old Rochester Regional School District’s Capital Stabilization Fund of \$30,920 and to approve the Old Rochester Regional School District’s capital budget of \$183,737, as certified by the ORR School Committee on March 28, 2024; and, in addition, the Town accept the Upper Cape Cod Regional Technical School’s operating budget of \$576,084 and the Upper Cape Cod Regional Technical School’s capital budget of \$23,656, as certified by the Upper Cape Cod Regional Technical School on March 14, 2024 for the fiscal year beginning July 1, 2024, with the total operating budget thus to be \$28,837,711 with items as follows:

Motion declared carried at 7:04pm

Article 3. Motion was made and seconded that the Town vote to appropriate the following sums for the water enterprise fund for FY2025 operations as printed in the warrant. And, as funding therefore, that the sum of \$2,310,438 be raised from FY2025 departmental receipts and the sum of \$195,000 transferred from Water Enterprise retained earnings.

Motion declared carried at 7:05pm

Article 4. Motion was made and seconded that the Town vote to appropriate the following sums for the sewer enterprise fund for FY2025 operations as printed in the warrant. And, as funding therefore, that the sum of \$3,370,200 be raised from FY2025 departmental receipts, and the sum of \$275,000 be transferred from Sewer Enterprise retained earnings.

Motion declared carried at 7:06pm

Article 5. Motion was made and seconded that the Town vote to transfer from the Overlay Surplus Account the sum of \$25,000 to be used by the Board of Assessors for the revaluation of real and personal property as mandated by the Department of Revenue.

Motion declared carried at 7:06pm

Article 6. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$50,000 to the Compensated Absence Account for the purpose of funding accrued benefits for retiring employees.

Motion declared carried at 7:07pm

Article 7. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$50,000 to be expended by the Facilities Department to complete building maintenance projects on municipal facilities.

Motion declared carried at 7:08pm

Article 8. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$5,000 to be expended by the Stewards of Community Open Space to update the Open Space and Recreation Plan.

Motion declared carried at 7:10pm

Article 9. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (School Stabilization Fund) the sum of \$150,000 to be expended by the Marion School Committee to support the funding of unanticipated out-of-District placement costs.

Motion declared carried 7:11pm

Article 10. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$20,000 to be expended by the Building Commissioner for the purpose of providing emergency demolition services.

Motion declared carried 7:12pm

Article 11. Motion was made and seconded that the Town vote to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$20,000 to be expended by the Tree Warden for the purpose of providing emergency removal of diseased or storm damaged trees.

Motion declared carried at 7:13pm

Article 12. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$50,000 to supplement the remaining balance from the motion taken under Article 10 of the 2008 Annual Town Meeting for purposes of instituting tax foreclosure procedures on delinquent real estate parcels in the Town in accordance with the provisions of General Laws Chapter 60, Section 53.

Motion declared carried at 7:14pm

Article 13. Motion was made and seconded that the Town vote to transfer from the remaining balances from the funds appropriated pursuant to the votes taken on the motions for Article 9 of the May 9, 2022 Annual Town Meeting (\$25,242.45), to be used by the Facilities Department for the purpose of replacing the vinyl flooring at the Benjamin D. Cushing Community Center, including all costs incidental and related thereto.

Motion declared carried at 7:16pm

Article 14. Motion was made and seconded that the Town vote to transfer \$1,383,177 from Free Cash, \$750,000 from Water Retained Earnings, and \$314,000 from Sewer Retained Earnings for the purpose of replacing and/or purchasing the following capital items, including equipping of vehicles and equipment and as applicable, professional services and all other incidental and related costs:

General Fund

Cardiac Monitor & AED Replacement (Fire)	\$95,000
Digital Recording Logger (Police)	\$47,000

Fire Station #1 Bathroom Update (ADA) (Fire)	\$35,000
Upgrade WiFi (Sippican)	\$20,000
Records Digitization (Town)	\$175,000
McQuay Chiller Refurbishment (Sippican)	\$42,000
PA & Master Clock Replacement (Sippican)	\$42,000
Roof-Top Chiller Replacement (Sippican)	\$50,000
Sidewalk Evaluation (DPW)	\$45,000
IT Phased Replacement (Town)	\$10,000
Community Center Roof (Design) (Facilities)	\$35,000
Upgrade Vehicle Fleet (Electric) (Town)	\$45,000
Furniture Phased Replacement (Town)	\$10,000
Window Phase Replacement (Sippican)	\$20,000
Hook Lift System Truck (DPW)	\$130,000
Furniture Phased Replacement (Sippican)	\$36,000
Bird Island Light House (Design) (Facilities)	\$30,000
Sprague's Cove Restorative Plantings (DPW)	\$25,000
Town House Security Upgrade (Town)	\$42,066
Digital Radio Upgrade (Police)	\$19,322
Brush Truck (Fire)	\$72,789
Island Wharf Water Line (Town)	\$100,000
Police Vehicle Replacement (Police)	\$75,000

Water Enterprise

Perry Hill - North Well Access (Design)	\$75,000
Emergency Generators	\$675,000

Sewer Enterprise

Inflow and Infiltration Removal Program	\$200,000
Creek Road Force Main Evaluation (Design)	\$64,000
Grant Match Fund	\$50,000

Motion declared carried at 7:29pm

Article 15. Motion was made and seconded that the Town vote to appropriate the sum of \$1,699,645 to be used to pay costs of constructing and equipping a new Department of Public Works Operations Building, including the payment of all costs incidental and related thereto; and to meet this appropriation (i) \$803,195 shall be transferred from Free

Cash, and (ii) the Treasurer, with the approval of the Select Board, is authorized to borrow \$896,450 under the provisions of M.G.L. c. 44, §7(1), or any other appropriate enabling authority, and to issue bonds and notes of the Town therefor; provided, however, that the appropriation authorized hereunder shall be contingent upon approval by the voters of a ballot question to exclude the amounts to pay for the bonds or notes authorized by this vote from the provisions of Proposition 2½, so called; and further that the Select Board is authorized to enter into such contracts and agreements as shall in its judgement be necessary to effectuate the intent of this article.

Motion declared carried by 2/3 vote 7:45pm

Article 16. Motion was made and seconded that the Town vote to transfer the sum of \$403,250 from the Waterways Fund and the sum of \$400,000 from Free Cash for the purpose of purchasing and equipping a replacement Public Safety and Patrol Boat, including all costs incidental and related thereto.

Motion made and seconded to move the question

Motion to move the question declared carried 8:16pm

Motion declared carried 8:19pm

Article 16A. Motion was made and seconded that the Town vote to appropriate the sum of \$803,250 to pay costs of purchasing and equipping a replacement Public Safety and Patrol Boat, including the payment of all costs incidental and related thereto; and that to meet this appropriation, the Treasurer, with the approval of the Select Board, is authorized to borrow \$803,250 under the provisions of M.G.L. c.44, §7(1) or any other appropriate enabling authority, and to issue bonds and notes of the Town therefor; provided, however, that while such bonds and notes shall be general obligations of the Town, payment shall be made in the first instance from Harbor Receipts; and further that the Select Board be authorized to enter into such contracts and agreements as shall in its judgement be necessary to effectuate the intent of this article.

Motion was made and seconded that this article be indefinitely postponed due to the passage of Article 16

Motion to postpone indefinitely declared passed 8:20

Article 17. Motion was made and seconded that the Town vote to indefinitely postpone Article 17.

Motion declared carried at 8:20pm

Article 18. Motion was made and seconded that the Town vote to transfer from available funds in the Treasury (Free Cash) the sum of \$100,000 to the Other Post-Employment Benefit Liability Trust Fund.

Motion declared carried at 8:22pm

Article 19. Motion was made and seconded that the Town vote to transfer the sum of \$2,000 from the Chester A. Vose Fund, said monies to be used by the Assessors for the reduction of taxes.

Motion declared carried at 8:22pm

Article 20. Motion was made and seconded that Town vote to act upon the recommendation of the Community Preservation Committee to appropriate from Fiscal Year 2025 estimated annual revenues, the sum of \$12,000 to the Community Preservation Committee for FY2025 administrative expenses.

Motion declared carried at 8:23pm

Article 21. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to reserve from Fiscal Year 2025 Community Preservation Fund estimated annual revenues, the sum of \$120,090 for the purpose of meeting the requirements of the Community Preservation Act (CPA), G.L.C. 44B, section 6, for the purposes of Open Space, Community Housing and Historic Preservation for Fiscal Year 2025; and further to place the remaining FY2025 Community Preservation Fund estimated annual revenues, the sum of \$268,210, in a FY2025 Community Preservation Act Budgeted Reserve account.

Motion declared carried at 8:25pm

Article 22. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$11,750 from CPA undesignated fund balance for the purpose of surveying and marking the bounds of the Town-owned Boatyard Park with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2025, without further action required by Town Meeting.

Motion declared carried at 8:26pm

Article 23. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$77,000 from Open Space and Recreation reserves for the purpose of designing, permitting and bidding improvements to the Silvershell Beach parking lot, with any remaining funds shall to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2025 without further action required by Town Meeting.

Motion declared carried at 8:28pm

Article 24. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$120,000 from CPA undesignated fund balance for the purpose of purchasing temporary and permanent easements related to the Shared Use Path, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2026, without further action required by Town Meeting.

Motion declared carried 8:29pm

Article 25. Motion was made and seconded that the Town vote to indefinitely postpone Article 25. (As Article 14 passed)

Motion declared carried at 8:30pm

Article 26. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$75,000 from CPA undesignated fund balance for the purpose of funding additional engineering expenses related to the Shared Use Path, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2025, without further action required by Town Meeting.

Motion declared carried at 8:31pm

Article 27. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$5,470 from CPA undesignated fund balance for the purpose of installing new irrigation systems at the Bicentennial Park and at the Children's' Garden at the Sippican School, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2025, without further action required by Town Meeting.

Motion declared carried at 8:33pm

Article 28. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$16,744 from CPA undesignated fund balance for the purpose of purchasing and installing a digital cemetery management system, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2025, without further action required by Town Meeting.

Motion declared carried at 8:33pm

Article 29. Motion was made and seconded that the Town vote to act upon the recommendation of the Community Preservation Committee to appropriate the sum of \$30,000 from CPA undesignated fund balance for the purpose of designing, purchasing and installing 10 markers on historic buildings and sites, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2026, without further action required by Town Meeting.

Motion declared carried at 8:35pm

Article 30. Motion was made and seconded that the Town vote to extend the funding period for the Marion Shared Use Path Easement Appraisals initially approved pursuant to a vote taken on Article 20 at the May 2022 Annual Town Meeting, until June 30, 2025, with any remaining funds to be closed out to the Community Preservation Fund category from which said funding originated at the close of Fiscal Year 2026, without further action required by Town Meeting.

Motion declared carried at 8:36pm

Article 31. Motion was made and seconded that the Town vote to indefinitely postpone Article 31.

Motion declared carried at 8:37pm

Article 32. Motion was made and seconded that the Town vote to accept the provisions of M.G.L. Chapter 90, §17C, authorizing the Select Board, in the interest of public safety and without further authority, to establish a speed limit of 25 miles per hour on any roadway inside a thickly settled or business district in the town on any way that is not a state highway.

Motion declared carried 8:48pm

Article 33. Motion was made and seconded that the Town vote to discontinue a portion of Wells Road, between Wareham Road (Route 6) and Spring Street, as a public way, as shown on the sketch plan on file with the Town Clerk, and to authorize the Select Board to convey said portion of Wells Road to the abutter(s), as may be applicable, on such terms and conditions as the Select Board determines to be in the best interests of the Town, for such consideration, which may be nominal consideration, as the Select Board deems appropriate; and, further, to accept or reserve a sewer easement in said portion of Wells Road; and to authorize the Select Board to execute any and all documents to effectuate the intent of this article.

Motion was made and seconded on the floor to indefinitely postpone Article 33 until the Town shall provide sufficient specificity to reasonably advise the public of the issue(s) to be discussed,

including the following:

- A. Diagram, description, dimensions and square footage of parcel under consideration;*
- B. Disclosure of current registered owners of abutting land to parcel under consideration, name of principals if owners are corporate, and status of title; proof of good standing with property, sewer, water, business property taxes and fees if applicable;*
- C. Proposed price for abutting landowners to acquire proposed parcel;*
- D. Alternative options for the Town to consider other than sale of proposed parcel and cost/benefit of same to taxpayers;*
- E. Report from Finance Committee of cost/benefit to Town if proposal proceeds or alternatives are presented;*
- F. Report from Board of Assessors of cost/benefit to Town if proposal proceeds and/or encumbrances or alternatives are presented;*
- G. Analysis of viability of any Economic Development proposal relating to this parcel and abutting land;*
- H. Disclosure of any insider dealing, conflict of interest or background information potentially relevant to the proposed transaction or alternatives.*

Motion was made and seconded to move the question

Motion to move the question carried 9:02pm

Motion to indefinitely postpone Article 33 declared carried 9:02pm

Article 34. Motion was made and seconded that the town vote to amend Article 230.3-2 (Zoning Map) and Zoning Map of the Code of Marion, by re-drawing the existing boundaries of the Aquifer Protection Overlay District on the Zoning Map of the Town of Marion, dated May 12, 2014, as shown in an attachment to this Warrant and on file in the Town Clerk's office, in a manner consistent with Wellhead Protection Regulations, 310 CMR 22.21(2), and Section 230-8.2 (Water Supply Protection District) of the Code of Marion.

Motion was made on the floor and seconded to table Article 34

Motion declared carried 9:14pm

Article 35. Motion was made and seconded that the Town vote to amend Article 230.3-2 (Zoning Map) and Zoning Map of the Code of Marion, by re-classifying the lots, located on 207-215 Wareham Street, from General Business Zoning District to Zoning District Residential E as printed in the warrant.

Motion declared carried by 2/3 majority at 9:28pm

Article 36. Motion was made and seconded that the Town vote to authorize, but not require, the Select Board to accept or convey, grants of easements for streets, water, drainage, sewer and utility purposes or any public purpose on terms and conditions the Select Board deems in the best interest of the Town.

Motion declared carried 9:29pm

Article 37. Motion was made and seconded that the Town vote, pursuant to the provisions of General Laws Chapter 44, Section 53E½, to establish and authorize for FY2025 a Recreation Revolving Fund for the purpose of accepting receipts from fees collected from participants in the various recreation programs, with said funds to be received by the Treasurer and credited to the said revolving fund and to be dispersed by the Town Accountant to offset the costs of these programs, total expenditures not to exceed \$150,000.

Motion declared carried 9:31pm

Article 38. Motion was made and seconded that the Town vote, pursuant to the provisions of General Laws Chapter 44, Section 53E½, to establish and authorize for FY2025 a Public Health Revolving Fund for the lawful collection of monies by the Town Treasurer and the expenditure of said monies by the Marion Board of Health for all lawful purposes including, but not limited to, purchasing medical supplies and vaccines, and the provision of public health and related services within the Town of Marion, with total expenditures not to exceed \$60,000.

Motion declared carried 9:32pm

Article 39. Motion was made and seconded that the Town vote to authorize the Select Board or its designee to make application on behalf of the Town to the appropriate agency of the Federal or State Governments for grants in aid or other funds or to private foundations or other foundations to further carry out certain programs hereinafter

listed and to expend such grants to the Town; said applications and expenditures as listed in Article 39 of the warrant.

Motion declared carried 9:33pm

Article 40. Motion was made and seconded that the Town vote to authorize the Select Board to institute, defend, or compromise suits of law.

Motion declared carried 9:34pm

Article 41. Motion was made and seconded that the Town vote to authorize the Select Board to sell any article belonging to the Town, provided the Town has no further use for the same.

Motion declared carried 9:34pm

Article 42. Motion was made and seconded that the Town vote to sell or transfer any taxation possession property held by the Town, pursuant to General Laws, Chapter 60, Section 77, after the Select Board has notified the Planning Board, Open Space Acquisition Commission, Conservation Commission, and the Affordable Housing Trust of the availability of such land and said agencies may report in writing within twenty (20) days to the Select Board any recommendations that they may have with regard to the disposition of said land.

Motion declared carried 9:35pm

Article 43. Motion was made and seconded that the Town vote to authorize the Select Board to negotiate and enter into lease agreement(s) on and/or for Town-owned land and property, on such terms and conditions and for such consideration as the Select Board shall determine to be appropriate; such lease or leases to be for a term of up to twenty (20) years.

Motion declared carried 9:36pm

Article 44. Motion was made and seconded that the Town vote to consider the reports of the Town officers and committees and act thereon.

Motion declared carried 9:37pm

Article 45. Motion was made and seconded that the Town vote to choose by ballot all necessary officers for the ensuing year; one Select Board member for three years; one Assessor for three years; one Board of Health member for three years; two Planning Board members for three years; two Marion School Committee members for three years; and two Open Space Acquisition Commission members for three years; commencing on Friday, the 17th of May, 2024, at 8:00 o'clock in the morning in the Benjamin D. Cushing Community Center, 465 Mill Street (Route 6), in said Marion.

Motion declared carried 9:37pm

Article 46. Motion (Citizen Petition) was made and seconded that the Town vote to repair storm drain system. Keep storm drains clean. Pump catch basins when full. Keep storm drains flowing so that our property does not flood. Investigate source of excess water flooding neighborhood of Ichabod Lane.

Motion made and seconded to table Article 46

Motion to table declared carried 9:56pm

Article 47. Motion was made and seconded that the Town vote to adjourn the Annual Town Meeting until 8:00 a.m., May 17, 2024, at which time we shall elect all necessary officers for the ensuing year.

Motion declared carried 9:57pm

Respectfully submitted by:

Elizabeth L. N. Magauran, Town Clerk

Report of TOWN CLERK

To the Honorable Select Board:

The year 2024 was a very busy one in the Town Clerk’s Office. In addition to running 4 elections and the Annual Town Meeting, we performed our daily duties including issuing 993 dog licenses, verifying signatures on over 300 petitions for the State Election, registering over 150 vital records, answering over 100 public records requests and issuing many, many copies of vital records for the upcoming “Real ID” requirement. The Assistant Town Clerk Lisa MacLean moved upstairs into Accounts Payable at the end of October and I welcomed Cathy Barker as my part-time assistant.

The 4 elections were the Presidential Primary, the Annual Town Election, the State Primary and the Presidential Election and one Town Meeting. For each Primary/Election we processed vote by mail postcards, applications and mail in ballots, as well as held in-person and absentee voting. Voter Participation was about average, as listed below:

	Registered Voters	Votes Cast	Participation
Presidential Primary:	4115	1480	35%
Annual Town Meeting:	4540	172	3%
Annual Town Election:	4540	838	18%
State Primary:	4285	1073	25%
Presidential Election:	4410	3592	81%

At the close of the census, the figures for the 2024 census were available. The total year-round population as of May 30, 2024 was 4943. The year-round population does not include “inactive” voters (495) or seasonal residents (818). The breakdown is as follows:

<i>Under age 5 years</i>	73
<i>Age 5 – 17 years</i>	488
<i>Age 18 – 59 years</i>	2745
<i>Age 60 years and over</i>	2101
<i>Unknown DOB</i>	42
<i>Corrupt Record</i>	1
<i>Inactive Voters</i>	495*

This number includes anyone who has **not responded to the Annual Street Listing. We are required by MGL C51 §4c to make inactive any voter who does not respond to the local census for a period of 2 years.*

The following are (year-round) population figures reported over the last five years.

<i>Year</i>	<i>Population</i>
2018	5169
2019	4611
2020	5312
2021	5520
2022	4295
2023	5055
